DEPARTMENT OF DOCKS AND FERRIES.

Transactions of the Department of Docks and Ferries for Week Ending August 14, 1902.

A petition was received from the West End Board of Trade of the Borough of Brooklyn, and signed by residents of South Brooklyn, asking for the construction of a public dock and a recreation pier on the water front of New York Bay, between Fiftieth and Sixtieth streets, and for the reconstruction of the Pier at the foot of Bay Ridge avenue, South Brooklyn, upon which petition a public hearing was held before the Deputy and Acting Commissioner August 13, 1902.

The following permits were granted, to continue during the pleasure of the Commissioner, but not longer than May 1, 1903:

Theresa A. S. Sheridan, to use and occupy a berth for unloading stone at the bulkhead between Seventy-ninth and Eightieth streets, North river, compensation to be paid therefor at the rate of $3 per day, payable at the end of each week to the Dockmaster.

R. J. Foster, to use and occupy 150 feet of the bulkhead between Piers 3 and 4, at Wallabout Basin, Borough of Brooklyn, with the privilege of maintaining an ice platform, tally house and scales thereat, compensation to be paid therefor at the rate of $1,500 per annum, payable quarterly in advance to the Cashier; all structures to be erected under the direction and supervision of the Engineer-in-Chief.

The following permits were granted, the work to be done under the supervision of the Engineer-in-Chief:

New York Sand and Facing Company, to make alterations in the existing shed between Taylor and Wilson streets, at the Kent Avenue Basin, Borough of Brooklyn, so as to provide sand bins in said shed.

John M. Robbins Company, to erect office buildings on their property at Erie Basin, South Brooklyn, in accordance with plans submitted.

Cole Brothers, to redrive and refasten piles and to repair where necessary the dock at the foot of Main street, Tottenville, Borough of Richmond, within existing lines.

James R. Meyers, to repair service pipe at the foot of Chambers street, North river, all pavement to be taken up and relaid by the force of this Department, at the cost and expense of the permittee.

The following permits were granted, to continue during the pleasure of the Commissioner, the work to be done under the supervision of the Engineer-in-Chief:

Old Dominion Steamship Company, to install a stand pipe on the Beach Street Pier 26, North river, for protection against fire.

Manhattan Transport Company, to erect and maintain a floating dump in front of the bulkhead south of Twenty-ninth street, East river, Borough of Manhattan, in accordance with plans to be hereafter submitted to and approved by the Engineer-in-Chief.

The following Commissioner's orders were issued:

No. 21772, to Superintendent of State Prisons, for 3 dozen chairs at $33 per dozen, 8 desks at $20 each, and 1 revolving chair at $6.

No. 21773, to Fulton Bag and Cotton Mills, for 1,500 jute bags, 27 inches by 40 inches, or of equivalent capacity, at 5 cents per bag.

No. 21774, to Thomas C. Dunham (Incorporated), for 4 gallons Hertzog's cement, 100 pounds dark chrome green in 5-pound cans, 100 pounds dark chrome yellow in 5-pound cans, 50 gallons liquid dryers in one quart cans, 100 gallons marine black in 50-gallon barrels, 1 50-gallon barrel of turpentine and 200 pounds white zinc in 100-pound kegs, at a total cost of $179.99.

No. 21775, to William T. Haines, for installing one 4-drop call enunciator on Pier "A," North river, at a cost of $15.

No. 21776, to New York Belting and Packing Company, for 4 28-inch by 2½-inch long-distance tires, at $20 each.

No. 21777, to Martin B. Brown Company, for 200 photo-lithographed maps of the marginal street from the Battery to Grand street, East river, printed on 12-inch by 42-inch sheets of Crane No. 21 map bond paper and stenciled in one color, at lowest market price.

No. 21778, to Hale Desk Company, for 1 oak table, 8 feet long by 4 feet wide, at a cost of $65.

The Deputy and Acting Commissioner, on August 11, 1902, agreed to lease, assign and to farm let unto the Knickerbocker Steamboat Company, all and singular, the right to collect and retain wharfage which may arise, accrue or become due for the use and occupation in the manner and at the rates prescribed by law, of the Pier at the foot of West One Hundred and Thirty-first street, North river, Borough of Manhattan, for a term of five years, at a rental of $4,000 per annum, to be paid quarterly in advance, the said company to have the privilege of a renewal term of five years at an advanced rental of five per cent. per annum on the rental for the first term; it being understood and agreed that not more than the legal rate of wharfage shall be charged for any use of the pier under the lease, and it being further understood that this agreement to lease shall be of no force or effect unless the terms thereof are accepted by the Knickerbocker Stamboat Company and approved by the Commissioners of the Sinking Fund, and that the said company shall agree to execute a lease containing the usual covenants and conditions at present embodied in leases of wharf property now used by this Department.

The Engineer-in-Chief, in accordance with his recommendation, was authorized to employ E. McLean Long as Steel Inspector in connection with the construction of the freight shed on Pier 12, East river, the services of the said inspector to be paid by the contractor under Contract No. 741, as provided for in said contract.

A communication having been received from the Engineer-in-Chief recommending that the dumping board maintained by Albert H. Hastorf on the bulkhead between Forty-third and Forty-fourth streets, North river, be condemned, and that the said Hastorf be directed to rebuild the entire structure, the Deputy and Acting Commissioner on August 14, 1902, directed that sealed bids be obtained after advertisement for the privilege of maintaining a dumping board on the bulkhead in question, under a lease for a period of five years, the lease to be subject to the approval of the Commissioners of the Sinking Fund.

The Borough President, in accordance with recommendation of the Engineer-in-Chief, was requested to have electric lights placed between Twenty-first and Twenty-third streets, East river, Borough of Manhattan.

The Police Department, in accordance with the recommendation of the Engineer-in-Chief, was requested to have proper sanitary facilities provided for the use of the men attached to the precincts located on Pier "A," North river.

The Fulton Market Fish Mongers' Association, in accordance with recommendation of the Engineer-in-Chief, on Commissioner's Order No. 530, was requested to make necessary repairs to the easterly half of Maiden lane Pier West, East river, leased to them by the Commissioners of the Sinking Fund.

The application of A. J. & J. J. McCullom for permission to erect a revolving screen coal pocket and elevator in the vicinity of Oakland street, Newtown Creek, Borough of Brooklyn, was denied, the plans therefor not being satisfactory to the Department.

The plans, specifications and form of contract as submitted by the Engineer-in-Chief on Commissioner's Order No. 541, for the construction of a Pier on the westerly side of North Brother Island, for the use of the Department of Health, were approved August 14, 1902, and ordered printed and advertised.

In accordance with the recommendation of the Engineer-in-Chief, Contract No. 735 for furnishing coal was ordered readvertised, August 14, 1902.

An application of the Hammond Typewriter Company for permission to build crib work between Sixty-ninth and Seventieth streets, East river, Borough of Manhattan, for the purpose of unloading coal thereat, was placed on file, the said company having failed to furnish plans of the proposed structure after notification so to do.

The Engineer-in-Chief was directed to move the posts and iron railing from their present position to the new location of the fireboat house at the Battery, as requested by the Fire Department, and said Department was notified that it would have to do all painting desired, both on the interior and exterior of said building.

In accordance with recommendation of the Secretary, a rebate of $19.33 was allowed the Shamrock Towing Line on the cost of repairs made to Jeannette Park Pier No. 6, East river, where damaged by the tug "Erin," and the sum of $25 accepted in full settlement of the claim of this Department against said company for the cost of such repairs.

The permit granted Thomas Ward to use and occupy a berth and to maintain a steam hoist for unloading coal at the bulkhead between Seventy-ninth and Eightieth streets, North river, was revoked as of July 1, 1902, the Chief Clerk and Auditor having reported that said Ward has not occupied the premises since that date.

The following orders were issued to the Engineer-in-Chief:

To remove the sheet piling and piles on the westerly side of crib at Riker's Island, and to place the dock thereat in proper condition for the maintenance of an excavating machine for the removel of filling from scows, and to repair the dock at the northerly end of Riker's Island, as requested by the Department of Street Cleaning.

To prepare a berth at the outer end on the north side of Pier "A," North river, for the steamboat "Patrol," as requested by the Police Department.

Charges were preferred August 8, 1902, against John R. Powers, Dock Master, of failing to make returns for wharfage collected by him and in accordance with notice served upon him, he appeared before the Deputy and Acting Commissioner on Tuesday, August 12, 1902, at 12 o'clock noon, and denied having received any money for wharfage which had not been turned into the Department by him. Decision was reserved.

At the request of Charles Goldzier, attorney, the trial of Dockmaster Brady, for malfeasance in office, was adjourned until Friday, August 15, 1902, at 11 o'clock a. m.

The following orders were issued by the Deputy and Acting Commissioner on August 9, 1902, discharging Richard Cleary and James G. Shand from the service of this Department as Dockmasters:

"Richard Cleary, a Dockmaster in the Department of Docks and Ferries, of The City of New York, having been duly notified to appear before me at my office in the said Department of Docks and Ferries, at Pier 'A,' North river, in The City of New York, on Saturday, the 26th day of July, 1902, at 11 o'clock in the forenoon, when he would be afforded an opportunity of making an explanation of the charges of neglect in the discharge of his duty as a Dockmaster in this Department, the specifications of which charges were as follows:

"That he failed to render services to the Department of Docks and Ferries as a Dockmaster in the employ of said Department while assigned to District No. 21, in the Borough of Brooklyn, and was absent from duty on the afternoon of Tuesday, July 15, Thursday, July 17, and Wednesday, July 23, 1902.

"And the said Richard Cleary having appeared before me at the time and place above mentioned, and having admitted the said charges and specifications, I hereby adjudge him guilty of the said charges and order his immediate dismissal.

"(Signed) JACKSON WALLACE,
"Deputy and Acting Commissioner."

"James G. Shand, a Dockmaster in the Department of Docks and Ferries, of The City of New York, having been duly notified to appear before me at my office in the said Department of Docks and Ferries, at Pier 'A,' North river, in The City of New York, on Saturday, July 26, 1902, at 11 o'clock in the forenoon, when he would be afforded an opportunity of making an explanation of the charges of neglect in the discharge of his duty as a Dockmaster, the specifications of which charges were as follows:

"That he failed to prevent the unloading of sand from the scow 'Congress' at the bulkhead between West Forty-ninth and West Fiftieth streets, on the North river, in the Borough of Manhattan, in The City of New York, which sand was discharged from said scow by Cusick & Ryan on Saturday, July 19, 1902, no permit having been granted by this Department therefor.

"And the said James G. Shand having appeared before me at the time and place above mentioned, and having presented his explanation to me in regard to said charges and specifications, now, upon due consideration of the said explanation, I hereby adjudge him guilty of the said charges and order his immediate dismissal.

"(Signed) JACKSON WALLACE,
"Deputy and Acting Commissioner."

The resignation of William L. Brosnan as Recreation Pier Attendant was accepted August 8, 1902.

The appointment of Kumeo Yano as Marine Cook was made permanent August 12, 1902, with compensation at the rate of $60 per month, he having been certified by the Municipal Civil Service Commission as being eligible for such permanent appointment.

The Municipal Civil Service Commission was requested to consent to the restoration of the title of William J. McPherson from the position of Machinist's Helper to that of Flagger, as requested by said McPherson.

The following communications were ordered on file:

From the Comptroller—

1. Approving sureties on Contract No. 746 for repairing the Pier at the foot of West Fifty-fifth street, North river.

2. Stating that a claim has been filed by John Lyons for salary as Recreation Pier Cleaner, and requesting information relative to the employment of said Lyons by this Department. Comptroller notified that the Recreation Pier Cleaners are paid salary only while employed.

3. Requesting information relative to the appointment of Horgan & Slattery as Consulting Architects by this Department. Comptroller notified that the appointment of Horgan & Slattery was abrogated by this Department, owing to the failure of the said Architects to furnish proper plans when notified so to do.

From the Corporation Counsel—

1. Approving form of Contract No. 747 for widening and repairing the Clinton Street Pier 37, East river.

2. Stating that a claim has been filed by John J. Prince for salary for services rendered as Clerk to the Commissioners of Estimate and Appraisal for the acquisition of water front property. Corporation Counsel notified that audits for the compensation claimed have been sent by this Department to the Finance Department for payment.

From the Commissioner of Public Works, in relation to the extension of sewer outlets from the old to the new bulkhead lines along the water front. Said Commissioner notified that the construction of all sewer outlets is within the jurisdiction of the Department of Sewers.

From the Municipal Civil Service Commission, approving the re-employment of Dennis J. Delaney as Laborer in the Department.

From Charles A. Berrian, auctioneer, stating that the sale of old material held August 6, 1902, netted the sum of $209.52.

From the Moran Towing Company, transmitting the consent of sureties to extension of time granted to and including December 31, 1902, for the completion of Contract No. 738.

From the People's Co-operative Ice Company, requesting to be advised as to whether the said company can pay rental for the use of the bulkhead at the foot of West Eighty-first street without executing the lease therefor. Said company notified that unless the lease is executed without further delay the privilege of occupying the premises will be revoked, and unless rental is paid for such bulkhead all permits granted to said company by this Department will be revoked.

From the Long Island Railroad Company, in relation to repairs made to the Grand Street Pier, East river, where damaged by the tug "Long Island." Said company notified that the bill for such repairs is proper and that unless the amount is paid without further delay the claim will be sent to the Corporation Counsel for collection.

From the Erie Railroad Company, complaining of the collection of water at the approaches to Piers 20 and 21, North river. Said company notified that this Department is about to construct silt basins at the location referred to, which will remedy the evil complained of.

From E. Nichols, adjuster, requesting information relative to the elevation of the decks of Piers 16 and 17, North river. Information furnished.

From T. Cunningham Company, requesting that repairs be made to West Twentieth Street Pier. Said company notified that this Department does not deem it advisable to expend any moneys in repairs to said pier owing to the likelihood of the pier being removed in the very near future.

From S. Stewart, requesting that dredging be done in the slip on the north side of East Twenty-eighth Street Pier. Applicant notified that dredging must first be done by the owner of the bulkhead between Twenty-eighth and Twenty-ninth streets, East river.

From the Engineer-in-Chief, reporting that the work of repairing the West Forty-eighth Street Pier under Contract No. 732 was completed August 12, 1902.

From the Superintendent of Docks:

1. Reporting the death of Bridget Lennon, Recreation Pier Cleaner, August 9, 1902.

2. Reporting that George Grossman removed the steam coal hoist from the bulkhead between West One Hundred and Thirty-first and West One Hundred and Thirty-second streets, North river, on August 7, 1902.

BOROUGH OF MANHATTAN.

OFFICE OF PRESIDENT OF THE BOROUGH OF MANHATTAN, NEW YORK, September 2, 1902.

NOTICE IS HEREBY GIVEN, IN ACCORDance with section 432 of the Charter of The City of New York, that a communication, signed by the Department of Health, concerning the necessity of fencing vacant lots on the east side of Park avenue, 75 feet north of Ninety-seventh street, and extending 25 feet north, has been filed in this office and is now ready for public inspection, and that a meeting of the Board of Local Improvements of the Harlem District for Local Improvements will be held in the Borough Office, City Hall, on the 16th day of September, 1902, at 11.30 a. m., at which meeting said communication will be submitted to the Board.

JACOB A. CANTOR,
President.

GEORGE W. BLAKE,
Secretary.

OFFICE OF THE PRESIDENT OF THE BOROUGH OF MANHATTAN, CITY HALL, THE CITY OF NEW YORK, August 30, 1902.

SEALED BIDS OR ESTIMATES WILL BE received by the President of the Borough of Manhattan at the City Hall, Room No. 16, until 11 o'clock a. m. on

THURSDAY, SEPTEMBER 11, 1902.

REGULATING AND REPAVING WITH ASPHALT BLOCKS ON MACADAM FOUNDATION, OR REGULATING AND REPAVING WITH A BITUMINOUS MACADAM PAVEMENT THE ROADWAY OF SEVENTH AVENUE, FROM ONE HUNDRED AND TENTH STREET TO ONE HUNDRED AND FIFTY-THIRD STREET.

The Engineer's estimate of the quantities for regulating and repaving with asphalt block pavement is as follows:

100,400 square yards of asphalt block pavement.
1,100 square yards of old stone block pavement to be relaid in approaches, etc.
2,800 cubic yards of mortar.
5,500 linear feet of new curbstone furnished and set on concrete foundation.
17,500 linear feet of old curbstone redressed, rejointed and reset on concrete foundation.
3 noiseless covers complete for water manholes to be furnished and set.
3 noiseless covers complete for sewer manholes to be furnished and set.

The Engineer's estimate of the quantities for regulating and repaving with bituminous macadam pavement is as follows:

100,400 square yards bituminous macadam pavement.
1,100 square yards of old stone block pavement to be relaid in approaches, etc.
5,500 linear feet of new curbstone furnished and set.
17,500 linear feet of old curbstone redressed, rejointed and reset.
3 noiseless covers complete for water manholes to be furnished and set.
3 noiseless covers complete for sewer manholes to be furnished and set.

Time for the completion of the work and full performance of the contract is 200 days.

The amount of security is $50,000.

The bituminous macadam to be furnished is to be of a character at least equal in durability and appearance to that known as the Warren Brothers Company's bituminous macadam, which question shall be determined by a Board of Engineers as specified in the notice to bidders.

The suitability of the asphalt blocks for the use proposed shall be determined by a Board of Engineers composed of the Chief Engineer of the Board of Estimate and Apportionment, the Chief Engineer of the Department of Finance and the Chief Engineer of the Bureau of Highways of the Borough of Manhattan; the said Board shall determine in such way as they shall deem proper and by making such tests as they may deem necessary the suitability of the blocks for meeting the requirements of the specifications. In case this Board shall determine that the blocks are unsuited for use and do not conform with the requirements of the specifications the bid will be rejected.

The President of the Borough of Manhattan reserves the right to accept the lowest bid for either the work to be done with bituminous macadam pavement or asphalt block pavement should he deem it for the best interests of the City so to do.

The bidder will state the price of each item or article contained in the specifications or schedules herein contained or hereto annexed, per linear foot, square foot, square yard, cubic yard or other unit of measure. The extensions must be made and footed up, as the bids will be read from the total, and awards made to the lowest bidder.

The bids will be compared and the contract awarded at a lump or aggregate sum for each contract.

Blank forms, specifications and any further information can be obtained at the office of the Commissioner of Public Works, Bureau of Highways, No. 21 Park row, Borough of Manhattan.

BOARD OF ESTIMATE AND APPORTIONMENT.

TO WHOM IT MAY CONCERN.

NOTICE IS HEREBY GIVEN THAT THE Commissioner of Water Supply, Gas and Electricity has, on behalf of The City of New York, prepared three maps of real estate (as the term "real estate" is defined by section 485 of the Greater New York Charter), situate in the towns of Harrison, North Castle, Mount Pleasant, New Castle and Bedford, Westchester County, New York, and being along or near Rye Pond Reservoir outlet, Rye Pond Reservoir, Byram river, Wampus river, Wampus pond and Bronx river, which real estate, in the opinion of said Commissioner, it is necessary to acquire for the purpose of preventing the contamination or pollution of the supply of pure and wholesome water for the use of The City of New York, and said Commissioner has submitted said maps to the Board of Estimate and Apportionment of The City of New York for approval, and said Board of Estimate and Apportionment will meet in Room 16, in the City Hall, in the Borough of Manhattan, City of New York, on the 5th day of September, 1902, at 2.30 o'clock in the afternoon, at which time and place the said Board will afford to all persons interested a full opportunity to be heard respecting such maps and the acquisition of the real estate shown thereon.

Dated New York, July 28, 1902.

BOARD OF ESTIMATE AND APPORTIONMENT.

J. W. STEVENSON, Secretary.

NOTICE IS HEREBY GIVEN THAT THE Board of Estimate and Apportionment of The City of New York, deeming it for the public interest so to do, proposes to alter the map or plan of The City of New York by laying out the Southern Boulevard approach to the Third avenue bridge over the Harlem River, between Lincoln avenue and Third avenue in the Borough of The Bronx, City of New York, and that a meeting of said Board will be held in the Old Council Chamber (room 16), City Hall, Borough of Manhattan, City of New York, on the 5th day of September, 1902, at 10.30 o'clock a. m., at which such proposed laying out will be considered by said Board, all of which is more particularly set forth and described in the following resolutions adopted by said board on the 18th day of July, 1902, notice of the adoption of which is hereby given, viz.:

Resolved, That the Board of Estimate and Apportionment of The City of New York, in pursuance of the provisions of section 442 of the Greater New York Charter, deeming it for the public interest so to do, proposes to alter the map or plan of The City of New York, by laying out the Southern Boulevard approach to the Third Avenue Bridge over the Harlem River, between Lincoln avenue and Third avenue, in the Borough of The Bronx, City of New York, more particularly described as follows:

BEGINNING at the intersection of the southern line of Southern Boulevard with the western line of Lincoln avenue.

First—Thence westerly along the southern line of Southern Boulevard for 333.16 feet to the eastern line of Third avenue as widened.

Second—Thence southwesterly along last mentioned line for 89.68 feet.

Third—Thence easterly and parallel to the southern line of Southern Boulevard for 382.28 feet to the western line of Lincoln avenue.

Fourth—Thence northerly along last mentioned line for 75 feet to the point of beginning.

Said approach to be seventy-five feet wide.

Resolved, That the President of the Borough of The Bronx cause to be prepared for submission to this Board three similar maps or plans for certification and filing in the manner required by law, showing as nearly as possible the nature and extent of the proposed laying out of the above-named bridge approach and the location of the immediate adjacent or of intersecting open or established streets, roads, squares, or places, sufficient for the identification and location thereof.

Resolved, That this Board consider the proposed laying out of the approach to the above-named bridge at a meeting of this Board, to be held in the old Council Chamber, Room 16, City Hall, Borough of Manhattan, City of New York, on the 5th day of September, 1902, at 10.30 o'clock a. m.

Resolved, That the secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed laying out of the approach to the above-named bridge will be considered at a meeting of the Board, to be held at the aforesaid time and place, to be published in the "City Record" for ten days continuously, Sundays and legal holidays excepted, prior to the 5th day of September, 1902.

NOTICE TO TAXPAYERS.

DEPARTMENT OF FINANCE, BUREAU FOR THE COLLECTION OF TAXES, NEW YORK, September 1, 1902.

TAXPAYERS WHO DESIRE TO OBTAIN bills promptly should make immediate written requisition (blanks may be procured in the borough offices), stating their property by Section or Ward, Block and Lot or Map Number, making copy of same from their bills of last year.

If a taxpayer is assessed for personal tax, the requisition should also request bill for such tax.

Each requisition should be accompanied by an envelope bearing the proper address of the applicant and with return postage prepaid.

In case of any doubt in regard to Ward, Section, Block or Lot Number, taxpayers should take their deeds to the Department of Taxes and Assessment and have their property located on the maps of that Department, and forward to the Deputy Receiver of Taxes, with the requisition, a certified memorandum of their property, which will be furnished by the Department of Taxes and Assessment.

Taxpayers in this manner will receive their bills returned by mail at the earliest possible moment and avoid any delay caused by waiting on lines, as is required in case of personal application.

The requisition must be addressed and mailed to the Deputy Receiver of Taxes in whichever borough the property is located, as follows:

John J. McDonough, No. 57 Chambers street, Borough of Manhattan, New York.

John B. Underhill, corner Third and Tremont avenues, Borough of The Bronx, New York.

Jacob S. Van Wyck, Municipal Building, Borough of Brooklyn, New York.

Frederick W. Bleckwenn, corner Jackson avenue and Fifth street, Long Island City, Borough of Queens, New York.

No bids will be received which shall be less than the upset price, viz., ten thousand dollars per annum.

Rent to be payable quarterly in advance.

The purchaser will be required at the time of sale to pay, in addition to the Auctioneer's fee (viz., fifty dollars), to the Department of Docks and Ferries twenty-five per cent. of the amount of the annual rent bid, as security for the execution of the lease, which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease when executed, or will be forfeited to the Department if the purchaser refuses or neglects to execute the lease, with good and sufficient security, to be approved by the Commissioner of Docks, within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks and Ferries, Pier "A," North river, foot of Battery place.

Two sufficient sureties, to be approved by the Commissioner of Docks, will be required under the lease to enter into a bond or obligation, jointly and severally with the lessees, in the sum of double the annual rent, for the faithful performance of all the covenants and conditions of the lease.

The lease will contain the usual covenants and conditions, in conformity with the provisions of law and the ordinances of the Board of Aldermen relative to ferries, and shall provide that the lessees will maintain and operate the ferry during the whole term, and will provide ample accommodations in the way of safe and capacious boats and sufficiency of trips, as to the sufficiency of which accommodations the decision of the Commissioner of Docks shall be final; also, conditions that the lessees shall dredge the ferry slip, etc., as required by the Commissioner of Docks; that during the term of the lease they will erect and build, at their own expense, and will at all times well and sufficiently repair, maintain and keep in good order, all and singular, the floats, racks, fenders, bridges and other fixtures of the landing places, and in the event of any damage to the bulkheads or piers from collision by the ferryboats, or otherwise, from any accident or negligence on their part, they will immediately repair and restore said wharf property to its previous conditions free of cost to The City of New York; that if at any time during the term of the lease the Commissioner of Docks shall require any of the wharf property used for ferry purposes in order to proceed with the water front improvements in the vicinity of the ferry landings, the said lessees shall surrender and vacate the premises without any claim upon the City for any damages whatever, upon written notice being given to the lessees three months in advance of the intention of said Commissioner; that such notice shall specify, by the general terms of description or by reference to the plans and specifications of the proposed work of improvement, the character of the alterations and improvements to be made in regard to said water front, affecting the property and rights hereby authorized to be demised, and upon receiving such notice the lessee may elect to terminate the lease of said ferry privileges or franchise by serving notice of such election upon the Commissioner of Docks within one month after receiving the notice from the Commissioner of Docks of its intention to improve the water front in the vicinity of the ferry landing; also, that in case only a portion of said wharf property shall be required for the purposes aforesaid, then a reasonable reduction will be made from the rent reserved by said lease; that sworn returns of the amounts of ferry receipts shall be made to the Commissioner of Docks, when required by said Commissioner, and that the books of accounts of the ferry shall be subject to the inspection of said Commissioner.

"The lease will contain a covenant providing that upon the expiration or sooner termination of the said term of ten years, the lessee may, and upon demand in writing by the Commissioner of Docks or other proper officer or department of The City of New York thereto duly authorized, shall, at the cost and expense of the lessee, forthwith and at the utmost practicable speed wholly remove from the premises hereinbefore described the buildings, platforms, floats, bridges, ferry racks, piling and fixtures which shall have been erected or placed by the lessee, its successors or assigns, upon or within the limits of the wharf property to be leased, so that there shall be in the slip adjacent to the hereinbefore described wharf property, used for the purposes of said ferry and in every part thereof, from the bulkhead out, at least ten feet of water at mean low water."

The rates for ferriage and charges for vehicles and freight shall not exceed the rates now charged on the ferry to and from the foot of East Twenty-third street, Borough of Manhattan, from and to the foot of Broadway, Borough of Brooklyn.

The lessee shall provide such lifeboats, floats, rafts and life preservers as may be directed by the Commissioner of Docks.

The form of lease which the purchaser will be required to execute can be seen at the office of the Commissioner of Docks

The right to reject all bids is reserved if deemed by the Commissioner of Docks to be for the best interests of the City so to do.

By order of the Commissioner of Docks.

The foregoing terms and conditions of sale were duly approved by resolution of the Commissioners of the Sinking Fund, adopted July 1, 1902.

Dated The City of New York, August 22, 1902.

McDOUGALL HAWKES,
Commissioner of Docks.

DEPARTMENT OF DOCKS AND FERRIES, PIER "A," FOOT OF BATTERY PLACE, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE received by the Commissioner of Docks, at Pier "A," Battery place, in The City of New York, until 12 o'clock noon, on

FRIDAY, SEPTEMBER 5, 1902,

for a lease of the bulkhead between West Forty-third and West Forty-fourth streets, on the North river, in the Borough of Manhattan, The City of New York, for a term of five years from October 1, 1902, providing said lease shall be approved by the Commissioners of the Sinking Fund. The lessee shall have the privilege of maintaining a dumping board on said bulkhead during the term of said lease, for the purpose of receiving ashes, cellar dirt or similar material, and shall also have privilege of maintaining on property owned by the City and under the jurisdiction of this Department, the necessary ramp or approach thereto, also to maintain tally office not to exceed 10x10 feet.

There shall be kept posted, printed in large type, in at least two conspicuous places on the pier, so that same can be readily seen by passers-by from the street, the prices to be charged by the lessees to the public for the privilege of dumping cellar dirt, which prices are also made a condition of the lease, and are to be not more than twenty-five cents per cubic yard.

The following also will be posted, viz.:

For regular and ordinary dumping carts which contain two cubic yards, not exceeding fifty cents.

For an ordinary cellar digger's cart which contains one and one-half cubic yards, not exceeding thirty-five cents.

For brick trucks containing between two and one-quarter and two and one-half cubic yards, not exceeding sixty cents.

The lessee shall covenant and agree that he will at all times during said term keep true and correct books of account, showing moneys received, the quantity of material dumped thereat, rates charged therefor and names of persons using said dump, said books of accounts shall at all times, during said term, be open to inspection by the Commission of Docks.

The Commissioner of Docks expressly reserves the right to reject any and all bids; should a bid, however, be accepted, the said Commissioner will prepare a form of lease and transmit same to the Commissioners of the Sinking Fund, with a recommendation that said lease be approved by said Commissioners. The said form of lease shall contain the usual terms, conditions and covenants at present embodied in leases of wharf property now used by this Department, except that the lessee shall covenant and agree that he will at all times do such dredging from time to time, during the term of said lease, as may be considered necessary or proper by the Commissioner of Docks, in the basins or slips of water adjacent to the said premises.

The successful bidder will be required to agree that he will, upon three days' notice so to do, execute a lease, the form of which may be seen and examined upon application to the Secretary at the office of the Department, Pier "A," Battery place; and also to furnish a bond or obligation in the sum of double the annual rent for the faithful performance of all the covenants and conditions of the lease, the sureties on bond to be approved by the Commissioner of Docks.

JACKSON WALLACE,
Deputy and Acting Commissioner of Docks.

Dated, THE CITY OF NEW YORK, August 14, 1902.

DEPARTMENT OF DOCKS AND FERRIES, PIER "A," FOOT OF BATTERY PLACE, BOROUGH OF MANHATTAN, THE CITY OF NEW YORK.

SEALED BIDS OR ESTIMATES WILL BE received by the Commissioner of Docks, at Pier "A," foot of Battery place, in The City of New York, until 12 o'clock noon, on

THURSDAY, SEPTEMBER 4, 1902,

for a lease of the following described wharf property for a term of five years from a date ten days after said lease shall be approved by the Commissioners of the Sinking Fund:

The southerly side of the pier foot of East Sixtieth street, together with the privilege of erecting and maintaining during the term of said lease a dumping-board extending from a line parallel to and about 18 feet north of the southerly line of said Pier foot of East Sixtieth street to a line 18 feet south of the southerly side of said pier, in all a distance of about 36 feet.

The lessee shall have the privilege of erecting and maintaining during the term of said lease, on wharf property contiguous to the above-described premises, the necessary runways, ramps and approaches to said dumps, and the Commissioner of Docks agrees to set aside such wharf property under his jurisdiction as may be required for such runways, ramps and approaches necessary for the operation of said dumps. The plans and specifications for said dumps and runways, ramps and approaches to be submitted to and approved by the Engineer-in-Chief of the Department of Docks and Ferries.

There shall be kept posted in at least two conspicuous places on the pier, so that same can be readily seen by passers-by from the street, printed in large type, the prices to be charged by the lessees to the public for the privilege of dumping cellar dirt, which prices are also made a condition of the lease, to be not more than twenty-five cents per cubic yard, and also as follows:

For regular and ordinary dumping carts which contain two cubic yards, not exceeding fifty cents.

For an ordinary cellar digger's cart which contains one and one-half cubic yards, not exceeding thirty-five cents.

For brick trucks containing between two and one-quarter and two and one-half cubic yards, not exceeding sixty cents.

The lessee shall covenant and agree that he will at all times during said term keep true and correct books of account, showing moneys received, the quantity of material dumped thereat, rates charged therefor and names of persons using said dump; said books of account shall at all times during said term be open to inspection by the Commissioner of Docks.

The Commissioner of Docks expressly reserves the right to reject any and all bids; should a bid, however, be accepted, the said Commissioner will prepare a form of lease and transmit same to the Commissioners of the Sinking Fund, with a recommendation that said lease be approved by said Commissioners. SUPREME COURT.

In the matter of the application and petition of Seth Low, Edward M. Grout, Alexander E. Orr, Charles Stewart Smith, Morris K. Jessup, John H. Starin, Woodbury Langdon and John Claflin, constituting the Board of Rapid Transit Railroad Commissioners of The City of New York, for and on behalf of the said City, for the appointment of Commissioners of Appraisal, under chapter 4, of the Laws of 1891, and the various statutes amendatory thereof and supplemental thereto, relative to lands situated on the westerly side of FOURTH AVENUE, between Eighth and Ninth streets, in The City of New York, Borough of Manhattan.

NOTICE IS HEREBY GIVEN THAT IT IS the intention of the Corporation Counsel of The City of New York to make application to the Supreme Court for the appointment of Commissioners of Appraisal under chapter 4 of the Laws of 1891 and the various statutes amendatory thereof and supplemental thereto at a Special Term of said Court, Part I., to be held at the County Courthouse in The City of New York, Borough of Manhattan, on the 30th day of September, 1902, at the opening of the Court on that day, for the appointment of three disinterested freeholders, residents of The City of New York, as Commissioners of Appraisal to ascertain and appraise the compensation to be made to the owners and all persons interested in the real property, rights, franchises, easements or privileges sought to be taken or affected for the purposes indicated in said chapter 4 of the Laws of 1891, and the various statutes amendatory thereof and supplemental thereto.

The real property affected is located in The City of New York, Borough of Manhattan, and a fuller statement setting forth the location and boundaries of the several lots or parcels of property and rights, franchises, easements or privileges sought to be taken or affected is annexed to similar maps thereof adopted and approved by the Board of Rapid Transit Railroad Commissioners on the 10th day of July, 1902, and which said maps were filed one in the office of the Chief Executive Department of The City of New York, having principal charge of the streets, on the 23d day of July, 1902; one in the office of the Register of the County of New York on the 1st day of August, 1902, and one in the office of the Board of Rapid Transit Railroad Commissioners on the 23d day of July, 1902. It is sought to obtain in this proceeding a permanent and perpetual underground right, easement and right of way under the following described premises:

Beginning at the intersection of the northerly line of Eighth street with the westerly line of Fourth avenue; thence running westerly along said northerly line of Eighth street a distance of ninety-one feet six inches; thence running northerly along a curve with its convexity to the east of about 860 feet radius to the southerly line of Ninth street, a distance of about 189 feet; thence running easterly along said southerly line of Ninth street to its intersection with the above mentioned westerly line of Fourth avenue, a distance of fourteen feet six inches; thence running southerly along said westerly line of Fourth avenue a distance of 199 feet, to the place of beginning.

Dated NEW YORK, August 16, 1902.

SECOND DEPARTMENT.

In the matter of the application of The City of New York, relative to acquiring title to the lands, tenements and hereditaments required for the purpose of opening PILLING STREET, between Evergreen avenue and the tracks of the Manhattan Beach Railroad, in the Twenty-eighth Ward in the Borough of Brooklyn of The City of New York, as the same has been heretofore laid out.

WE, THE UNDERSIGNED, COMMISSIONERS of Estimate and Assessment in the above-entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our estimate and assessment, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objection thereto, do present their said objections in writing, duly verified, to us at our office in the office of the Law Department, Room 20, Borough Hall, in the Borough of Brooklyn, in The City of New York, on or before the 19th day of September, 1902, and that we the said Commissioners will hear parties so objecting, and for that purpose will be in attendance at our said office on the 22d day of September, 1902, at 2 o'clock p. m.

Second—That the abstract of our said estimate and assessment, together with our damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by us in making our report, have been deposited in the Bureau of Street Openings of the Law Department of The City of New York in the Borough of Brooklyn, Room 20, Borough Hall, in the Borough of Brooklyn, in The City of New York, there to remain until the 29th day of September, 1902.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of Brooklyn in The City of New York, which, taken together, are bounded and described as follows, viz.:

Beginning at a point on the northeasterly side of Evergreen avenue, distant 100 feet northerly from the northerly side of Pilling street; running thence northeasterly, parallel with Pilling street, to land of the New York and Manhattan Beach Railway Company; running thence southerly along the land of the New York and Manhattan Beach Railway Company to a point where the westerly side of said lands intersect the centre line of the block between Pilling street and Granite street; running thence westerly along said centre line to the northeasterly side of Evergreen avenue; and thence northwesterly along the northeasterly side of Evergreen avenue to the point or place of beginning.

Fourth—That our report herein will be presented to the Supreme Court of the State of New York, Second Department, at a Special Term thereof for the hearing of motions, to be held in the County Court House in the Borough of Brooklyn in The City of New York, on the 11th day of October, 1902, at the opening of the Court on that day, and that then and there, or as soon thereafter as counsel can be heard thereon, a motion will be made that the said report be confirmed.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICES TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said department, and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the board of aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to The City.

The contracts must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of The City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by The City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the department for which the work is to be done. Plans and drawings of construction work may also be seen there.
