MOTIONS AND RESOLUTIONS.

By Alderman Monheimer—

Whereas, A large portion of the improved real estate of the Corporation of the City of New York, is now unoccupied, and instead of producing a revenue, is an actual and very considerable expense to the City; be it therefore

Resolved, That, in the opinion of this Common Council, all such real estate should be sold to the highest bidder, after due notice of sale by the Commissioners of the Sinking Fund (who are now by State law authorized to dispose of the real property of the Corporation), as a measure

of relief to our tax-payers, as it is clear that the proceeds of such sales, if applied to the redemption of a portion of the City debt, and a consequent reduction in the amount of interest annually paid, would be much more advantageous to the City's interests than a continued holding of such improved property, at a large annual expense to the City.

Whereas, The building in Fifty-seventh street, between the Third and Lexington avenues, used for court purposes by the Judges of the Seventh Judicial or Civil and Fourth Police Courts, and owned by the city, is in such a filthy condition that it is absolutely a disgrace to civilization; the floors, benches, chairs, desks and other furniture are covered with dust and dirt; the floors of the room occupied by the City Marshals are covered with coals loosely strewn about, torn paper, &c., &c., and has not, seemingly, been swept in months, and is filthy to such a degree as endanger the health of all persons having occasion to visit it—this, too, in the face of the fact, that each court employs a janitor, who is paid \$1,500 per annum, for the purpose of keeping the rooms connected with the courts clean and in order; and

Whereas, The disgraceful condition of the interior of the building is a reproach to all connected with said courts; and somebody should be held responsible for this outrage to common decency, as it is very doubtful, however, if the Common Council have any control or jurisdiction over those who now occupy the building, recourse must be had by it to the general power given to the Commissioner of Public Works by sub-division 5 of section 71 of chapter 335, Laws of 1873, which intrusts that office with "the care of the public buildings." And as this building is the property of the city, be it

Resolved, That the Commissioner of Public Works be and he is hereby instructed to notify each of the Justices holding court in said building that, unless the apartments therein are put in

a condition of thorough cleanliness and kept so, that he take possession of said premises, on behalf of the Mayor, Aldermen and Commonalty of this city, and close up and hold possession of the same until the further order of the Common Council.

## G. O. 1.

The Committee on Law Department to whom was referred the accompanying resolution authorizing and directing the Comptroller to lease premises corner of Second avenue and First street, as a location for the Court of the Fourth Judicial District, respectfully

## REPORT:

That in a report on this subject made to your Hon. Body on the 3d of April, 1873, (page 50 of the Journal), to which your Committee now beg leave to refer, they recommend that the premises above referred to be leased and designated as the place for holding Court in the 4th Civil District of this City. The reasons then assigned for selecting a new location for this Court still exist, and should now be reiterated with still greater force. Being summarized, they may be given as follows: The present location at No. 163 East Houston Street is in a two story frame building, very old and dilapidated, intolerably hot in summer, cannot be kept warm in winter, and so much decayed as to be in danger of falling, when the Court-room is occupied. The lease expired last May, and has not been renewed. The Court is now held merely on sufferance. The premises your Committee propose to have leased for the Court is located centrally in the District, (N. E. cor. Second Avenue and First street), is a new building, built of iron, well lighted and ventilated, and the owner proposes to put the rooms in complete order for holding the Court, using the old fixtures and furniture in the present Court room at his own expense, under the direction of the Commissioner of Public Works. The portion of the building proposed to be leased consists of two rooms fronting on Second Avenue and First street, of about 28 x 82 feet. The lessee is willing to let the premises for ten years, at the rent of \$2,500 per annum; but five years is the longest period for which leases can be made by the Common Council without special permission of the Legislature.

Your Committee are more firmly than ever convinced that a new location for the Court in the Fourth District is a necessity; that the premises, corner of Second Avenue and First street, is the cheapest, most convenient and desirable, and the best suited for the purpose of any other place in the district, and they therefore again respectfully recommend for your adoption the following resolution:

Resolved, That the Comptroller of the City of New York be and is hereby authorized and directed, on behalf of the Mayor and Commonalty of the City of New York, to execute a lease from John Shaffert, of premises situated at the north-east corner of Second Avenue and First street, in said city, consisting of one room on the second floor, 28x61 feet, for a Court room, fronting on Second Avenue and First street, and one room on the first floor, 9x41 feet, for the clerk of said Court, fronting on Second Avenue, for a period of five years from the first day of January, 1874, at the annual rent of two thousand five hundred dollars per annum, payable quarterly, with a condition in said lease that the premises be put in proper condition for the use of the Fourth District Court of said city, at the expense of the owner, and the Comptroller of the City of New York is hereby authorized and directed to pay said rent quarterly from the proper appropriation; said premises, when so leased, to be designated and known as the place for holding the District Court of the City of New York for the Fourth Judicial District; and the Justice and clerk of said Court are hereby directed to occupy the

said premises, when so leased, for the purposes aforesaid.

RICHARD FLANAGAN,
