AN ORDINANCE to provide for the killing of Dogs in the City of New York.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

SECTION 1. Hereafter it shall not be lawful to permit any dog to go abroad loose, or at large, in any of the streets, lanes, alleys, where not enclosed, highways, parks, piers or public places within the corporate limits of the City of New York, unless the head of every such dog shall be encased in a wire muzzle sufficiently large to cover the head entirely, but so constructed as to admit of the dog opening its mouth to the fullest extent, and in no case to permit the nose of the dog to protrude; the muzzle to be securely fastened around the throat and behind the ears of every such dog, under a penalty of three dollars for each offence, to be recovered against the owner, possessor, or person who harbored such dog within three days previous to the time of such dog being so found going abroad loose or at large.

Such dogs, when so captured and delivered as aforesaid, if not claimed by the owner thereof, or any other person, within a period of forty-eight hours thereafter, shall, within six hours after the expiration of the time, be killed and destroyed in such manner as may be determined upon by the Mayor. Any owner or other person who may claim such dog shall, before being placed in possession thereof, pay therefor the sum of three dollars.

SEC. 3. The person authorized to pay for the capture of such dogs shall render, under oath, semi-monthly, a statement of all dogs so captured and killed, and the amount paid therefor, to the Mayor of the city, who shall thereupon certify the same to the Comptroller, when a warrant for the amount shall be drawn in favor of the said Mayor for the sum thus expended, which shall be paid, until otherwise ordered, from the appropriation for "City Contingencies."

SEC. 4. All money paid for fines for violation of section 1 of this ordinance, and for redemption of dogs as provided in section 2, shall be retained by the Mayor and applied to the payment of the expenses of enforcing the provisions of this ordinance, but a statement showing the aggregate amount thus received shall be submitted quarterly to the Comptroller of the City of New York.

SEC. 5. The provisions of this ordinance shall apply only to dogs owned or claimed by residents of this city, and any person who shall present any such dog and claim payment for the capture thereof which shall not be owned or captured within the corporate limits of this city, shall thereby incur a penalty of ten dollars. This ordinance shall apply only to any such dogs of the age of six months and upwards.

GEO. M. VAN NORT,
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,
Commissioner Office, Room 19, City Hall,
NEW YORK, June 17, 1874.

To the Commissioners for the completion of the New Court-house:

GENTLEMEN—I return to you herewith the communication of the Counsel to the Corporation, written in answer to a request made by you for his opinion, as to your power to enter, take charge of, and control the building until its completion.

The Counsel to the Corporation in this communication advises you that "there is no doubt that you may enter, traverse, occupy, control, and protect the buildings so far as is necessary and reasonably convenient to effect the object of your appointment, which is to complete its erection. It is equally clear that you have the right to take, occupy and use within the building a room as an office for the proper direction and discharge of the obligations imposed upon you by law."

And again, you are advised that your rights in this respect "may be exercised on your own motion and authority, unquestioned by any other power."

It is unfortunate that there should arise any conflict in reference to this matter between the Board of Aldermen, vested by the Consolidation act with the power of assigning the rooms of this building to the various courts and officers (which power is not in me, as the Corporation Counsel advises you), and the Counsel to the Corporation. But in this instance, I consider it my imperative duty to obey and carry into effect the resolution of the Board of Aldermen, which you will find on the second page of THE CITY RECORD of 15th inst., and by which the Judges of the several courts and others occupying offices in any public or other building of the city, by direction of the former Board of Supervisors, are instructed to disregard and disobey every direction in reference to any new assignment of such rooms and offices, emanating or purporting to emanate from any authority other than the Board of Aldermen.

So far, therefore, as any of the rooms in the building of the New Court-house are occupied by any Courts or officers of the city and county of New York, your authority, on your own motion to enter or disturb the present occupants, will not be recognized, or the exercise of such authority permitted.

It will afford me pleasure to give you every facility in my power for the purpose of carrying out and performing every duty which you are authorized by law to execute and perform, and to authorize so that your duties may be performed without any obstructions to their proper execution, and with as little interference as possible with the use of the building, for the purpose to which it is now applied.

Very respectfully,
GEO. M. VAN NORT,
Commissioner of Public Works.

LAW OF THE STATE RELATING TO THE CITY OF NEW YORK.

Chapter 636.

AN ACT relating to the Board of Health of the Health Department of the City of New York, to the Commissioners of Health and the Officers of the said Department, their duties and powers, and the expenses of the said Department.

Passed June 15, 1874; three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. The Board of Health of the Health Department of the City of New York shall use all reasonable means for ascertaining the existence and cause of disease or peril to life or health, and for averting the same, throughout said city, and shall promptly cause all proper information in possession of said board to be sent to the local health authorities of any city, village or town in this State which may request the same, and shall add thereto such useful suggestions as the experience of said board may supply; and it is hereby made the duty of said health authorities to supply the like information and suggestions to said Board of Health.

2. In the exercise of the powers and duties of said board in the presence of great and imminent peril to the public health by reason of impending pestilence, as confirmed and vested in and enjoined upon the said board by the sixteenth section of chapter seventy-four of the laws of eighteen hundred and sixty-six, the assent in writing of three members of the said board, instead of six, as there prescribed, and the assent of the Mayor of the City of New York in place of the Governor of the State, shall alone be required. The said board having first taken and filed among its records what it shall regard as sufficient proof to authorize its declaration of such peril as aforesaid, and having duly entered the same in its records, it shall be its duty to take such measures, and do and order or cause to be done such acts, and make such expenditures beyond those duly estimated for or provided for the preservation of the public health, though not herein elsewhere or otherwise authorized, as it may in good faith as aforesaid declare the public health and safety to demand, and the Mayor of the city shall also in writing approve. Such peril shall not be deemed to exist except when and for such period as the said board shall declare.

3. Said board shall have the same power in respect to persons afflicted with any contagious, pestilential, or infectious disease, as are given by the sixteenth section of chapter seventy-four of the laws of eighteen hundred and sixty-six, in respect to persons afflicted with contagious diseases; shall have exclusive charge and control of the hospitals for the treatment of such cases, and shall have power to provide and pay for the use of proper places to which to remove such persons, as well as to designate such places; and said board may cause proper care and attendance to be given to persons so sick, or removed when it shall be made to appear to the said board that any such person is so poor as to be unable to procure for himself such care and attendance, or that the public health requires special medical care and attendance.

§ 2. The authority, duty and powers of the Board of Health of the City of New York shall extend over the waters of the bay, up to and within the quarantine limits as established by law, but shall not be held to interfere with the powers and duties of the Commissioners of Quarantine or Health Officers of the Port.

§ 3. All the powers and duties heretofore vested in or enjoined upon the City Sanitary Inspector under and pursuant to the provisions of chapter five hundred and sixty-six, laws of eighteen hundred and seventy-one, are vested and confirmed in, enjoined upon and to be exercised by the Sanitary Superintendent of the Health Department of the City of New York, and certificate required in the first section of the said act shall be made by and in the name of the Sanitary Superintendent, or the executive officer of the said department of health.

§ 4. Said Board of Health may sue or be sued in and by the proper name of "The Health Department of the City of New York," and not in or by the name of the members of said board, or any of them; and service of all process in suits and proceedings against or affecting said Board, and other papers may be made upon the president of said board, or upon its secretary, and not otherwise; except that, according to usual practice in other suits, papers in suits to which said Board of Health is a party may be served on its attorney.

§ 5. The Attorney of the Board of Health shall be also its counsel when appointed as such by the said board, and shall have a salary for his services as attorney and counsel, to be fixed by the said board, not to exceed the sum heretofore paid to the Counsel of the Metropolitan Board of Health, and in all actions in proceedings against the Mayor, Aldermen and Commonalty of the City of New York, or any other department or person whatsoever, in which any action, order, regulation, ordinance or proceeding of the said board, or of any person acting under or pursuant to its authority, shall be called in question or made the subject of the action or proceeding, the said Board of Health shall be a necessary party, and have the right to answer, to appear and to take part therein by its own attorney and counsel.

§ 7. The said Board of Health, if it shall consider the public health or interests so to require, may execute orders through its own officers or persons, and means to be engaged by the said Board of Health; and about the execution of the said order, both the said Board of Police and the said Board of Health shall severally have as well the authority conferred by this act as all the powers and authority conferred by the fifty-third and fifty-fourth sections of the Metropolitan Police Act, passed on the twenty-fifth day of April, eighteen hundred and sixty-four, and of any amendments made to said act or to be made, enlarging such authority; and all powers and authority possessed and exercised by said board of police under said act pertaining to sanitary matters, or in conflict with the objects and purposes of this act, shall hereafter be enjoyed, possessed and exercised by said Board of Health. Whatever expenses said Board of Health may lawfully and properly incur in the execution of any judgment aforesaid, or in executing, or in connection with its own orders, made in good faith, or in and about the discharge, in good faith, of its duties, or in satisfying any liability or judgment it may have in good faith incurred or suffered by reason of its acts done in good faith as aforesaid, or in satisfying any claim against its officers or subordinates, arising from their acts in the discharge, in good faith, of their respective duties, shall, so far as established, be paid out of its fund or other moneys, and shall be apportioned, assessed, collected and paid as is provided in the health laws aforesaid, in respect to the expenses of said board, and such sums paid or recovered under this act, shall not be included in or considered as a part of that class of the expenditures of the board in respect to which there is or may be a specific limitation as to amount.

§ 8. Said Board of Health may institute and maintain, in the name of said Health Department, all such suits and proceedings as shall be reasonable, necessary and proper, for recovering any moneys expended, enforcing any lien or the payment of any fine, the punishment for any offence, or in other respects carrying out the provisions of the laws under which it acts.

§ 10. The said Board of Health shall have full and exclusive power and authority over the removal of night-soil and in the removal of dead animals, offal, night-soil, blood, bones, tainted or impure meats, and other refuse matter from said city. It is hereby charged with the duty of causing the removal of the same daily, or as often as may be necessary, and of keeping the said city clean from all matter or nuisance of a similar kind.

§ 11. The said Board of Health is authorized to make contracts with any responsible person or persons for the removal of said offal, dead animals, night-soil, and other refuse matter from the City of New York, and to require and receive security in such form and amount as the said board may approve for the faithful performance by the person or persons aforesaid to whom such contracts may, by the said board be, in its discretion, awarded, of all and every of the provisions of such contracts on his or their part.

§ 12. Copies of the record of the proceedings of said board, of its rules, regulations, ordinances, by-laws and books and papers constituting part of its archives, when authenticated by its secretary or secretary *pro tem.* shall be presumptive evidence, and the authentication be taken as presumptively correct in any court of justice or judicial proceeding, when they may be relevant to the point or matter in controversy, of the facts, statements and recitals therein contained.

§ 13. Upon the application of any party in interest in any matter pending examination before said Board of Health, by affidavit stating the grounds of such application, to any judge of a court of

record, and asking that any person or persons therein named shall appear before said Board of Health, or any person taking or about to take such examination, at some time or times and place to be stated in said affidavit, it shall be the duty of such judge, if he shall discover reasonable cause so to do, to issue his order requiring such person or persons named to appear and submit to such examination as, and to the extent such order may state, at the time and places to be in said order named; and such order, to be signed by such judge, may be served, and shall in all respects be obeyed as a subpoena duly issued, and a refusal to submit to the proper examination may be punished by such judge, or by any judge of such court, as a contempt of court, upon the facts as to such refusal being brought before any such judge by affidavit.

§ 14. If any person shall knowingly make to said Board of Health, or any officer thereof, any false return, statement or report relative to any birth, death or marriage, or other matter concerning which a report or return may be legally required of or should be made by such person; or if any member, inspector or officer or agent of said Board of Health shall knowingly make to said Board of Health any false or deceptive report or statement (in connection with his duties), or shall accept or receive or authorize or encourage, or knowingly allow any other person to accept or receive any bribe or other compensation as a condition of or an inducement for not faithfully discovering and fully reporting or otherwise acting according to his duty in any respect; then any and every such person shall be deemed guilty of a misdemeanor, and shall be liable to be for such crime indicted, tried and punished according to law, and shall in addition forfeit all compensation due or to grow due from said board.

§ 15. The publication of additional provisions in and of additional ordinances of the sanitary code for the security of life and health, and the prevention of accidents and of the spread of disease in the City of New York once a week for two successive weeks in the City Record in said city shall be sufficient, and render any further publication of the same in any other newspaper unnecessary.

§ 16. This act shall take effect immediately.

[NOTE.—There are no Sections 6 and 9 in the certified copy of the Act from which the above law is copied.—SUPERVISOR CITY RECORD.]

FIRE DEPARTMENT, Nos. 125, 127 and 129 Mercer Street, New York, June 20, 1874.

TO CONTRACTORS.

PROPOSALS FOR BUILDING A STEAM FIRE PROPELLOR.

SEALED PROPOSALS FOR BUILDING A STEAM Fire Propellor, endorsed as above, will be received at the office of the Fire Department, until 11 o'clock A. M., of July 6, 1874, at which time the bids will be publicly opened and read.

The time allowed for doing the work is ninety (90) days from the date of signing the contract. Any bidder for this contract must be known to be well prepared for the business, and must have satisfactory testimonials to that effect, and also shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the bid, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this country, that each is a householder, or freeholder in the City of New York, and is worth the amount of the security required for the above work, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith. The adequacy and sufficiency of the sureties offered to be approved by the Comptroller of the City of New York.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

The bid will be understood to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and as in default to the Corporation; and this contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Commissioners of the Fire Department.

The Commissioners of the Fire Department reserve the right to decline any and all proposals, if deemed to be for the public interest, and no proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

Plans and specifications may be seen, and blank proposals furnished, upon application at the Headquarters of the Fire Department.
