JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.

HEALTH DEPARTMENT, No. 301 MOTT STREET, NEW YORK, July 16, 1875.

AT A MEETING OF THE BOARD OF HEALTH of the Health Department, of the City of New York, held at its office, on the 16th day of July, 1875, the following resolutions were adopted:

Resolved, That section 29 of the Sanitary Code be and is hereby amended to read as follows: Sec. 29. That no meat, fish, birds or fowl, fruit or vegetables, nor any milk, not being then healthy, fresh, sound, wholesome, and safe for human food, nor any meat or fish that died by disease or accident, shall be brought within said city, or offered or held for sale in any public or private market, as such food, anywhere in said city.

Resolved, That section 34 of the Sanitary Code be and is hereby amended to read as follows: Sec. 34. That no decayed or unwholesome fruit or vegetables shall knowingly be brought into said city to be consumed or offered for sale for human food, nor shall any such articles be kept or stored therein.

Resolved, That section 37 of the Sanitary Code be and is hereby amended as follows: Sec. 37. That no meat, fish, fruit, vegetables, or milk, or unwholesome liquid, shall knowingly be bought, sold, held, offered for sale, labeled, or any representation made in respect thereof, under a false name or quality, or as being what the same is not, as respects wholesomeness, soundness, or safety for food or drink.

Resolved, That section 38 of the Sanitary Code be and is hereby amended to read as follows: Sec. 38. That every person, being the owner, lessee, or occupant of any room, stall, or place where any meat, fish, fruit, or vegetables, designed or held for human food, shall be stored or kept, or shall be held or offered for sale, shall put and keep such room, stall, and place, and its appurtenances, in a cleanly and wholesome condition; and every person having charge, or interested, or engaged, whether as principal or agent, in the care, or in respect to the custody or sale of any meat, fish, fruit, birds, fowl, or vegetables, designed for human food, shall put and preserve the same in a cleanly and wholesome condition, and shall not allow the same, or any part thereof, to be poisoned, infected, or rendered unsafe or unwholesome for human food.

Resolved, That section 40 of the Sanitary Code be and is hereby amended to read as follows: Sec. 40. That it shall be the duty of every person knowing of any fish, meat, fowl, birds, fruit, or vegetables being bought, sold, or offered, or held for sale as food for human beings, or being in any market, public or private, in said city, and not being sound, healthy, or wholesome for such food, to forthwith report such facts, and the particulars relating thereto, to this Department, or to one of its officers or inspectors.

Resolved, That section 42 of the Sanitary Code be and is hereby amended to read as follows: Sec. 42. That upon any cattle, meat, birds, fowl, fish, fruit, or vegetables being found by any inspector, or other officer of this Department, in a condition which is, in his opinion, unwholesome and unfit for use as human food, or in a condition of a weight or quality in this code condemned or forbidden, he shall cause the same to be examined by two reputable persons, reasonably competent to judge in respect thereto, whom he may conveniently find; and if both said persons disagree with him in opinion in respect thereto, he shall take no action, and give no order, relative to the same, till he has been instructed by the Sanitary Superintendent; and if one or both of said persons agree with him in respect to said articles, then such inspector or officer may forbid the same being offered or exposed for sale, or being sold, for human food, till the owner or party in charge or other proper person has obtained the consent of the Sanitary Superintendent, or of this Board, to their being so offered, used, or sold. And if both such persons agree with him in opinion, he may order the same to be removed; and thereupon, or if this Board shall have approved the judgment of said inspector, it shall be the duty of the owner and party in charge to speedily remove such article from any market, street, or public place, and not to sell or dispose, or offer to sell or dispose thereof for the purpose of human food. And in default of such removal, and also in case of disobedience to such order, and also in all cases where, in his opinion, such articles, by reason of their being in a decayed or offensive condition, would, if allowed longer to remain, be dangerous to health, the same (as this Board may provide) may be caused to be removed by any inspector, police officer, or officer of this Department, to some suitable place, at the expense of the party who should have removed the same, and the owner and party in interest must take notice thereof.
