APPROVED PAPERS.

Whereas, Proceedings have again been taken to have Commissioners of Estimate and Assessment appointed by the Supreme Court, on Monday, June 28, 1875, in the matter of a Parade Ground in the upper part of this island of about 100 acres of land; and

Whereas, Proceedings previously taken to carry out this project were discontinued by the Department of Public Parks for good and sufficient reasons, and this discontinuance was sustained by a decision of the Court of Appeals against an appeal made by property owners in interest; and

Whereas, The laying out of a Parade Ground in the proposed locality was projected prior to the annexation of a portion of Westchester County to the City of New York, as presenting the most eligible site then available for the purpose; and

Whereas, The present time is one of great financial embarrassment, causing a depression in business bearing heavily upon the resources of all classes of the community, and crippling the means of taxpayers, especially by reduction of rentals and incomes from city property, making it imperative that all unnecessary expenditures by the city and increase of the public debt shall be avoided as far as possible; and

Whereas, The estimated cost of the proposed Parade Ground, for lands taken and laying out the grounds alone, will amount to about one million and a half dollars (\$1,500,000), to be added to the city debt by the issue of bonds, the interest on which, with the expenses of maintenance, will require the sum of at least one hundred and twenty-five thousand dollars (\$125,000) to be raised annually by taxation for this object; and

Whereas, So large an increase of the funded debt and of the taxes, already so oppressive and heavy upon the taxpayers of this city, are not wise and judicious measures at this time of general depression of business; therefore

Resolved, That the Department of Public Parks be respectfully requested to discontinue the proceedings aforesaid, and thereupon the Counsel to the Corporation be respectfully requested to withdraw the pending application for the appointment of Commissioners of Estimate and Assessment for the opening of said proposed Parade Ground, and the Supreme Court be respectfully requested not to appoint Commissioners for such purpose; and be it further

Resolved, That a copy of these resolutions be transmitted to the Department of Public Parks, the Corporation Counsel, and to the Supreme Court.

Adopted by the Board of Aldermen, August 12, 1875.

Approved by the Mayor, August 21, 1875.

Resolved, That when Third avenue, from One Hundred and Forty-seventh street to the Harlem river, is being graded, as heretofore directed by ordinance approved by his Honor the Mayor on the 21st day of December, 1874, that the following additional work shall be done under the direction of the Department of Public Parks, and that the accompanying ordinance therefor be adopted, namely:

1. So much work or grading upon the cross streets intersecting Third avenue, between One Hundred and Forty-seventh street and Harlem river, as may be necessary to preserve and facilitate approach and access from such streets to and across said Third avenue.

2. The taking up and preservation of the pavement, curb and gutter stones, bridge, or crossing-stones, and the flag-stones of the sidewalks now laid on said Third avenue, between One Hundred and Forty-seventh street and Harlem river.

Adopted by the Board of Aldermen, August 12, 1875.

Approved by the Mayor, August 21, 1875.

Whereas, In view of the renown reflected upon our country by the triumphs of the Team of American Riflemen, in their recent victories over the marksmen of Great Britain, and the honor they have earned for themselves, individually and collectively, as the representatives of the American people, in the contests at Dollymount, Wimbledon, and elsewhere, it is eminently proper that the Common Council of this city should, on behalf of its people, participate in the demonstrations of commendation and welcome to be extended to them upon their arrival, now daily expected; be it therefore

Resolved, That the Special Committee of this Board, appointed at the meeting of May 27, 1875, consisting of Messrs. Cole, Purroy, and Billings, to accompany the American Rifle Team to the Irish capital, be and is hereby instructed to tender the Team the congratulations of this Common Council upon the triumphant success that has attended their efforts to maintain the reputation of Americans as experts in the use of the rifle, and the honors they have achieved in their victories over the riflemen of Great Britain, and to tender them the use of the Governor's Room, in the City Hall, in order that our citizens may have the opportunity, personally, to tender their congratulations, and to extend to the Team a cordial welcome home, on any day that will suit their convenience.

Adopted by the Board of Aldermen, August 19, 1875.

Approved by the Mayor, August 21, 1875.

Resolved, That a gas-lamp be placed and lighted on the southwest corner of Third avenue and Thirty-fourth street, under the direction of the Commissioner of Public Works.

Adopted by the Board of Aldermen, August 12, 1875.

Received from his Honor the Mayor, August 23, 1875, without his approval or objections thereto: therefore, under the provisions of section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That the applications for licenses and permits to sell kerosene oil, matches, etc., presented by the Inspector of Combustibles at this meeting, be and the same are hereby granted Adopted.

It is their design to offer to worthy young women, between the ages of twenty and thirty-five, the opportunity to acquire proficiency in a pursuit, which is at once honorable, useful, and remunerative, by educating them in the profession of Nursing. Every effort will be made to elevate the occupation, by a course of careful instruction from competent teachers, and by considerate and generous treatment of the pupils. The course of training will occupy two years, and will embrace lectures upon nursing, food, ventilation, midwifery, and all subjects connected with nursing.

The lectures will be given by Physicians connected with the Hospital, and will include a course of twelve lectures upon each subject every six months, and frequent instruction at the bedside.

At the expiration of two years the Nurses will be examined by a Committee of Physicians, and those who are competent and qualified will receive a diploma, signed by the Commissioners of Charities and Correction and the Examining Committee.

Applications, stating name in full, age, and names of Clergyman and Family Physician should be addressed to JOSHUA PHILLIPS, Secretary.
