#### SCHOOL FOR NURSES.

THE COMMISSIONERS OF PUBLIC CHARITIES and Correction purpose opening a School for Nurses, at Charity Hospital, on the first day of August next. It is their design to offer to worthy young women, between the ages of twenty and thirty-five, the opportunity to acquire proficiency in a pursuit, which is at once honorable, useful, and remunerative, by educating them in the profession of Nursing. Every effort will be made to elevate the occupation, by a course of careful instruction from competent teachers, and by considerate and generous treatment of the pupils. The course of training will occupy two years, and will embrace lectures upon nursing, food, ventilation, midwiery, and all subjects connected with nursing.

The lectures will be given by Physicians connected with the Hospital, and will include a course of twelve lectures upon each subject every six months, and frequent instruction at the bedside.

At the expiration of two years the Nurses will be examined by a Committee of Physicians, and those who are competent and qualified will receive a diploma, signed by the Commissioners of Charities and Correction and the Examining Committee.

Applications, stating name in full, age, and names of Clergyman and Family Physician should be addressed to JOSHUA PHILLIPS. THE COMMISSIONERS OF PUBLIC CHARITIES
