To GEORGE W. MATSELL, Esq., President of the Board of Police, Police Department of the City of New York:
 SIR—Herewith I beg to return the communication—referred to me for opinion—of Police Justice Duffy, wherein officers Kearns and Van Cott, and Property Clerk, Police Department, "are authorized and directed to deliver to P. C. Devlin the property taken from the possession of Owen Brown, * * * arrested the 28th day of October, 1875, * * * said property consisting of fifty-eight dollars and a number of private papers."

The statute, under the professed authority of which the order in question was given, provides: "If any claim to the ownership of such property or money shall be made on oath before the magistrate by, or in behalf of any other person than the person arrested, and the said accused person shall be held for trial or examination, such property or money shall remain in the custody of the Property Clerk until the discharge or conviction of the persons accused. (L. 1864, ch. 403, § 68.3.)"

I am informed, *alimunde*, that said Brown was arrested on a charge of "selling lottery tickets," and that he has not been discharged or convicted, but released on bail; and furthermore that the so-called "private papers" consist of 203 lottery tickets and letters and circulars relating thereto.

I am, therefore, of opinion and respectfully advise that said order be disregarded as issued without warrant of law.

I am, sir, your obedient servant,
 CHAS. F. MACLEAN,

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS, NEW COUNTY COURT-HOUSE, NEW YORK, June 1, 1875.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and it unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in relation to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.

THOMAS DUNLAP, Commissioner, County Court-house Chambers street entrance.

SEALED PROPOSALS FOR MAKING REPAIRS to Pier No. 8, at the foot of Coenties slip, East river, indorsed as above, and addressed to "Salem H. Wales, President of the Department of Docks," will be received at this office until 12 o'clock A. M. of Monday, November 22, 1875, at which time the bids will be publicly opened and read.

One-half of said Pier 8 is owned by the Corporation of the City of New York, and the other half by Stephen Decatur, of Boston, Mass., and Maria S. Decatur, Anna P. D. Parsons, and John Parsons, of this city, all of whom are represented by John Parsons, as agent, No. 28 Broadway; and the contract for the work will not be awarded unless the price named by the lowest bidder shall be satisfactory to said private owners.

Such contract, if awarded, will be entered into by the Department of Docks on behalf of the city, and by said private owners on their own account, the city becoming liable for one-half only of the expense, the other half to be borne and paid to the contractors by such private owners.

Any bidder for this contract must be well prepared for the business, and shall give security for the faithful performance of his contract, in the manner prescribed and required by ordinance.

The time allowed for making such repairs is thirty days from the date of signing of the contract.

All the old material taken from the pier in making the repairs will be relinquished to the contractor, and bidders must estimate the value of such material when considering the price for which they will do the work under the contract.

Bidders will state in the proposals the price for making such repairs in conformity with the specifications and agreement, by which the bids will be tested. The price is to cover all expenses necessary for the complete fulfillment of the contract.

Should the lowest bidder or bidders neglect or refuse to accept this contract within forty-eight hours after written notice that the same has been awarded to his or their bid, he or they shall be considered as having abandoned it, and in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk thereof, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof, which proposals must be verified, by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, taken before a Judge of any Court of Record in this county, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith; the adequacy and sufficiency of the securities offered to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.
