Vol. V.

NEW YORK, TUESDAY, NOVEMBER 27, 1877.

NUMBER 1,358.

PROCLAMATION.

MAYOR'S OFFICE—NEW YORK,
November 24, 1877.

In accordance with established custom, I join with the President of the United States, and the Governor of this State, in recommending to the people of this City the observance of next Thursday, November 29, as a day of thanksgiving to our Creator for the manifold blessings which we as a community have enjoyed.

The blessings for which we should give thanks are innumerable, but I think we ought to be especially grateful that the past year has been unusually pleasant, fruitful, and healthful; that the tumult and disorder, which at one time threatened us, were averted; that the poor and unemployed have endured their unexampled sufferings with patience and fortitude; that our City Government has made some progress in economy and efficiency; that the Presidential contest was peaceably settled; and that the arts of demagogues have thus far failed to seriously disturb social order, or perfect legislation which tarnishes our national honor.

SMITH ELY, JR., Mayor.

COMMISSIONERS OF THE SINKING FUND.

Abstract of the proceedings of the Commissioners of the Sinking Fund, at the meeting held November 24, 1877.

Present—Hon. Smith Ely, Jr., Mayor (Chairman); Hon. John Kelly, Comptroller; J. Nelson Tappan, Esq., Chamberlain; and Patrick Keenan, Esq., Chairman Finance Committee, Board of Aldermen.

The minutes of the last meeting were read and approved.

The Comptroller submitted the following resolution, which, on motion, was adopted, viz.:

Resolved, That, in accordance with sales made November 15, 1877, leases of the following ferry franchises be awarded by this Board, viz.:

Ferry from Cortlandt street, North river, to Jersey City, for the period of five years from August 1, 1877, to the Associates of the Jersey Company, at \$5,500 per annum.

The following resolution, submitted by the Comptroller, was, on motion, adopted, viz.:

Resolved, That the Commissioners of the Sinking Fund do hereby fix the terms of sale of the building, twenty-five feet north of the northeast corner of One Hundred and Fortieth street and Third avenue, as follows:

Cash to be paid to the Collector of City Revenue at the time and place of sale; the successful bidder to remove the building within five days from the date of sale, and to leave the ground on which it stands free from all materials of the building and smoothly and evenly graded.

The Comptroller, to whom was referred the application of Jacob Rudolph, for return of amount paid in error, on account of street vault, at No. 1300 Third avenue, reported the following resolution; which, on motion, was adopted, viz.:

Resolved, That the sum of forty-nine dollars and fifty cents (\$49.50) be returned to Jacob Rudolph, such amount having been paid by him on August 23, 1877, for a permit to construct a vault in front of premises No. 1300 Third avenue, and, owing to the change in the plans of the building, the vault referred to has been abandoned and was not constructed.

A communication was received from the Counsel to the Corporation in relation to sale, under foreclosure of mortgage of Abraham Goodman to the city, of premises No. 5 Duane street; whereupon the following resolution, submitted by the Comptroller, was, on motion, adopted, viz.:

Resolved, That the Counsel to the Corporation be authorized to buy in, at its fair market value, on behalf of the City of New York, the premises on the easterly side of Duane street, known by the street number 5, which are advertised to be sold at auction on November 27, 1877, upon the foreclosure of a mortgage made by Abraham Goodman to the City of New York.

Proposals for the above, made in accordance with section 73, chapter 335, Laws of 1875, and Revised Ordinances of 1859, chapter 8, article 2, and inclosed in a sealed envelope indorsed "Proposals for furnishing the Illuminating Material, and Lighting and Extinguishing, Cleaning, Repairing and Maintaining the Public Lamps," with the name of the party making the same written thereon, will be received at the office of the Commissioner of Public Works, until 12 o'clock m. of Friday, December 7, 1877, at which place and hour they will be publicly opened and read.

Bidders are requested to state in their proposals their names and places of residence; the names of all persons interested with them; and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any estimate for the above supplies and work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one

person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he or they would be entitled on its completion, and that which the Corporation may be obliged to pay to any higher bidder to whom the contract may be awarded at any subsequent letting; the consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the above work, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; that he has offered himself as a surety in good faith, and with the intention to execute the bond required by article 2, chapter 8, of the Revised Ordinances of 1859, organizing the Municipal Government of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the sureties offered to be determined by the Comptroller.

Bidders are requested to state in their proposals the several streets or parts of streets in which they propose to perform the requirements herein contained, and also the illuminating or candle-power of the gas they propose to furnish, when tested at a distance of not less than one mile from the place of manufacture; and bidders proposing to furnish any illuminating material other than coal gas, must state distinctly what kind of material they propose to furnish, and the illuminating power of the burner they propose to use for the same.

Bidders are also required to state the price for which they will furnish the gas or other illuminating material for each lamp, including the lighting, extinguishing, cleaning, repairing, reglazing, and replacing the cocks, tubes, burners, crossheads, lamp-irons, and lanterns thereto, for the period from January 1, 1878, to April 30, 1878, both days inclusive; stating the price for the above named period of four months, for each lamp.

Bidders are also required to state a price for which they will repair lamp-posts, including either straightening, re-levelling, or for each new lamp fitted up, as follows:

For each lamp-post straightened, stating the price per post.

For each column re-levelled, stating the price per post.

For each lamp-post removed, stating the price per post.

For each lamp-post reset, stating the price per post.

For each new lamp fitted up, stating the price per post.

The bidders are required to write out the amount of their bids in their estimates, in addition to inserting the same in figures.

The number of lamps to be contracted for is about three hundred and eighty-three hours and fifty-five minutes each, during the term.

The burners are to be of a capacity to burn three cubic feet of gas per hour under a pressure of one inch, and in case the illuminating material shall be other than coal-gas, then the burners to be used for such illuminating material shall give a light (by photometrical test, equal to the light given by the gas-burners now in use in the public lamps in the City of New York. Should any alteration, or any attachment be required to any portion of the lamps for which proposals are made, such alterations shall be done, and attachments placed on the lamps without expense to the city.

The amount of security required is \$25,000, but the same may be reduced at the option of the parties of the first part, if an award for a portion is made warranting a less amount of security.

The award of the contract will be made as soon as practicable after the opening of the bids.

Should the person or persons to whom the contract is so awarded neglect or refuse to accept to contract within forty-eight hours after written notice that the same has been awarded to his bid or proposal, or if he accept but does not execute the contract and give the proper security, it may be re-advertised and relet as above provided.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Mayor, Comptroller, and Commissioner of Public Works.

The right is reserved to assign and designate to any bidder the number and location of the lamps in any portion of the city for which proposals are received, and to increase or diminish the numbers.

The right is reserved to determine and designate, after the proposals are opened, what illuminating material shall be used in the public lamps, or any portion of them, during the period above mentioned; also to decline any or all proposals if deemed for the interests of the Corporation; and no proposal will be accepted from or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as security or otherwise, upon any obligation to the Corporation.

If the proposal of any bidder, proposing to furnish coal-gas or similar material, shall include any lamps with which the pipes or mains of such bidders are not connected at the time of the making of the bid, and a contract for furnishing the gas for and lighting, extinguishing, cleaning, repairing, and maintaining any such lamps, shall be awarded to any such bidder, in that case, thirty days from the date of the execution of such contract, and such further time, not exceeding thirty days, as may be deemed reasonable by the Commissioner of Public Works, shall be allowed, to such bidder in which to connect such pipes or mains with such lamps.

But no payment to such bidder, on account of any such lamps, will be made for the time so allowed, nor until the same shall have been connected with the mains of such bidder, nor except for the time during which all the requirements herein mentioned shall have been fully performed.

Blank forms of proposals, the specifications and agreements, the proper envelopes in which to inclose the bids, and any further information desired can be obtained at the office of the Commissioner of Public Works.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. Ferry from Peck Slip, New York City, to the foot of One Hundred and Thirtieth street at Third Avenue, Harlem, with an intermediate landing at or near Eighty-fourth street, East river.

Ferry from Fulton Market slip, New York City, to Mott Haven, with an intermediate landing at or near Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street, in the City of New York, East river, to South Seventh street, Brooklyn, Eastern District, together with the bulkheads and slips adjacent to and east of the wharf property at foot of Roosevelt street, East river, owned by the Bridge Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf property of each ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect to execute a lease according to said form, for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessees to pay rent quarter-yearly to the Comptroller.

The minimum rate for which the ferry franchise or license to operate such ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. per annum upon the gross receipts for ferriage collected at the New York landing-places for the ferries as now established from the foot of Roosevelt street, New York, to South Seventh street, Brooklyn, and at two and one-half per cent. per annum upon the gross receipts collected for ferriage for the ferries from Peck slip, New York, to the foot of One Hundred and Thirtieth street, Third Avenue, Harlem; and from Fulton Market slip, New York, to Mott Haven, such percentage to be paid quarter-yearly to the Corporation, and a covenant will be contained in each lease requiring the lessees to make and deliver to the Comptroller of the City of New York, quarter-yearly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferriage received by such lessee during the preceding three months, and also, that the lessee shall keep regular books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage.

All moneys received for the conveyance of passengers, animals, vehicles, or freight from New York to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts will be entertained.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf property quarterly, in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if any, of each ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.
