NEW YORK, MONDAY, JUNE 3, 1878.

## APPROVED PAPERS.

*Ordinances, Resolutions, etc., approved by the Mayor during the week ending June 1, 1878.*

Resolved, That William Blake be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York, in place of George Kellock, deceased.

Adopted by the Board of Aldermen, May 28, 1878.  
Approved by the Mayor, May 28, 1878.

Resolved, That James C. King be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York, in place of George J. Krause, who has failed to qualify.

Adopted by the Board of Aldermen, May 28, 1878.  
Approved by the Mayor, May 28, 1878.

Resolved, That the Commissioner of Public Works be and is hereby requested and directed to report to this Board, at its next meeting, whether the building now in course of erection on the northeast corner of Fourth avenue and Eighteenth street constitutes an obstruction or incumbrance upon the sidewalk, and, if so, by what authority, if any, such obstruction or incumbrance has been permitted, and if any obstruction or incumbrance has been placed upon the sidewalk in the erection of said building at the northeast corner of Fourth avenue and Eighteenth street, without any lawful authority, why the same has not been promptly removed by the Commissioner of Public Works.

Adopted by the Board of Aldermen, May 28, 1878.  
Approved by the Mayor, May 29, 1878.

Whereas, A resolution was adopted by the Board of Aldermen, and approved by the Mayor April 18, 1876, as follows, viz.:

"Resolved, That permission be and the same is hereby given to William H. Webb to erect two bay-windows on both sides of the premises, corner Fifth avenue and Forty-second street, as shown on the accompanying diagram, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council;" and

Whereas, The resolution herein quoted, now on file in the office of the Clerk of the Common Council, as also the official copy thereof, on file in the office of the Commissioner of Public Works, does not contain "diagrams showing the exact location and dimensions of the proposed bay-windows, or other projections," and is not "accompanied by the written consent of the owners of fifty feet of the property on each side of such house," "adjoining such house," both on the street and avenue, as required by the ordinance of the Common Council, approved by the Mayor March 5, 1873; and

Whereas, Even if those requirements had been complied with, it will be seen upon an examination of the premises in question, that instead of "two bay-windows on both sides of the premises," there have been erected four towers or superstructures outside the street line, from sub-cellar to roof, eight stories high, with ninety-six bay-windows built of the same materials as the main structure and intended to be a permanent building or buildings, encroaching upon the street and avenue, the most attractive and valuable thoroughfares of the city, each of which (Forty-second street and Fifth avenue) when opened according to the statutes in such cases made and provided were laid out one hundred feet in width, and the then owners amply remunerated for the property thus sequestered to the public use; and

Whereas, It is clearly apparent that the permission so granted has been infringed upon, and the true intent and meaning of the action of the Common Council distorted, evaded, and prevented; and therefore

Resolved, That the Commissioner of Public Works be and he is hereby requested and directed to report to this Board, at its next meeting, whether said building and said erections beyond the street lines constitute obstructions or incumbrances upon the said street and avenue, and, if so, by what authority, if any, such incumbrances or obstructions have been permitted; and if said structures, or any of them, have been erected without any lawful authority, why the same have not been promptly removed by the Commissioner of Public Works.

Adopted by the Board of Aldermen, May 28, 1878.  
Approved by the Mayor, May 29, 1878.

Resolved, That George Burnham, Jr., be and he hereby is appointed a Commissioner of Deeds, in place of Frederic A. Burnham, resigned.

Adopted by the Board of Aldermen, May 28, 1878.  
Approved by the Mayor, May 29, 1878.

Resolved, That permission be and the same is hereby given to H. G. Oten to erect a canvas awning in front of No. 444 Sixth avenue, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 21, 1878.  
Received from his Honor the Mayor, May 31, 1878, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That permission be and the same is hereby given to Charles Dietz to erect a canvas awning in front of his place of business No. 555 Third avenue, the work to be done at his own expense, and the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 21, 1878.  
Received from his Honor the Mayor, May 31, 1878, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Adopted by the Board of Aldermen, May 21, 1878.  
Approved by the Mayor, May 31, 1878.

Resolved, That the Commissioner of Public Works be and he is respectfully requested to have the carriageway of the following-named streets repaired and put in good order immediately, viz.: Division street from Catharine to Grand street, Henry street from Oliver to Grand street, Madison street from Market to Grand street, Monroe street from Catharine to Grand street, Cherry street from Pearl street to East river, Front street from Whitehall to Roosevelt street, and from Montgomery to Corlears street, Pike street from Division to South street, Rutgers street from Division to South street, Montgomery street from Division to South street, Gouverneur street from Grand street to East river, Corlears street from Grand street to East river, Roosevelt street from Chatham to South street, James street from Chatham to Cherry street, Oliver street from Chatham to South street, Dover street from Pearl to South street, Peck slip from Pearl to South street, Walker street from West Broadway to Canal street, Mott street from Chatham to Bleecker street, Mulberry street from Leonard to Houston street, City Hall Place from Chambers to Pearl street, Hester street from Centre to Division street, Broome street from Broadway to the Bowery, also Second, Third, Fourth, Fifth, Sixth, and Seventh streets, from Bowery to East river.

The minutes of the previous meeting having been read for the information of the Board, the Chairman submitted the hereinafter named petitions and applications, to wit:

Petition of R. W. Buckley, architect, on behalf of John Brower, owner, for permission, in the erection of a five-story brick factory building and carriage repository 51 feet 3 inches by 86 feet 8 inches, 68 feet in height, on the northwest corner of Thirty-ninth street and Broadway, to be allowed to so far vary the provisions of the Building Law as to permit the outside or bearing wall on line of street to be constructed on the first story 24 inches in thickness, on the second, third and fourth stories 20 inches in thickness, and thence to top but 16 inches in thickness, all to be built with hard burnt brick laid in sharp sand mortar, in conformity with New Buildings Plans and Specifications No. 295, submitted May 2, 1878. Petition, upon motion, granted.

Petition of J. Boeckell, architect, on behalf of L. Ryan, owner, for permission to vary the provisions of the Building Law in the alterations proposed to be made to the building No. 153 Monroe street, which is at present three stories in height, 23 feet 4 inches x 40 feet, 35 feet high (all 8-inch walls from first story up), so far as to permit of the erection of an additional story thereto, making the building, when altered, four stories, or 44 feet in height from curb-level to top of roof-cornice, in conformity with Plans and Specifications for Alterations No. 548 of 1878, filed May 13, 1878. Petition, upon motion, granted.

Petition, upon motion, granted.

Petition, upon motion, granted.

Petition of A. B. Ogden, architect, for and on behalf of Henry Bingham, owner, for permission, in the erection of his five-story brick building (to be used as a store on first floor, and dwellings for two families above on each floor), on the northeast corner of East Seventy-eighth street and Second avenue, to be allowed to so far vary from the provisions of the Building Law as to permit of the construction of the gable or bearing wall, fronting and on line of Seventy-eighth street, above the first story thereof, only 12 inches in thickness, in conformity with New Buildings Plans and Specifications, No. 365, filed May 24, 1878. Petition granted only so far as to allow of the construction of the party and line walls 8 inches in thickness; and, so far as relates to the use of the present foundation walls, or any portion of them, denied.

Petition of Bertha Volkenning, by her attorney, H. Volkenning, for permission to so far vary the provisions of the Building Law, in the erection of a brick cabinet furniture manufactory on the south side of East Forty-fourth street, 225 feet west of Second avenue, as to permit the same to be constructed in conformity with the Plans and Specifications for New Buildings No. 328, filed May 13, 1878, providing for the construction of the front of the rear portion of the building (which is to be one story higher than the front portion) of frame covered with corrugated iron, and also providing for the construction of the two upper stories of the building with walls but 12 inches, instead of 16 inches in thickness (as required by law).

Petition, upon motion, granted, only so far as relates to the construction of the front of the rear portion of the building of frame covered with corrugated iron, and denied so far as relates to the construction of the walls of the two upper stories 12 instead of 16 inches thick.

Petition of Augustus Newbold Morris, trustee, for permission to so far vary the provisions of the Building Law in the erection of a four story brick building, to be occupied exclusively as offices, on the southwest corner of Wall and South streets (fronting on both streets), and to be 21 x 72 and 54 feet in height, as to permit of the exemption of the said building from the operation of section 16, chapter

625, Laws of 1871, as amended by section 5, chapter 547, Laws of 1874, relative to the providing of fire-proof metal shutters, doors, or blinds to all openings above first floor, and petitioning for the exemption from the operation of said law of all openings of said building fronting on the streets, and that the openings on the southerly wall only be required to be so provided with doors, shutters, or blinds of fire-proof metal, in conformity with Plans and Specifications for New Buildings No. 293, filed May 3, 1878. Petition, upon motion, granted.

Petition of J. Bently Squier, for permission, in the erection of five brick and brown-stone first-class dwellings on the north side of Seventy-ninth street, 100 feet east of Madison avenue, each to be a basement and three-story, with French attic building, 14 by 60, 53 feet in height, to be so far permitted to vary the provisions of the Building Law as to allow him to erect the westerly wall, which will be a bearing-wall of the westerly building only, eight inches in thickness, to be built against the easterly wall of a four-story building already erected west of and adjoining the lots to be built upon, and also to be allowed recess—the cellar-wall for stairs, and the wall of the parlor story for a hat-rack and mirror. Petition, upon motion, granted.

Petition of John B. Snook, for permission in the erection of a five-story store and lofts 50 feet 1 inch front and rear, and 200 feet in depth, on the lots 503 and 505 Broadway, to so far vary the provisions of the Building Law as to permit of the lining-up of the southerly wall of 507 Broadway, running through to Mercer street, in conformity with Plans and Specifications for New Buildings No. 277, filed May 1, 1878. Petition, upon motion, granted upon the condition that the southerly foundation walls of 507 Broadway be increased eight inches in thickness, and the basement wall to be lined up sixteen inches in thickness. The first, second, and third stories to be lined up twelve inches, and thence to the top to be lined up eight inches in thickness.

Petition of Ferdinand Maier, praying that the window openings on the front of his factory building on southeast corner of Hester and Elizabeth streets may be exempted from the operation of section 16, chapter 625 of the Building Law, as amended by section 5, chapter 547, Laws of 1874, requiring fireproof metal shutters or blinds to all openings above the first floor. The rear openings on his said building being already provided with iron shutters. Petition, upon motion, granted.

Petition of Moses Lazarus, owner of the building No. 36 West Fourteenth street, praying for a reconsideration of the vote of the Board of Examiners (at the meeting of said Board, held April 30, 1878), denying his application for relief in the matter of exempting the rear windows and other openings of his building No. 36 West Fourteenth street, from the operation of the provisions of the Building Law relative to fire-proof metal blinds, doors, or shutters requirements, and renewing his application for the exemption of his building from such requirements of the law, upon the ground that he being the owner of the lot on the rear of his said premises running through to, and fronting on Thirteenth street, contemplates extending his building through to Thirteenth street, covering the whole of both lots.

Upon motion of J. Banta, Esq., the vote upon petition of Moses Lazarus, denying so much of said petition as related to exemption of rear openings of building 36 West Fourteenth street from the provisions of the Building Law relative to fire-proof metal shutter requirements, at Board Meeting of April 30, 1878, was reconsidered, and, upon motion, it was

Resolved, That so much of the said petition of Moses Lazarus as relates to the front of said building No. 36 West Fourteenth street being exempted from the provisions of the Building Law, relative to providing fire-proof metal doors, blinds, or shutters, to all openings above first story thereof, be granted. And that action be suspended so far as relates to such requirements on the rear thereof, until otherwise ordered by this Board, it being the intent of the owner to extend his building through to Thirteenth street.

Petition of John B. Snook, for permission to so far vary the Building Law provisions, as to allow of the lining up of the northerly wall of No. 511 Broadway, running through to Mercer street, in conformity with Plans and Specifications for New Buildings, filed May 10, 1878, and numbered No. 320. Petition granted, upon condition only that the northerly wall of said building (511 Broadway) be lined up in cellar and basement thereof (12) twelve inches, and in the first story (16) sixteen inches, in the second and third stories (12) twelve inches, and from thence to top of fifth story floor beams (8) eight inches.

Petition of John B. Snook, architect, for permission, in the erection of store on premises 507 and 509 Broadway, to so far vary the provisions of the Building Law as to allow him to line up the northerly wall of the building 509 Broadway, running through to Mercer street, in conformity with Plans and Specification for New Buildings No. 319, filed May 10, 1878. Petition as to northerly wall (marked B) of 509 Broadway, denied.

There being no further business before the Board, the minutes of the meeting were read and approved, and the Board, upon motion, adjourned, subject to the call of the Superintendent of Buildings.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS, NEW YORK COURT-HOUSE, NEW YORK, JUNE 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

SALE OF FERRY FRANCHISES.

THE FRANCHISES TO RUN THE FOLLOWING ferries and a lease of the wharf property belonging to the city, if any, set apart for ferry purposes at each of said ferries, will be sold at public auction to the highest bidder, at the office of the Comptroller of the City of New York, on Thursday, November 8, 1877, at 12 o'clock noon, for the period of five years from November 1, 1877, except as otherwise stated:

Ferry from Peck Slip, New York City, to the foot of One Hundred and Thirtieth street at Third avenue, Harlem, with an intermediate landing at or near Eighty-fourth street, East river.

Ferry from Fulton Market slip, New York City, to Mott Haven, with an intermediate landing at or near Eighty-fourth street, East river, until May 1, 1879.

Ferry as now established from foot of Roosevelt street, in the City of New York, East river, to South Seventh street, Brooklyn, Eastern District, together with the bulkheads and slips adjacent to and east of the wharf property at foot of Roosevelt street, East river, owned by the Bridge Company, and now occupied for said ferry.

Bidders must bid for the franchise and lease of wharf property of each ferry separately, but no bid will be received unless it includes an offer for both the ferry franchise and wharf property.

The form of the lease required to be executed by the highest bidder can be seen at the office of the Comptroller.

All bids will be regarded as made with reference to said form of lease, and in case the highest bidder shall neglect to execute a lease according to said form, for ten days after said sale, his bid will, at the option of the Comptroller and the Board of the Department of Docks, be rejected.

The leases will contain a covenant requiring the lessees to pay rent quarter-yearly to the Comptroller.

The minimum rate for which the ferry franchise or license to operate such ferries shall be used or enjoyed has been appraised and set by the Commissioners of the Sinking Fund at five per cent. per annum upon the gross receipts or ferrage collected at the New York landing-place for the ferry as now established from the foot of Roosevelt street, New York, to South Seventh street, Brooklyn, and at two and one-half per cent. per annum upon the gross receipts collected for ferrage for the ferries from Peck slip, New York, to the foot of One Hundred and Thirtieth street, Third avenue, Harlem; and from Fulton Market slip, New York, to Mott Haven, such percentage to be paid quarter-yearly to the Corporation, and a covenant will be contained in each lease requiring the lessees to make and deliver to the Comptroller of the City of New York, quarter-yearly, a statement in writing, verified by oath or affirmation of the lessee, or of such proper officer of the lessee as may be designated by the Comptroller, of the actual total gross receipts for ferrage received by such lessee during the preceding three months, and also that the lessee shall keep regular books of account, showing the daily gross receipts of the ferry leased, and allow said Comptroller, or any person designated by him, to examine such books.

The franchise will be put up and knocked down to the person offering to pay the largest percentage.

All moneys received for the conveyance of passengers, animals, vehicles, or freight from New York to be collected at the landing place in New York, or, if collected elsewhere, to be included in the receipts upon which such percentage is to be calculated and paid.

No bid less than such percentage on such gross receipts will be entertained.

The successful bidder will be required to pay to the Collector of City Revenue the sum of fifteen hundred dollars immediately after the franchise shall have been struck down to him, as security for the execution and performance of the lease, such amount to be credited on the rent when the same becomes due.

Security, satisfactory to the Comptroller, will be required for the punctual performance by the lessees of the covenants of the lease of the franchise in their behalf.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of the annual rent bid for the wharf property, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent for such property first accruing under the lease, when executed, or forfeited if the lessee neglects or refuses to execute the lease and bond after being duly notified that the lease is prepared and ready for signature, or, in case the bid be finally rejected, will be returned to the bidder.

Lessees will be required to pay their rent for the wharf property quarterly, in advance, in compliance with a stipulation therefor in the form of the lease adopted.

The franchise and the lease of the wharf property, if any, of each ferry will be put up and sold together to the highest bidder, subject to the condition hereinafter expressed, and subject also to the right of the Comptroller and the Board of the Department of Docks to reject any or all bids, if deemed to be for the interest of the city.

The right to reject any bid, if deemed to be to the interest of the City of New York, is reserved by the Commissioners of the Sinking Fund.

By order of the Commissioners of the Sinking Fund. JOHN KELLY, Comptroller.
