Abstract of the proceedings of the Commissioners of the Sinking Fund, at the meeting held November 19th, 1878.

Present—Hon. Smith Ely, Jr., Mayor (Chairman); Hon. John Kelly, Comptroller; J. Nelson Tappan, Esq., Chamberlain; and Patrick Keenan, Esq., Chairman Finance Committee, Board of Aldermen.

The minutes of the last meeting were read and approved. The Comptroller, to whom was referred the application of Kuhn, Loeb & Co., to exchange New York City 7 per cent. bonds for 5 per cent. bonds, now in the Sinking Fund, submitted the following report, which, on motion, was accepted and ordered on file, viz.:

The Comptroller, to whom was referred the application of Kuhn, Loeb & Co. to exchange New York 7 per cent. bonds for 5 per cent. bonds now in the Sinking Fund, would

REPORT:

That the charter requires any property of the city, when sold, to be disposed of at public auction or by sealed bids, and always after public advertisement and appraisal under the direction of the Sinking Fund, and that no exchange could be effected in the manner proposed by the communication of Messrs. Kuhn, Loeb & Co.

Respectfully submitted, JOHN KELLY, Comptroller.

The Comptroller, to whom was referred the application of C. R. Trafford and others, and of Frederick K. Keller, to have rate of interest reduced on their bonds and mortgages held by the city, submitted the following report, which, on motion, was accepted and ordered on file, viz.:

The Comptroller, to whom was referred the petitions of C. R. Trafford and others, and of Frederick K. Keller, to have interest on bonds and mortgages now outstanding reduced from seven to six per cent. per annum, would

REPORT:

That upon an examination of the ordinance and the various laws affecting the Sinking Fund, no express authority can be found which gives power to this Board to reduce the interest, or in any way modify the terms and conditions of a bond and mortgage, except so far as is contained in sections 24 and 25 of article 4 of the Sinking Fund Ordinance, which authorize the Comptroller, with the sanction of the Sinking Fund Commissioners, to assign a bond or mortgage upon payment, by any person who may elect, of the principal and interest due, or to execute a proper satisfaction whenever any bond and mortgage may be paid in full.

Respectfully submitted, JOHN KELLY, Comptroller.

A communication was received from the Commissioners of Docks, in relation to agreement made with the Liverpool, New York, and Philadelphia Steamship Co.; whereupon the Comptroller submitted the following resolution, which, on motion, was adopted, viz.:

Resolved, That the Commissioners of the Sinking Fund do hereby consent that the following clause be included in the agreement made with the Liverpool, New York, and Philadelphia Steamship Co., dated September 18, 1877:

“And further, upon the completion of the bulkhead wall through the said pier, and the replacement of the inner end of the said pier outside the new bulkhead wall, to move the shore end of the said shed to the aforesaid inner end of said pier, outside the new bulkhead wall, and connect the same with the shed, standing on said pier, in a good and workmanlike manner, and generally to put the whole of said shed in as good order and condition as it was before cutting through the same, all free of expense to the lessee;” to be added to and considered a part of section 2 of said agreement.

A petition, numerously signed by holders of stands, booths, stalls, etc., attached and adjacent to Washington Market, was received, stating that they had been notified by Joseph Blumenthal that

their stands and stalls were nuisances and obstructions on the public streets, etc., and asking for protection in the premises.

A communication was also received from John Keenan, Clerk of Washington Market, in relation to the same subject; whereupon the Comptroller submitted the following preamble and resolution, which, on motion, were unanimously adopted, viz.:

Whereas, Doubts have been expressed as to the rights of stand-holders to occupy any portion of the public streets, in the vicinity of the public markets and within the limits prescribed by the ordinances as now existing, and the occupants of various stands holding permits from the Bureau of Markets have been forcibly removed from the places assigned to them by the Superintendent of Markets; therefore, be it

Resolved, That the Commissioners of the Sinking Fund do hereby recommend that the stand-holders occupying stands within the limits of the public markets, under permits from the Bureau of Markets, do take such measures, by action or otherwise, in the courts, as will bring up the question and determine the rights of all parties interested in the use and occupation of that portion of the public streets which is included in the market limits.
