DEPARTMENT OF PUBLIC WORKS,

Hon. SMITH ELY, Jr., Mayor and Chairman Board of Estimate and Apportionment :

SIR—To enable this Department to meet such expenditures as are absolutely necessary for the care and protection of the aqueducts and reservoirs, an additional sum of two thousand dollars (\$2,000) is required for the appropriation for "Aqueduct—Repairs and Maintenance," for 1878, and I would therefore request that this sum be transferred to said appropriation from the appropriation for "Repaving under chapter 476, Laws of 1875," for 1878, for the purposes of which it is not needed.

I have also to state that the appropriation for "Supplies for and cleaning Public Offices" for 1878, is not sufficient to enable the Department to meet the demands and needs of the various departments, courts, and offices for supplies, and I would therefore request that the sum of two thousand dollars (\$2,000) be transferred to that appropriation from the appropriation for "Public Buildings, Construction and Repairs" for 1878, the said sum being in excess of the requirements of the later appropriation.

"Public Buildings—Construction and Repairs," etc.....	2,000 00
Total.....	\$4,000 00

—to the following appropriations, made to the same Department for the year 1878, which are insufficient, viz. :

"Aqueduct—Repairs and Maintenance".....	\$2,000 00
"Supplies for and Cleaning Public Offices," etc.....	2,000 00
Total.....	\$4,000 00

Whereupon the Comptroller offered for adoption the following resolution :

Resolved, That the Comptroller be and is hereby authorized to issue from time to time, as may be required, and at such rates of interest as he may determine, not exceeding seven per cent per annum, "Croton Water-main Stock," as authorized by chapter 477, Laws of 1875, to the amount of one hundred thousand dollars, on account of requisition made by the Department of Public Works, dated May 20, 1878.

The Chairman put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote :

The Chairman put the question whether the Board would agree with said resolution, and adopt the said Provisional Estimate.

Which was decided in the affirmative by the following vote:
Affirmative—The Mayor of the City of New York (Chairman), the Comptroller of the City of New York, the President of the Board of Aldermen, and the President of the Department of Taxes and Assessments—4.

Resolved, That the Provisional Estimate for 1879, adopted by the Board of Estimate and Apportionment on October 31, 1878, be transmitted by the Comptroller to the Board of Aldermen, accompanied by the following reasons for its adoption, as required by section 112 of chapter 335, Laws of 1873:

REASONS FOR THE PROVISIONAL ESTIMATE FOR THE YEAR 1879.

First—The appropriations for the expense of conducting the business of the City government has received the most careful consideration in making the Provisional Estimate for the year 1879. Wherever it has been deemed practicable, consistently with the public interests, to reduce the appropriations over which the law has conferred upon the Board of Estimate and Apportionment any discretionary power, it has been done.

The aggregate of the Provisional Estimate is \$1,671,602.25 less than the amount of the Departmental Estimates for the year 1879, and \$819,606.55 less than the amount of the appropriations in the Final Estimate for the year 1878, as shown by the following comparative table:

Total.....	\$30,104,077 12	\$30,956,072 82	\$29,284,470 57

Second—The Board of Estimate and Apportionment has no control whatever over the appropriations required for the State Taxes, the Interest on the City Debt, the Redemption of the City Debt, the salaries of the Judges, clerks, stenographers, and attendants of the Courts, Commissioners of the Departments, and the pay of the uniformed force of the Police and Fire Departments, which are fixed by law.

The appropriations over which the Board of Estimate and Apportionment can exercise any power to regulate and fix the amounts for less than the Departmental Estimates, in which reductions have been made, are as follows:

The Common Council.....	\$7,250 00
The Department of Finance.....	17,500 00
For Judgments.....	50,000 00

Third—The Departmental Estimates have been reduced as above stated, because the amount appropriated for the purposes and objects of each Department is believed to be sufficient, under a prudent and economical management of its affairs, to provide for all proper expenditures and secure the public interests.

Adopted by the Board of Estimate and Apportionment November 9, 1878.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS, NEW COUNTY COURT-HOUSE, NEW YORK, June 1, 1877.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or intertence permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
