Whereas, In the general sorrow for the death of this great and good man, it is the mournful duty of the people of this city to participate, and to testify, in an appropriate manner, their sense of the loss they have sustained—a loss that will be equally experienced by the people of this State and nation. Resolved, That as an evidence of the sorrow for the death of Major-General John A. Dix, now pervading the people of this city, that the flags be displayed at half-staff on all the public buildings in this city on the day set apart for solemnizing the funeral ceremonies; that the owners of private buildings in this city, and the masters or owners of the shipping in the harbor be requested to display their flags at half-mast on that day, and that a Special Committee of five members of this Common Council be appointed to carry into effect the provisions of this resolution, and to represent the government and people of this city on the solemn and sorrowful occasion of paying the last tribute of respect to the remains of the deceased; and be it further

Resolved, That as a further mark of respect for the memory of the deceased, this Board do now adjourn.

And the President pro tem. appointed as such Committee, Aldermen Roberts, Burns, Haughton, Perley, and Stewart,

The Commissioners reserve the right to resell the leases bid off by those failing to comply with these terms; the party so failing to be liable for any deficiency which may result from such resale.

Lessees will be required to pay their rent quarterly, in advance, in compliance with a stipulation therefor in the form of lease adopted by the Department.

Two sureties, each a freeholder and householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under each lease, to enter into a bond jointly with the lessee in the sum of an

amount double the annual rent for the faithful performance of all the covenants of the lease; and each purchaser will be required to submit, at the time of the sale, the names and address of his proposed sureties.

Each purchaser will be required to agree that he will, upon being notified so to do, execute a lease prepared upon the printed form adopted by the Department, which can be seen upon application to the Secretary, at the office, 119 Duane street.

No person will be received as lessee or surety who is delinquent on any former lease from the Corporation; and no bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

DEPARTMENT OF DOCKS, NOS. 117 AND 119 DUANE STREET, NEW YORK, April 19, 1879.

TO CONTRACTORS.

PROPOSALS FOR FURNISHING SMALL COBBLE, RIP-RAP AND BROKEN STONE, AND SAND.

SEALED PROPOSALS FOR FURNISHING these materials, indorsed as above, and with the name or names of the person or persons presenting the same, and the date of presentation, and addressed to "The President of the Department of Docks," will be received at this office until 12 o'clock M., of

MONDAY, MAY 5, 1879,

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract or contracts will be made as soon as practicable after the opening of the bids.

The Engineer's estimate of the quantities to be furnished is as follows:

Class 1.—Small Cobble and Rip-rap Stone for Bulkhead or River Wall, to be deposited in place by Contractor.

A. About 13,500 cubic yards of Small Cobble Stone.

B. About 14,500 cubic yards of Rip-rap Stone.

Class 2.—Broken Stone for Concrete.

About 2,400 cubic yards of broken stone.

Class 3.—Sand.

About 1,000 cubic yards of sand.

Proposals may be made for one or more of the above three classes.

The above material to be furnished in accordance with specifications, and to be delivered as called for by orders from the Engineer-in-Chief.

The small cobble and rip-rap stone for the bulkhead or river wall is to be delivered and properly deposited around and between the piles, and in front and rear of the work, at such points on the North river, south of Fourteenth street, as may be designated by the Engineer. The small cobble only is to be placed between the piles, and the rip-rap is to be placed in front and rear of the foundation, and is to be properly mixed with small cobble.

The broken stone and sand are to be unloaded and delivered by the contractor upon the scows of the Department, or upon piers or bulkheads, at such point or points along the North river water-front, south of Fourteenth street, as shall be designated, from time to time, by the Engineer.

All material will be measured, in bulk, on board the vessels of the contractor, at the place of delivery.

The foregoing are the quantities which have been estimated approximately for the construction of the bulkhead or river wall proposed to be built during the year. They form, however, no part of the contract, and persons bidding are cautioned that the Department of Docks does not hold itself responsible that any of them shall strictly obtain in the construction of the work, and reserves the right to terminate the contract at any time after the delivery of the following quantities, to wit:

Class 1.—A. 4,500 cubic yards.

B. 5,000 cubic yards.

Class 2.—800 cubic yards.

Class 3.—350 cubic yards.

Any bidder for this contract must be well prepared for the business, and the bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of seven thousand dollars, in case the whole contract shall be awarded to him; or in the sum of five thousand dollars for the contract for small Cobble and Rip-rap Stone only; or in the sum of one thousand five hundred dollars for the contract for Broken Stone only; or in the sum of two hundred dollars for the contract for Sand only.

This contract is to cease and terminate on the 27th day of December, 1879, and fifty dollars per day is fixed as the liquidated damages, and will be exacted for each day that the delivery of any part of the said materials shall be delayed for ten days after the receipt of the necessary order therefor, Sundays and holidays not to be excepted.

Bidders will state in their proposals the price per cubic yard for either or all of the above three classes of materials respectively, by which the bids will be tested. The price is to cover all expenses of every kind, involved in or incidental to the delivery, including any claim that might arise through delay from any cause in the receiving of the material by the Department.

Bidders will write out the price bid, in addition to inserting the same in figures.

If the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to him or their bid or proposal, or if he or they shall accept, but shall refuse or neglect to execute the contract and give the proper security for forty-eight hours after notice that the same is ready for execution, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state the fact; also that the bid is made without any connection with any other person making any estimate for the same purpose, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the city of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6, of chapter 574, Laws of 1871, and by section 27 of chapter VIII, of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons

for whom he consents to become surety. The adequacy and sufficiency of the sureties offered are to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the material, can be obtained upon application at the office of the Department, Room No. 6.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates it deemed to be for the public interest, and to accept any bid or estimate as a whole or for any one or more articles included therein.

The form of the agreement, including specifications, and showing the manner of payment for the supplies, will be furnished at the office of the Department.

Dated New York, April 19, 1879.
