PETITIONS.

By Alderman Jacobus—

Petition of W. L. Cutting, for change of grade of Fortieth street, from First avenue to the East river.

NEW YORK, January 1, 1880.

To the Honorable the Common Council:

GENTLEMEN—The undersigned, owner of all the property on both sides of Fortieth street, between First avenue and East river, also the property joining on at the north and south to Forty-first and Thirty-ninth streets, and also the water grant in front from the city.

And is desirous to make certain improvements by grading Fortieth street, between First avenue and the bulkhead, as now built at the East river, and now state, as a preface, that the grade of Fortieth street, between First avenue and the proposed exterior line for solid filling as now established, could not under existing circumstances be made available, as will be seen by reference to the map and profile attached, for the following reasons:

First—That the proposed exterior line for solid filling is now in an unsettled position by the opinions of the conflicting authorities, and that the water opposite to this street is very deep, and the bottom is shelving rock, on which to build a bulkhead would be almost impossible to construct it permanently; and,

Second—The present bulkheads are now formed to suit the eddies and currents in this narrow channel; and,

Third—Should the present grade be worked to the height called for by the present established grade, the bulkhead would be useless, as it would be too high for any practical purpose, as will be seen by the profile on the said map attached, by the black line; and, therefore,

Respectfully solicit your Honorable Body for the enactment of an ordinance establishing the red line as shown on said profile as the legal grade between these points, and much oblige,

Yours truly,

W. L. CUTTING, Executor of G. CUTTING, deceased.

MOTIONS AND RESOLUTIONS.

By Alderman Finck—

Resolved, That his Honor the Mayor be and he is hereby respectfully requested to return to this Board resolution permitting James W. Johnston to keep a metal glass circular sign in front of No. 260 Grand street, which was adopted January 13, 1880.

The President put the question whether the Board would agree with said resolution. Which was decided in the affirmative.

By the President—

Resolved, That two rows of bridge stone be laid at the intersection of the streets on the line of St. Nicholas and Seventh avenues, from One Hundred and Tenth to One Hundred and Twenty-fifth street, on both sides of said avenues.

Which was referred to the Committee on Streets and Street Pavements.

By the same—

Whereas, The Seventh avenue, from the Central Park to the Harlem river, was widened and laid out at great expense to the owners of lots on said avenue, and the said avenue paved with the Telford-McAdam pavement at an expense to the lots fronting thereon, from five hundred and sixty-one to seven hundred and three dollars per lot; and

Whereas, The said pavement has been covered with soft earth to the depth of several inches, rendering the same in wet weather one continuous bed of mud, impassable for both man and beast, and particularly for persons going to and fro to the elevated railroads at Seventh avenue and One Hundred and Sixteenth street.

Resolved, That the Commissioner of Public Works is hereby directed to have the said Seventh avenue cleaned up from One Hundred and Tenth street to One Hundred and Twenty-fifth street, and the pavement restored to its pristine condition without delay.

ST. NICHOLAS AVENUE AND ONE HUNDRED AND SIXTEENTH STREET, }
NEW YORK, January 21, 1880.

DEAR SIR—I enclose to you two resolutions to offer at your next meeting, if you will be kind enough to do so.

The matter included in them deserves particular attention, as you may perceive if you pass that way.

The Seventh avenue is in a terrible condition, and will continue so all winter and spring if not attended to.

It is a disgrace to the department that controls it, and any school boy would have known better than to cover a beautiful pavement with such vile stuff, that turns to mud in wet weather, and in dry to clouds of dust. I begged of them when they were putting it on to desist, but they seemed the more determined to ruin our beautiful road, which to day should be (as is One Hundred and Sixteenth street) as clean as a floor.

The crosswalks are much needed, as the crossings are very muddy, while the sides of the avenue are flagged and there is a great deal of traveling along said avenue.

Yours truly,

W. G. WOOD, M. D.

To JOHN J. MORRIS, Esq.

Which was referred to the Committee on Streets and Street Pavements.

Whereas, Section III of the Charter of 1873, designates the Mayor, the Corporation Counsel, and the Commissioner of Public Works, as the officers under whose direction all supplies of printing, blank books, and stationery shall be furnished to the City Departments; and

Whereas, It is currently reported that the said officers have delegated their authority to the Supervisor of the City Record, and he in turn devolves the duty upon a subordinate of the office, who must be overtaken in discharging the duties which properly belong to his superior officers; and

Whereas, It is currently reported that the office of the Supervisor of the City Record is the haunt of politicians, and that the business of the office is interfered with by political caucuses; and

Whereas, The appropriation for the supply of printing and stationery for the year 1879 has been largely exceeded; therefore

Resolved, That the Committee on County Affairs be directed to inquire into and report upon the manner in which the business assigned to the office of the CITY RECORD is conducted, and whether a strict attention to their duties required by the officers designated in the Charter would not have kept the expenditures for printing and stationery within the appropriation made for that purpose for the year 1879.

COMMUNICATIONS FROM THE DEPARTMENTS AND CORPORATION OFFICERS.

The President laid before the Board the following communication from the Clerk of the Common Council:

OFFICE OF THE BOARD OF ALDERMEN, } No. 8 CITY HALL, } NEW YORK, January 27, 1880.

To the Honorable the Common Council of the City of New York:

GENTLEMEN—I respectfully transmit to your Honorable Body the accompanying letters, addressed to me by the Commissioners appointed to revise the ordinances of the Mayor, Aldermen, and Commonalty of the City of New York, together with their copy of the revision of the ordinances.

Very respectfully,

F. J. TWOMEY, Clerk Common Council.

FRANCIS J. TWOMEY, Esq., Clerk of the Common Council:

SIR—The Commissioners heretofore appointed to revise the Ordinances of the City of New York have this day concluded their labors, and herewith submit such ordinances, duly certified and authenticated, as directed by a resolution of the Board of Aldermen, approved January 10, 1880.

Several sections of the ordinances appeared to be in conflict with the State Laws, but the Commissioners were of opinion that they were not authorized to exclude the same; they were therefore retained, and are presented for your consideration and action.

The matters relating to Stocks and Bonds, etc., which were erroneously included in our last report, has been stricken out, and is not included in this revision.

The title to the new revision, the method of its compilation, and the system adopted by a Special Committee, and by the Board of Aldermen on December 31, 1879, is heartily concurred in by me.

The Commission is greatly indebted to you for books, papers, and valuable information, so generally furnished.

Very respectfully,

EBENEZER B. SHAFER, Commissioner.

New York, January 26, 1880.

NEW YORK, January 26, 1880.

Hon. F. J. TWOMEY, Clerk of the Common Council:

DEAR SIR—The accompanying ordinances of the City of New York have been "continued so as to embrace the whole of the year 1879," and this copy thereof is now "duly certified and authenticated" by my signature as Commissioner, and "deposited in your office preparatory to the adoption and publication thereof," all in compliance with the resolution of the Mayor, Aldermen, and Commonalty, approved January 10, 1880.

I cannot, however, discharge my duty to the Corporation, or the public, without earnestly recommending:

First—That the title should be changed from that proposed in said resolution, so that it shall read: The Municipal Code, comprising all the ordinances of the Mayor, Aldermen, and Commonalty of the City of New York, in force on the first day of January, A. D. 1880, etc.

Second—That all the sections should be consecutively numbered from beginning to end of the work, according to the valuable and perspicuous plan of the "United States Revised Statutes," and our "Code of Civil Procedure."

Third—That the six sections relating to trout, quail, partridge, woodcock, heath hens, and the recovery of penalties thereon, which are superseded by State laws, should be entirely omitted. These six dead sections are found in these ordinances in chapter 3, article 6, sections 106, 107, 108, 109, 110, 111, and forbid exposing game for sale or having it in possession under penalties of \$5 or \$10, during certain seasons, whereas the State law, which is paramount, makes each such act a misdemeanor, and also punishable with a fine of \$25, and prescribes different seasons for the prohibition.

Respectfully,

ELLIOTT F. SHEPARD, Commissioner, etc.

Whereupon Alderman Sauer offered the following:

Resolved, That the Ordinances of the Mayor, Aldermen and Commonalty of the City of New York, this day transmitted by the Clerk from the Commissioners appointed to revise them, be and they are hereby adopted, and that the said Ordinances be printed in the CITY RECORD, as provided in subdivision 26 of section 17 of chapter 335, Laws of 1873, under the direction of the Clerk of this Board.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote, viz.:

Affirmative—The President, Aldermen Coggey, Finck, Foster, Goodwin, Haffen, Helbig, Jacobus, Keenan, Kirk, Marshall, McClave, Perley, Sauer, Slevin, and Wade—16.

(For Ordinances as revised see CITY RECORD of a later date.)

Hon. JOHN J. MORRIS, *President Board of Aldermen*:

SIR—Application is respectfully made by the Commissioners of Public Charities and Correction to the Honorable Board of Aldermen, for the renewal of lease of premises situated in Ninety-ninth street, near Tenth avenue, and at present occupied as a Reception Hospital, Dispensary, etc., on such terms and for such period of time as may be deemed just and proper, as authorized by chapter 335, article 2, section 18 of "An act to reorganize the local government of the City of New York," passed April 30, 1873.

MESSAGES FROM HIS HONOR THE MAYOR RESUMED.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, January 27, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the preamble and resolution of the Board of Aldermen, adopted January 13, 1880, stating that some of the paintings in the Governor's room in the City Hall have been copied without the knowledge or consent of the Common Council, and that in the process of copying, one at least, of the pictures has been injured, and directing the Commissioner of Public Works to prevent any person from copying any of the paintings owned by the city, unless specially authorized to do so by the Common Council.

The Governor's room is open to the public and is in charge of an attendant.

In most public galleries artists are allowed to make copies of the paintings. The Commissioner of Public Works has by law the control of the care of public buildings, and I see no reason why he should not permit reputable artists to copy paintings belonging to the city without a special resolution of the Common Council in each case.

I am informed that no painting in the Governor's room has been copied for a long time past, except that a photographic copy of the portrait of Alexander Hamilton was taken last summer and that an artist is now making a portrait of Hamilton in the Governor's room, by reference to the portrait of him belonging to the city and to another portrait which she has brought there for that purpose.

The portrait is being painted at the request of the present Secretary of the Treasury, for the Treasury Department at Washington. So far from injuring the painting belonging to the city, the artist has restored its freshness by removing with great care the bloom or mold from its surface.

EDWARD COOPER, Mayor.

Whereas, It is known that artists have been permitted to make copies from some of the original paintings in the Governor's room in the City Hall, without the knowledge or consent of the Common Council, and that in the process of copying, one at least, of the paintings has been injured; be it therefore

Resolved, That the Commissioner of Public Works be and he is hereby directed to prevent any person from taking copies from any of the paintings owned by the city, in the City Hall, or any other of the public buildings, unless specially authorized to do so by resolution of the Common Council.

Alderman Sauer moved to refer to the Committee on County Affairs.

The President put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, January 27, 1880.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted January 13, 1880, giving permission to P. J. Burke to retain a fence, now erected in front of his property on Ninth avenue, between Fifty-ninth and Sixtieth streets.

Chapter 335, of the Laws of 1873, provides that the Common Council shall have no power to authorize the placing or continuing of any encroachment or obstruction upon any street or sidewalk, except the temporary occupation thereof during the erection or repair of a building on a lot opposite the same.

The fence proposed to be authorized by the resolution is placed on the sidewalk near the stoop line, and for about sixty-five feet of its length is a board fence about eleven and a half feet high, used for advertising purposes. In my opinion it is an encroachment on the sidewalk, which the Common Council has no power to authorize.

EDWARD COOPER, Mayor.

Resolved, That permission be and the same is hereby given to P. J. Burke to retain the fence now erected in front of his property on Ninth avenue, east side, between Fifty-ninth and Sixtieth streets; such permission to continue only during the pleasure of the Common Council.

Which was laid on the table, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board, from his Honor the Mayor, a resolution returned by request to appoint Jacob Wallestein a Commissioner of Deeds.

On motion of Alderman Perley, the vote by which the resolution was adopted was reconsidered, and the paper was referred to the Committee on Salaries and Offices.

BOARD OF STREET OPENING AND IMPROVEMENT.

The Board of Street Opening and Improvement met, pursuant to call, in the Mayor's Office, at 2 P. M., on Wednesday, January 21, 1880.

Upon a call of the roll the following were ascertained to be present: Edward Cooper, Mayor; Richard A. Storrs, Deputy Comptroller; Allan Campbell, Commissioner of Public Works; John J. Morris, President of the Board of Aldermen.

The following authorization was presented by the Deputy Comptroller:
Pursuant to the provisions of section 32 of chapter 335 of the Laws of 1873, I hereby designate and authorize Richard A. Storrs, Deputy Comptroller, to possess every power and perform all and every duty belonging to the office of Comptroller of the City of New York, on Wednesday and Thursday, the 21st and 22d days of January, 1880, for the reason that on those days I shall be absent from the Comptroller's Office.

Which was directed to be recorded on the minutes.
The minutes of the meeting held December 16, 1879, were read and approved.
James F. Wenman, President of the Department of Public Parks, then appeared and took part in the meeting.

The Secretary presented a paper signed by the members of the Board, acknowledging that they had received due and timely notice of the present meeting, which was ordered on file.

The Secretary also notified the Board that he had caused to be inserted in the CITY RECORD a notice, signed by all the members, that they proposed to lay out and open West Fifty-third street,

from the Tenth avenue to the Eleventh avenue, and West Fifty-fourth street, from the Tenth avenue to the established bulkhead line on the Hudson river, and would lay their proposed action before the Board of Aldermen on or after January 27, 1880.

The Mayor presented the following communication, which was ordered on file.

To the Board of Street Opening and Improvement of the City of New York:

GENTLEMEN—The undersigned, owners of property, respectfully petition that Washington street be extended from Little West Twelfth street to West Fourteenth street, so as to run parallel with the Ninth and Tenth avenues, in the manner shown on the accompanying diagram.

We respectfully submit that this improvement should be made for the following among other reasons:

Washington street, which is almost exclusively devoted to business purposes, and on which there is a great amount of travel, terminates abruptly in a short, narrow street (Little Twelfth), and there is no suitable way of entrance to or exit from its northern end, which its importance as a business street requires. If it is extended to Fourteenth street, a distance of only two blocks, it will then terminate in a large, wide, and extensive thoroughfare.

There is no suitable or sufficient way of access to or departure from the new market which has just been established on the Fort Gansevoort property at Washington and Little West Twelfth streets. The streets that now lead to the Market are very narrow, are encumbered with car tracks and filled with obstructions, and do not afford sufficient means of communication with it. It is proposed also to establish a ferry from the foot of West Fourteenth street to Jersey City, and the probabilities are that it will be in operation in a short time. Inasmuch as the inauguration of the market and the ferry will tend to largely increase the travel and business in this locality, an avenue such as the proposed improvement would make will be a public necessity.

If extended in accordance with annexed diagram it will not be necessary to tear down or remove any buildings, as the land which it is proposed to take consists of vacant lots. A large item of expense will thereby be saved.

The proposed extension will not alter or interfere with any existing house or lot lines. An objection of considerable consequence is thus avoided.

If undertaken at once, the cost of this improvement will be small, and the consequent expense to the property owners trivial.

Your petitioners therefore urgently request that immediate action be taken by your Board.

Very respectfully yours,

Resolved, That the Board of Street Opening and Improvement deem it to be for the public interest to lay out and open, and they propose to lay out and open a street to extend from the northerly side of Little West Twelfth street to the southerly side of West Fourteenth street, the easterly line of such street to be parallel with the Ninth avenue and four hundred and twenty-five (425) feet west of the westerly line of Ninth avenue, and the westerly line of such street to be five hundred (500) feet west of the westerly line of Ninth avenue and parallel thereto.

Affirmative—The Mayor, the Deputy Comptroller, the Commissioner of Public Works, the President of the Department of Public Parks, and the President of the Board of Aldermen.

JURORS.

NOTICE IN RELATION TO JURORS FOR STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS, NEW COUNTY COURT-HOUSE, NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
