Affirmative—Commissioners Kelly, Andrews, and Lord—3.

No. 1071—Matter of Edward C. Donnelly; assessment for One Hundred and Thirty-first street regulating, grading, etc., from Tenth avenue to Boulevard.

Mr. Charles E. Miller, attorney, presented additional evidence on behalf of the petitioner, and rested his case. The Counsel to the Corporation, by Mr. John A. Beall, presented a portion of the evidence on behalf of the city, after which the further hearing of the case was adjourned to a future meeting.

Commissioner Lord presented the following decision:

In matter of H. S. & A. H. Mott (No. 81); assessment for Eleventh avenue paving, from Fifty-second to Fifty-ninth street.

In a case identical with the case at bar, the General Term of the Supreme Court has decided that the Assessors erred in charging the expense of paving between the railroad tracks upon the abutting property. The width of pavement between the tracks was twenty-five feet, and the entire roadway was sixty feet. The Court therefore held that the assessment was excessive, by the amount charged for pavement between the tracks.

On examining the case as presented to us, it seems clear that substantial injustice has been done to the petitioners by charging them the cost of paving between the tracks, which under the ordinance of 1847, authorizing the company to lay their tracks, should have been paid by the railroad company, and hence to the extent of the cost of the pavement between the tracks injustice has been done. The intersections should however be considered, and for that reason the reduction is therefore not quite five-twelfths per cent., but for greater accuracy forty per cent. The assessment on petitioners' lots, namely, Ward No. 33½, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, and 48, in Block No. 234, should be reduced forty per cent.; namely, from \$823.39 to \$494.03.

The Chairman put the question whether the decision as presented shall stand as the decision of the Commissioners.

Which was decided in the affirmative, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Cooper, Kelly, Campbell, Andrews, and Lord—5.

Commissioner Andrews presented the following decision:

In Matter of John Reilly (No. 2163); assessment for Fifty-fourth street paving, from Ninth to Tenth avenue.

The repaving for which the assessment was confirmed in April, 1873, was not in violation of any law, and the ordinance of 1866 which is cited was, in effect, repealed by the later ordinance under which the assessment of 1873 was laid. There is no allegation of fraud or overcharge, no proof of substantial injustice, and the application for reduction is denied.

Commissioner Kelly presented the following substitute:

Resolved, That Fifty-fourth street, from Ninth to Tenth avenues, having been paved with cobble stones and subsequently with Belgian pavement, the difference between the cost of the cobble stone pavement and Belgian pavement shall be the amount assessed on the property of the petitioner.

The question being taken, the substitute was lost by the following vote, viz.:

Affirmative—Commissioners Kelly and Lord—2.

Negative—Commissioners Cooper, Campbell, and Andrews—3.

(Commissioner Lord, in explanation of his vote, said: "I think that a reduction of thirty-five cents a yard would do substantial justice to the petitioner, and in equity he would be entitled to that, although perhaps on a strictly legal construction of the position he would not be entitled to it, but as this Commission was established as an equitable tribunal I vote aye.")

The question being taken on the decision as presented by Commissioner Andrews, it was adopted, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Cooper, Campbell, and Andrews—3.

Negative—Commissioners Kelly, and Lord—2.

Commissioner Lord presented the following resolution:

Resolved, That in all cases the reduction be made on the amount originally assessed upon the property, irrespective of any payments that have been made thereon.

Which was laid over at the request of Commissioner Cooper.

Mr. Thomas A. Rogers, attorney, moved that the decisions of the Commissioners in Matter of Sherwood, rendered on January 31 and February 9, 1882, reducing the assessments for regulating, grading, etc., and macadamizing etc., the Sixth and Seventh avenues, north of One Hundred and Tenth street, be made their decisions in a number of similar cases represented by him before the Commission in which proof of title had been given.

The question being taken, the motion was granted by the following vote, viz.:

Affirmative—Commissioners Kelly, Campbell, Andrews, and Lord—4.

Negative—Commissioner Cooper—1.

APPROVED PAPERS.

Resolved, That the premises on the west side of Arthur street, Fordham, about 400 feet south of Pelham avenue, owned by Joseph McMahon, and known as lot A V on map of the Powell farm, be and they are hereby designated as and for a public pound, and that a pound master be appointed therefor and assigned thereto by the Mayor, without any compensation or salary to be paid by the corporation.

Adopted by the Board of Aldermen, April 4, 1882.

Approved by the Mayor, April 10, 1882.

Whereas, It is of great importance to the people of this city that they should be furnished with cheap as well as rapid transit; and

Whereas, Except for a limited time, morning and evening, the rate of fare on the elevated railroads is so high that it practically excludes the laboring population of this city from the benefits intended to be conferred upon our whole people, when they surrendered, gratuitously, the invaluable franchises now used by these railroad companies; and

Whereas, It is self-evident that if the surface railroad companies can convey passengers from the City Hall to Harlem river at a uniform fare of five cents, and pay heavy dividends upon their investments, a like service, at a like rate, can profitably be rendered by the elevated roads; be it therefore

Resolved, That the Legislature of this State be and is hereby earnestly requested to pass the bill now pending providing for a uniform fare of five cents, and to furnish seats to all passengers, during all hours of the day, for any distance, on the elevated railroads in this city, and the members of the Legislature from this city are hereby specially requested to use every honorable means to secure the passage of said bill; and be it further

Resolved, That a copy of the foregoing preamble and resolution be transmitted by the Clerk of this Board to the President of the Senate, the Speaker of the Assembly, and to each representative from this city in the State Legislature.

Adopted by the Board of Aldermen, April 4, 1882.

Received from his Honor the Mayor, April 10, 1882, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Resolved, That gas-mains be laid, lamp-posts erected, and street-lamps lighted in Fordham Landing road, from the Fordham Heights Depot of the New York and Northern Railroad to Jerome avenue, under the direction of the Commissioner of Public Works.

Adopted by the Board of Aldermen, March 28, 1882.

Approved by the Mayor, April 11, 1882.

Resolved, That permission be and the same is hereby given to Hamblen & Knowland to place and keep a storm-door at the entrance to No. 75 Chambers street; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, April 4, 1882.

Approved by the Mayor, April 11, 1882.

BIDS OR ESTIMATES, INCLOSED IN A SEALED envelope, with the title of the work and the name of the bidder indorsed thereon, will be received at this office until Wednesday, April 19, 1882, at 12 o'clock M., at which hour and place they will be publicly opened by the Head of the Department and read, for the following: No. 1. REGULATING AND GRADING Eighty-seventh street, from the west curb of Tenth avenue to the east curb of the Boulevard, and setting curb-stones and flagging sidewalks therein.

- No. 2. REGULATING AND GRADING One Hundred and Fifth street, from the west curb of Third avenue to the east curb of Fourth avenue, and setting curb-stones and flagging sidewalks therein. No. 3. REGULATING AND GRADING First avenue, from the north curb of Ninety-second street to the south curb of One Hundred and Ninth street, and setting curb-stones and flagging sidewalks therein. No. 4. SEWER in Front street, between Old slip and Cuyler's alley. No. 5. SEWER in Ninety-fourth street, between Ninth and Tenth avenues. No. 6. SEWER in One Hundred and Twelfth street, between Seventh and Eighth avenues. No. 7. SEWERS in One Hundred and Twentieth street, between Fifth and Sixth avenues; in One Hundred and Twenty-first and One Hundred and Twenty-second streets, between Mount Morris and Sixth avenues; and in Mount Morris avenue, between One Hundred and Twentieth and One Hundred and Twenty-second streets. No. 8. SEWER in Tenth avenue, east side, between Twenty-fourth and Twenty-fifth streets. No. 9. SEWERS in West End avenue, formerly Eleventh avenue, between Seventy-sixth and Eighty-ninth streets; and in Eightieth street, between Boulevard and Riverside avenue.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Blank forms of bid or estimate, the proper envelope in which to inclose the same, the specifications and agreements, and further information desired, can be obtained for each class of work at the following offices: For Regulating and Grading, Room 5; Sewers, Room 8—No. 31 Chambers street. The Commissioner of Public Works reserves the right to reject any or all proposals, if, in his judgment, the same may be for the best interests of the city. HUBERT O. TERMS AND CONDITIONS OF THE SALE.

The Department will make, either prior to the commencement of the term of lease, in each case, or as soon thereafter as practicable, such repairs to any of the above-named premises, in the judgment of the Commissioners, needing them, as they may consider necessary to place the premises in suitable condition for service during the term for which leases are to be sold (except that no repairs will be made to any of the above-named premises where it shall be announced by the Auctioneer, at the time of the sale, that they will not be repaired by the Department); but all the premises must be taken in the condition in which they may be on the date of commencement of said terms, respectively; and no claim that the property is not in suitable condition at the commencement of the lease, will be allowed by the Department; and all repairs and rebuilding required and necessary to any of the premises during its term of lease are to be done at the expense and cost of the lessee.

Purchasers will be allowed three months, from date of commencement of their leases, in which to notify the Department that dredging is required at the premises leased; and the Commissioners guarantee to do all possible dredging, as soon after being notified of the necessity thereof, as the work of the Department will permit, (except that no dredging will be done at any of the above-named premises where it shall be announced by the Auctioneer, at the time of the sale, that they will not be dredged by the Department); but in no case will the Department dredge where a depth of ten feet at mean low water already exists, nor after that depth shall have been obtained by dredging. All dredging required at any of the above-named premises, of which the purchaser of the lease therefor shall neglect or omit to notify the Department during the first three months of the term of the lease, and all dredging necessary during the remainder of such term, is to be done at the expense and cost of the lessee.

No claim will be received or considered by the Department for loss of wharfage or otherwise, consequent upon any delay in doing the work of repairing or dredging, or consequent upon the premises being occupied for repairing or dredging purposes.

The upset price for each of the above-named premises will be fixed by the Department of Docks, and announced by the Auctioneer at the time of the sale. Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of annual rent bid, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease, when executed, or will be forfeited, if the purchaser neglects or refuses to execute the lease and bond within five days after being duly notified that the lease is prepared and ready for signature. The Commissioners reserve the right to resell the leases bid off by those failing to comply with these terms; the party so failing to be liable to the Corporation for any deficiency which may result from such resale.

Lessees will be required to pay their rent quarterly, in advance, in compliance with a stipulation therefor in the form of lease adopted by the Department. Two sureties, each a freeholder and householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under each lease, to enter into a bond, jointly with the lessee, in the sum of an amount double the annual rent, for the faithful performance of all the covenants of the lease; and each purchaser will be required to submit, at the time of the sale, the names and addresses of his proposed sureties.

Each purchaser will be required to agree that he will, upon being notified so to do, execute a lease prepared upon the printed form adopted by the Department, which can be seen upon application to the Secretary, at the office, 119 Duane street. No person will be received as lessee or surety who is delinquent on any former lease from the Corporation; and no bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

JOHN R. VOORHIS, JACOB VANDERPOEL, WILLIAM LAIMBEER, Commissioners of the Department of Docks.

The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, and Hardware," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time, at such time and in such quantities as may be directed by the said Department; but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said book until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested. Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
