**JURORS.**  
NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS, ROOM 127, STEWART BUILDING, CHAMBERS STREET AND BROADWAY, NEW YORK, JUNE 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons who are liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc. etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper, or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY, Commissioner of Jurors.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The amount in each case to be certified upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householdholder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons to whom he consents to become surety. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until the successful bidder has been notified. Such check or money must not be considered as having been advanced to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages, in case he neglects or refuses, but he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded by a certified check upon one of the banks of the City of New York, draw to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract, and he neglects or refuses to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages, in case he neglects or refuses, but he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

**THE CHIEF ENGINEER OF THE CROTON AQUEDUCT** reports to me to-day that during the past twenty days the water in the city reservoirs has gone down three feet three inches, or 38,000 gallons, showing that this amount of water was used and wasted over and above the supply received through the Croton Aqueduct and the Bronx river conduit. The Department has no means to stop this waste of water, which is caused by consumers keeping faucets open day and night to prevent freezing in the service-pipes, and can only make this most urgent appeal to them to stop it, and notify them that unless it is stopped, the pressure in the water-mains will be much reduced than in a few days the water will not rise to the basements and cellars in thousands of buildings.

**ESTIMATES INCLOSED IN SEALED ENVELOPES,** and indorsed with the name and address of the person or persons making the same, and the date of presentation, and a statement of the work to which they relate, will be received at the office of the Department of Street Cleaning, Nos. 31 and 32 Park Row, in the City of New York, until 12 o'clock M., on Wednesday, the 21st day of April, 1886, at which time and place the estimates will be publicly opened and read for the cleaning of streets, for the removal of snow and ice therefrom, and for the collection of ashes, garbage, and street sweepings, and the removal of the same in the Second Street-Cleaning District of the City of New York, to be performed during the first year of the contract, from the 1st day of May, 1886, until the 30th day of April, 1889, both days inclusive, in pursuance of authority conferred by chapter 367, Laws of 1881, upon the Commissioner of Street Cleaning to make and execute special contracts.

The First Street-Cleaning District of the City of New York hereby designated by the Commissioner of Street Cleaning pursuant to law, consists of all that portion of the City of New York bounded on the north by the street known as Fourteenth street, from Broadway westerly to the North or Hudson river; on the easterly side by the westerly line of Broadway, from Fourteenth street to Battery place; on the southerly side by the easterly line of Battery place, from Broadway to the North or Hudson river, and on the westerly side by the North or Hudson river, from Battery place to Fourteenth street.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute such contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect to do so, he or they will be considered as having abandoned such contract, and as in default to the corporation, whereupon the Commissioner of Street Cleaning will either make another selection from the bids or estimates submitted, or readvertise and relet the work.

If the person or persons to whom the contract may be awarded, shall neglect or delay to commence the work or any portion thereof, on the 1st day of May, 1886, the Commissioner of Street Cleaning will perform the work or any portion thereof for such period of neglect or delay, and charge the whole expense of the same against the said person or persons.

Bidders are required to state in their estimates, under oath, their names and places of residence, the names of all persons interested with them therein, and if no other person is so interested, they shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a Department, chief of a bureau, deputy thereof, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each estimate shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, or a guarantee company incorporated under the laws of the State of New York, as shall be satisfactory to the Comptroller, to the effect that, if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound and responsible for its faithful performance, in the amount of FIFTY THOUSAND DOLLARS; and that, if he or they shall omit or refuse to execute the same, they will pay to the Mayor, Aldermen and Commonalty of the City of New York, any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent here above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller.

The person or persons to whom the contract may be awarded, shall deposit with the Comptroller of the City of New York, on or before the execution of the contract or agreement, EIGHT THOUSAND DOLLARS, in cash or securities approved and accepted by the said Comptroller, as an additional security for the faithful performance of all the terms and conditions of the contract or agreement, and as a fund to be drawn upon by the Commissioner of Street Cleaning, to pay for any expense that may be incurred under the contract or agreement by the said Commissioner, or by the Mayor, Aldermen and Commonalty of the City of New York, by reason of the failure of the party or parties to whom the contract may be awarded, to faithfully comply with the terms and conditions of the contract.

Bidders will state a price per annum for doing the work. The price must be written in the bid or estimate and also stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all bids, or to select the one he deems to be the most efficient performance of the work. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each estimate must be accompanied by a certified check on a solvent banking corporation in the City of New York payable to the order of the Comptroller of the City of New York, for five per cent. of the amount bid for the performance of all the work required by said contract to be done in any one year. On the acceptance of any bid, the check of the accepted bidder will be returned to him, and upon the execution of the contract the check of the accepted bidder will be returned to him.

Any contract made by the Commissioner of Street Cleaning may be terminated on ten days' notice by the said Commissioner, with the approval of the Mayor.

All bids must be made in the form of a contract, and the requirements thereof on file at the Department of Street Cleaning, or they will be rejected.

Blank forms of specifications and proposals may be obtained at the Department of Street Cleaning, 31 and 32 Park Row, New York City, on or after Monday, March 22, 1886.

Dated March 15, 1886.
