AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their office, No. 209 Stewart Building, on Wednesday, May 19, 1886, at 3 o'clock P. M.

A certified copy of the Act, chapter 337 of the Laws of 1886, amending chapter 490 of the Laws of 1883, having been received from the Secretary of State, and filed in this office, and Messrs. Oliver W. Barnes, Edgar L. Ridgeway, and Hamilton Fish, Jr., the Commissioners appointed under and by virtue of said act, having previously presented their commissions, and filed with the Secretary certified copies of their official oath, those gentlemen were in attendance.

The meeting was called to order by Vice-President Dowd, who presided.

Upon call of the roll there were present:

Commissioner of Public Works, Commissioners Spencer, Dowd, Baldwin, Barnes, Ridgeway and Fish.

Also, Chief Engineer Church, and Chief Engineer Birdsall and Consulting Engineer Adams of the Department of Public Works.

The Secretary was directed to engross the above Amending Act upon the minutes of this Commission.

The minutes of the stated meeting of the 12th instant, were read, amended, and then approved. The Committee of Finance and Audit reported their examination and audit of bills included in Vouchers Nos. 1710 to 1733, and Commissioner Baldwin moved that the said vouchers be approved and certified to the Comptroller for payment.

The motion was adopted by the affirmative votes of the Commissioner of Public Works and Commissioners Spencer, Dowd and Baldwin—the other Commissioners not voting.

The Committee recommended the adoption of the following resolution, viz.:

Resolved, That this Committee recommend to the Commissioners that the sum of two thousand dollars be appropriated for the payment of the stenographer reporting the proceedings of the Board of Examining Engineers created by resolution of the Commissioners on March 16, 1886, and for the traveling and other contingent expenses of the said engineers.

On motion of Commissioner Dowd the resolution was adopted.

The Chairman of the Committee on Construction asked consideration of the matters referred to in the report of that Committee on the 5th instant, and of the maps and plans showing the additional lands to be taken at or near Shafts 25, 26 and 27 on Section 12, and of additional rights to be acquired upon some of the lands on the line of Convent avenue, between One Hundred and Thirty-fifth and One Hundred and Forty-fifth streets, on Section 14 of the New Aqueduct.

The maps and plans were submitted to and examined by the Commissioners, and the following resolutions were then offered by Commissioner Spencer:

Whereas, In the construction of the New Aqueduct, from the Harlem river to One Hundred and Thirty-fifth street and Convent avenue, other and additional land will be required than appears upon six similar maps adopted by the Aqueduct Commissioners on the 17th of June, 1885, in regard to that portion of the New Aqueduct, namely: at and about Section Twelve (12) and Shafts Nos. 25 and 26, as appears from maps and plans presented by the Commissioner of Public Works; and

Whereas, Since the aforesaid six similar maps were adopted, it has been ascertained that the City has not acquired sufficient rights upon the route of the New Aqueduct, between One Hundred and Thirty-fifth and One Hundred and Forty-fifth streets, upon the line of Convent avenue; now, therefore be it

Resolved, That the Counsel to the Corporation be and he is hereby requested and directed to apply to the Supreme Court of the Second Judicial District, to amend the special proceedings heretofore instituted and consummated, in regard to taking lands for the New Aqueduct on the aforesaid portion of the route of the same, and to cause the other and additional land and property described by the maps prepared and submitted by the Commissioner of Public Works and the Aqueduct Commissioners to said Counsel to the Corporation, and by him to said Supreme Court. The additional and other land and property required at and about section twelve, and shafts Nos. 25 and 26, and appearing on said maps, consists substantially of the following land: An additional parcel of land adjoining, upon the south, the parcel of land between the Harlem river and the Tenth avenue, designated upon the aforesaid six similar maps as "Parcel No. 6"; and also for a strip of land between the last named parcel and the property of the City of New York upon the south, known as High Bridge Park; also for the parcel of land on Tenth avenue upon which is now located the plant for sinking Shaft No. 27; also for the acquirement of the fee in all the lands between One Hundred and Thirty-fifth and One Hundred and Forty-fifth streets, upon the line of Convent avenue, shown upon said six similar maps, of which a fee has not heretofore been acquired.

On motion of Commissioner Spencer, seconded by Commissioner Baldwin, these resolutions were adopted by the affirmative votes of the Commissioner of Public Works, and Commissioners Spencer, Dowd, and Baldwin; the other Commissioners not voting, and the Secretary was directed to transmit a copy thereof to the Counsel to the Corporation, together with the certified copies of the maps required for amending said proceedings.

The Comptroller, under date of May 15th, gave notice of the issue of warrants for vouchers not certified by the Aqueduct Commissioners and appertaining to the work of the Commissioners of Appraisal, for

On motion of Commissioner Spencer, the Secretary was directed to submit said communication to the Counsel to the Corporation, together with copies of all papers heretofore presented in reference to said claim, and to report what action, if any, said Counsel advises the Commissioners to take in the premises.

Another communication, dated May 14, was received from Mr. Morris, as counsel for Mrs. Janet Sanford, withdrawing from the further consideration of this Commission her application for the taking, in fee, by the City, of the remaining parcel of land owned by her adjoining Shaft Site No. 19, in the City of Yonkers.

The communication was read, and ordered placed upon file, and the Committee of Finance and Audit discharged from further consideration of the matter.

A letter of this date was received from Messrs. O'Brien & Clark and Heman Clark, contractors, requesting that, for the purpose of facilitating the work upon the New Aqueduct, the Commissioners would obtain permission from the Department of Public Works to string a telephone wire on the poles now upon the line of the old Croton aqueduct, from High Bridge to South Yonkers.

Upon motion of Commissioner Barnes this request was approved by the Commissioners, and the Secretary authorized to make the application to the Commissioner of Public Works.

Commissioner Ridgeway then offered the following resolution:

Resolved, That Commissioners Spencer, Squire, Barnes, Fish, and Ridgeway constitute the Committee on Construction.

Commissioner Baldwin moved, as an amendment to the above resolution, that the Committee on Construction be composed of its present members, and two others to be selected by the Commissioners from the members lately appointed.

The motion was lost by the following vote :

In the affirmative, Commissioners Spencer, Dowd and Baldwin.

In the negative, Commissioners Squire, Barnes, Ridgeway and Fish.

The original resolution was then adopted, Commissioner Baldwin voting in the negative, and Commissioners Spencer and Dowd not voting.

The above-named Amending Act having retired from this Commission the Mayor and the Comptroller, Commissioner Baldwin nominated Commissioner Spencer for President of the Commission, vice the Mayor, and he was elected unanimously.

Commissioner Ridgeway was then nominated, and unanimously elected to fill the vacancy in the Committee of Finance and Audit, caused by the retirement of the Comptroller.

The Commissioners went into Executive Council, to receive a communication from Mr. Duncan D. McBean, and after hearing and referring the same to the Committee on Construction, they adjourned.

That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer

of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates. Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications and showing the manner of payment, can be obtained at the office of the Department.

JURORS.
NOTICE
 IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
 ROOM 127, STEWART BUILDING,
 CHAMBERS STREET AND BROADWAY,
 NEW YORK, JUNE 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given. Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption, if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters. Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,
 Commissioner of Jurors.
