CITY OF NEW YORK—FINANCE DEPARTMENT,
COMPTROLLER'S OFFICE,
June 7, 1886.

To the Honorable the Board of Aldermen of the City of New York:

Section 212 of the New York City Consolidation Act of 1882 provides as follows:
"Section 212. It shall be the duty of the comptroller of said city to prepare and submit to the board of aldermen, at least four weeks before their annual meeting, in each and every year, for the purpose of imposing the annual taxes, a statement setting forth the amounts by law authorized to be raised by tax in that year on account of the corporation of the city of New York, or for city purposes within said city, and also an estimate of the probable amount of receipts into the city treasury during the then current year, from all the sources of revenue of said general fund, including surplus revenues from the sinking fund available in accordance with law, other than the surplus revenues of the sinking fund for the payment of the city debt; and the said board of aldermen are hereby authorized and directed to deduct the total amount of such estimated receipts from the aggregate amount of all the various sums which by law they are required to order and cause to be raised by tax in said year for the purposes aforesaid, and to cause to be raised by tax only the balance of said aggregate amount, after making such deduction."

Pursuant to the foregoing statute I have prepared and have the honor to submit herewith a statement setting forth the amounts by law authorized to be raised by tax in the year 1886 on account of the City of New York, or for city purposes within said city, to wit:

The Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York, in each department and branch thereof, and of the Board of Education, for the said fiscal year 1886, as adopted by the Board of Estimate and Apportionment on Thursday, December 31, 1885, aggregating the sum of thirty-five million seven hundred and thirty-six thousand three hundred and twenty dollars and fifty-nine cents (\$35,736,320.59), which estimate includes the sums necessary to be raised by tax to pay the principal and interest of all stocks and bonds becoming due and payable by said city within said fiscal year; also the amount fixed and required to be paid as the quota of State tax for the County of New York in said year; and also the amounts required to be raised by tax and paid into the Sinking Fund annually to provide for the payment of the stocks and bonds of the City and County of New York payable by law from taxation and issued after June 3, 1878, pursuant to section 192 of the New York City Consolidation Act of 1882.

From the said aggregate amount of the Final Estimate for the year 1886 is to be deducted the sum of two million two hundred and fifty thousand dollars (\$2,250,000), supplied by the General Fund for the reduction of taxation, the receipts of said fund payable into the City Treasury during the said year 1886, derived from all sources of its revenues available for this object, being estimated at the sum of two million two hundred and fifty-eight thousand nine hundred and fifty-six dollars and sixty-one cents (\$2,258,956.61), as follows:

Board of Estimate and Apportionment, signed by W. R. Grace, Mayor, Edward V. Loew, Comptroller, Adolph L. Sanger, and Michael Coleman.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, July 14, 1886.

To the Honorable the Board of Aldermen:

I have the honor to submit to your Honorable Body a certificate of the amount to be added to and included in the taxes to be raised upon the real and personal estates subject to taxation within the City and County of New York, in the year 1886...

Respectfully, EDWARD V. LOEW, Comptroller.

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, July 14, 1886.

To the Honorable the Board of Aldermen:

I, Edward V. Loew, Comptroller of the City of New York, do hereby certify that, in pursuance of the provisions of chapter 597 of the Laws of 1886, the sum of one hundred and ten thousand dollars (\$110,000) is to be raised by taxation in the year 1886...

Whereas, Chapter 660 of the Laws of 1886 authorizes and empowers the Board of Estimate and Apportionment of the City of New York to revise, by the concurrent vote of all the members thereof, the Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York...

ing for certain objects and purposes specially therein excepted, and bonds were not issued after that date for several objects and purposes which could otherwise have been issued under the authority of existing laws; and

Whereas, It became necessary on account of this restriction upon the issue of bonds for such objects and purposes, to include in the Final Estimate for the year 1886, appropriations therefor, as follows, viz.:

| | |
|--|----------------|
| "The Fund for Local Improvements"..... | \$500,000 00 |
| "Purchasing and Procuring School Sites for and Erecting New School Buildings and for Additions to School Buildings"..... | 894,000 00 |
| "Construction of a Bridge over the Harlem River"..... | 750,000 00 |
| Total..... | \$2,144,000 00 |

And Whereas, The Court of Appeals of the State of New York has decided in the case of The Bank for Savings in the City of New York against the Mayor, etc., April 30, 1886, that the constitutional prohibition upon the issue of bonds and the increase of municipal indebtedness is not now applicable to the City and County of New York, and therefore, bonds may now be issued for such objects and purposes; and

Whereas, The Counsel to the Corporation, in an opinion given to the Comptroller upon the powers conferred upon this Board by chapter 660 of the Laws of 1886, states that—

"If the Fund for Local Improvements should, for any reason, be insufficient to meet all probable claims upon it without using some part of the \$500,000 appropriation, then I advise you that it is competent for the Board of Estimate and Apportionment to revise the Final Estimate for this year by striking therefrom so much of the \$500,000 appropriation as will not be needed for the purpose to which it was appropriated"; and

Whereas, As appears by the report presented by the Comptroller, that he considers it advisable, for the reasons stated, and recommends that the sum of one hundred thousand dollars (\$100,000) be retained out of the appropriation of five hundred thousand dollars (\$500,000) to the Fund for Local Improvements and that the sum of four hundred thousand dollars (\$400,000) be stricken therefrom; and

Whereas, In the opinion of the Counsel to the Corporation the Board of Estimate and Apportionment may also strike out the entire appropriation for the purchase of school sites and the erection of new school buildings, etc., and for the construction of a bridge over the Harlem river; therefore

Resolved, That in pursuance of the provisions of chapter 660 of the Laws of 1886, the Board of Estimate and Apportionment hereby revises, by the concurrent vote of all the members thereof, the Final Estimate of the amounts required to pay the expense of conducting the public business of the City and County of New York, in each department and branch thereof, and of the Board of Education, for the year 1886, by striking therefrom the amounts set against each of the following appropriations, aggregating the sum of two million forty-four thousand dollars (\$2,044,000), viz.:

| | |
|--|----------------|
| From the appropriation for "The Fund for Local Improvement" strike out..... | \$400,000 00 |
| From the appropriation for "Purchasing and Procuring School Sites for and Erecting New School Buildings and for Additions to School Buildings" strike out..... | 894,000 00 |
| From the appropriation for "Construction of a Bridge over the Harlem River," strike out..... | 750,000 00 |
| Total..... | \$2,044,000 00 |

Resolved, That the above sum of two million forty-four thousand dollars (\$2,044,000) be deducted from the Final Estimate of 1886; and

Whereas, On June 9, 1886, the Board of Estimate and Apportionment adopted the following resolution, to wit:

"Resolved, That pursuant to the authority conferred upon the Board of Estimate and Apportionment by chapter 597 of the Laws of 1886, an appropriation be and is hereby made of the sum of one hundred and ten thousand dollars (\$110,000), to be entitled 'Additional Police Fund,' chapter 597, Laws of 1886, said amount to be included in the Final Estimate for the year 1886, for the redemption of the Revenue Bonds to be issued for the payment of the services of three hundred additional Patrolmen, appointed by the Board of Police of the City of New York, under the provisions of said act, and in compliance with a resolution adopted by the Police Board on June 7, 1886, requesting such an appropriation"; therefore

Resolved, That the sum of one hundred and ten thousand dollars (\$110,000) be added to the Final Estimate of 1886.

| | |
|---|-----------------|
| Total appropriations of the Final Estimate of 1886..... | \$35,736,320 59 |
| Deduct amount of estimated revenues of the General Fund not otherwise specifically appropriated by law..... | 2,250,000 00 |
| Deduct for amounts revised and stricken from appropriations, pursuant to chapter 660 of the Laws of 1886..... | 33,486,320 59 |
| Add for amount of appropriation made pursuant to chapter 597 of the Laws of 1886..... | 110,000 00 |

WHEREAS, IN THE PROGRESS OF THE work upon the New Croton Aqueduct, it has become apparent to the Aqueduct Commissioners that the best interests of the city requires that for the proper construction, future protection, and maintenance of the said Aqueduct the city should acquire the FEE SIMPLE in lieu of the easements heretofore acquired through the lands upon the line of the New Croton Aqueduct, between One Hundred and Forty-fifth street and Convent avenue, and between One Hundred and Fifty-second street and Tenth avenue; and that the fee simple of the adjacent parcel, composing the city lot through which said portion of the Aqueduct passes should also be acquired; now therefore, in accordance with the requirements of chapter 490 of the Laws of 1883, of the State of New York, public notice is hereby given to all persons interested that a full opportunity will be afforded them to be heard in relation to the plans now under consideration by the Aqueduct Commissioners for the acquisition of the fee simple in lieu of the easement heretofore acquired in the lands upon the line of the New Croton Aqueduct, between One Hundred and Forty-fifth street and Convent avenue, and between One Hundred and Fifty-second street and Tenth avenue; and also for acquiring the title to the parcel composing the city lot through which said portion of the Aqueduct passes; the said public hearing to be at the above-named office of the Aqueduct Commissioners on Friday, the 1st day of October, 1886, at 10 o'clock A. DEPARTMENT OF PUBLIC PARKS

DEPARTMENT OF PUBLIC PARKS, NOS. 27 AND 29 READE ST., NEW YORK, September 16, 1886.

TO CONTRACTORS.

SEALED BIDS OR ESTIMATES FOR EACH OF the following-mentioned works, with the title of the work and the name of the bidder indorsed thereon, also the number of the work as in the advertisement, will be received by the Department of Public Parks, at its offices, Nos. 27 and 29 Reade street, until 11 o'clock A. M., on Wednesday, September 29, 1886:

- No. 1. For Flagging the Sidewalks a space four feet wide, and Setting Curbstones and Laying Gutterstones in Forest (formerly Concord) avenue, between Westchester avenue and Home street.
No. 2. For Paving with Granite-block Pavement the Roadway of East One Hundred and Fiftieth street, from Mott avenue to Walton avenue, and Laying Crosswalks at the terminating avenues.

Special notice is given that the works must be bid for separately, that is, both works must not be included in the same estimate or envelope. The nature and extent of each of the works, as near as it is possible to state them, in advance, is as follows:

NUMBER 1, ABOVE MENTIONED. 7,860 linear feet of new curbstone finished and set. 7,930 linear feet of new gutter-stone furnished and laid. 30,000 square feet of new flagging furnished and laid. Also, the time required for the completion of the whole work, which will be tested at the rate of \$3 per day.

NUMBER 2, ABOVE MENTIONED. 885 square yards of new granite-block pavement. 200 square feet of new bridge-stones for crosswalks.

Also, the time required for the completion of the whole work, which will be tested at the rate of \$3.50 per day. As the above-mentioned quantities, though stated with as much accuracy as is possible in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received. 1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing statement, and shall not at any time after the submission of an estimate dispute or complain of such statement nor assert that there was any misunderstanding in regard to the depth of the excavation to be made or the nature or amount of the work to be done. 2. Bidders will be required to complete the entire work to the satisfaction of the Department of Public Parks, and in substantial accordance with the specifications for the work and the plans therein referred to. No extra compensation beyond the amount payable for the several classes of work before enumerated, which shall be actually performed at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The person making any bid or estimate must furnish the same inclosed in a sealed envelope, to the head of said Department, at his office, on or before the day and hour above mentioned.

The envelope must be indorsed with the name or names of the person presenting the same, the date of its presentation, and a statement of the work to which it relates.

The estimates received will be publicly opened by the head of the said Department at the place and hour last above mentioned and read.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent in writing of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Plans may be examined and specifications and blank estimates may be obtained by application to the undersigned, at his office in the Central Department.

estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; and also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance, in the sum of three thousand and five hundred (3,500) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as a surety in good faith

and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of one hundred and seventy-five (175) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.
