BOARD OF ARMORY COMMISSIONERS.

MAYOR'S OFFICE, CITY HALL,
NEW YORK CITY, September 29, 1887.

A meeting of the Armory Board was held this day, at 2 P. M., at the office of his Honor Mayor Hewitt.

Present—Acting Mayor H. R. Beekman, The President of the Department of Taxes and Assessments, the Commissioner of the Public Works Department, and Brigadier-General Louis Fitzgerald.

No bids were received for the iron work of the Eighth Regiment Armory as advertised for. The Board decided to reject the bids of Moran & Armstrong, of Thomas Overington, of George Cody and of Baker, Smith & Co. for work on the same building, and the Secretary was directed to so notify the Comptroller, that their deposits may be returned to them.

The construction of the armory was then referred to the Committee on Plans to revise the plans and specification, and if possible reduce the expense of the building so as to come within the limit of the appropriation.

A communication was received and read from the Corporation Counsel, and ordered on file:

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, September 24, 1887.

Hon. MICHAEL COLEMAN, Secretary of the Armory Board:

SIR—I have received your letter of the 17th instant, enclosing the resolution of your Board asking my opinion whether "under the law this Board must supply each regiment of the N. G. S. N. Y. in this city, with an armory, or whether there is any lawful impediment to assigning more than one regiment to an armory."

1. The power of the Armory Board is derived from the amendment to section 62 of the Military Code, embodied in chapter 487 of the Laws of 1886, as follows:

"In the City and County of New York the demands of commandants of regiments, battalions, batteries or troops for suitable armories, or for alterations, enlargements and furnishing of armories, as hereinbefore provided, shall be made to a board hereby created, consisting of the Mayor, the two senior ranking officers of the National Guard in said city and county, the President of the Department of Taxes and Assessments and the Commissioner of Public Works, who shall consider such applications, and if they approve shall make their recommendations to the Commissioners of the Sinking Fund, who, if they concur in such recommendations, shall specify the sums to be appropriated for such purchase, rental, erection, enlargement, alteration or furnishing of armories, including suitable accommodations for division and brigade headquarters, which sum shall be inserted by the Comptroller in his departmental estimate."

It follows, therefore, that the power to approve or disapprove the demand of commandants of regiments is vested in your Board, and it is authorized to exercise a legal discretion in relation thereto.

2. I find nothing in the Military Code, or in the act, chapter 330 of the Laws of 1887, in relation to the acquisition of armory sites, or any other statute, which provides that a separate building must be supplied for each regiment.

I am, therefore, of the opinion that there is no lawful impediment to assign more than one regiment to an armory.

I remain, yours respectfully,

MORGAN J. O'BRIEN, Counsel to the Corporation.

A communication was received and read from Chauncey B. Ripley, Esq., in behalf of the owner of the premises No. 129 West Sixty-first street, adjoining the Twelfth Regiment Armory. Which was referred to the Commissioner of the Public Works Department.

A communication was received from Colonel G. D. Scott, of the Eighth Regiment, enclosing correspondence in relation to cleaning, repairing, calcimining, etc., the armory of that organization:

NEW YORK, September 28, 1887.

M. COLEMAN, Esq., Secretary Armory Board:

SIR—In compliance with instructions from General Newton, Commissioner of Public Works, I directed my Adjutant (J. O. Johnston) to address a letter to W. D. F. Manice, owner of the armory occupied by the Eighth Regiment, asking him to calcimine the drill-rooms, etc., and to put the water-closets in a sanitary condition. I enclose his reply, marked "A," from which you can see we have nothing to expect from him. Under these circumstances, I respectfully appeal to the Armory Board to take immediate action in the matter.

Very respectfully yours, etc.,

GEORGE D. SCOTT, Colonel Eighth Regiment.

"A."

No. 55 WILLIAM ST., NEW YORK, September 23, 1887.

J. O. JOHNSTON, Esq., Adjutant:

DEAR SIR—I have received your communication of the 20th instant, informing me that you are directed by Colonel George D. Scott, commanding Eighth Regiment, and occupying the armory corner Thirty-fifth street and Broadway, to call my attention to certain repairs alleged to be necessary to be done to the building.

In answer, I would say that I have not undertaken, nor am I under any obligation as landlord, to do the repairs mentioned by you, nor have I during the many years the premises have been leased to the City for an armory ever done or been requested to do such repairs, except that I have, in my own interest only, at times caused some repairs to be done to and alterations made in the plumbing.

This was reported to me to be in good order in May last. Recently also I have directed my plumber to make some trifling repairs, and since receiving your communication I have directed him to examine and report to me what repairs, if any, may be needed. Permit me to say that more than ordinary care of the closets is requisite, where they are used by so many. They are properly constructed, and it has heretofore been because of the neglect of such care of them that any repairs have become necessary.

The Military Code, section 62, provides for the repairing of armories, including water-closets, etc.

Yours truly,
W. D. F. MANICE.

The Secretary was directed to write to the owner asking him to attend to the repairs, in conformity with the terms of the lease, and enclose him a list of such repairs, the list to be obtained from Colonel Scott.

The meeting then adjourned.

M. COLEMAN, Secretary.

for the same purpose and in all respects fair and with-
out collusion or fraud; and that no member of the Com-
mon Council, Head of a Department, Chief of a Bureau,
Deputy thereof or Clerk therein, or other officer of the
Corporation is directly or indirectly interested therein,
or in the supplies or other articles to which it relates, or in
any portion of the profits thereof. The bid or estimate must
be verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested, it is requisite that the verification be
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of
business or residence, to the effect that if the contract be
awarded to the person making the estimate, they will,
if being so awarded, become bound as his sureties for his
faithful performance; and that if he shall omit or re-
fuse to execute the same, they shall pay to the Corpora-
tion any difference between the sum to which he would be
entitled on its completion and that which the Corporation
may be obliged to pay to the person or persons to whom
the contract may be awarded. Any subsequent letting,
modification or change of the contract, shall be accompa-
nied by the oath or affirmation, in writing, of each of the persons
so required for the completion of this contract, over and
above all his debts of every nature, and over and above
his liabilities, as bail, surety or otherwise; and that he
will execute the same in good faith and with the in-
tention to execute the bond required by section 12 of
chapter 7 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to him, and that
the person for whom he consents to become surety, the
adequacy and sufficiency of the security offered to be ap-
proved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompa-
nied by either a certified check upon one of the State
or National Banks of the City of New York, drawn to
the order of the Comptroller, or money to the amount of
five per centum of the amount of the contract. Such check
or money must NOT be enclosed in the sealed envelope
containing the estimate, but must be handed to the officer
or clerk of the Department, who has charge of the sealed
envelope, and the estimate can be deposited in said box
until such check or money has been examined by said
officer or clerk and found to be correct. All such deposits,
except that of the successful bidder, will be returned
to the persons making the same, within three days after
the contract is awarded. If the successful bidder shall
refuse or neglect, within five days after notice that the
contract has been awarded to him, to execute the same,
the amount of the deposit made by him shall be forfeited
to and retained by the City of New York, as liquidated
damages for such neglect and refusal. If the successful
bidder fails to execute the contract within the time aforesaid,
the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept, but do not execute the same, or if he or
they refuse to execute the same, or if they shall be con-
sidered as having abandoned it, and as in default to the Corpora-
tion; and the contract will be re-advertised and retold as
provided by law.

The quality of the articles, supplies, goods, wares, and
merchandise must conform in every respect to the sam-
ples of the same on exhibition at the office of the said
Department. Bidders are cautioned to examine the
specifications for particulars of the articles, etc., re-
quired, before making their estimates.

Bidders will state the price for each article, by which
the bids will be tested.
Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders of
the City of New York, with their respective places of
business or residence, to the effect that if the contract
be awarded to the person making the estimate, they will,
if being so awarded, become bound as his sureties for his
faithful performance, in the sum of eight thousand five
hundred 8,500 dollars; and that if he shall omit or refuse
to execute the same, they will pay to the Corporation any
difference between the sum to which he would be entitled
on its completion, and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded. Any subsequent letting, modifica-
tion or change of the contract, shall be accompanied by the
oath or affirmation, in writing, of each of the persons signing
the same, that he is a householder or freeholder in the City
of New York, and is worth the amount of the security re-
quired for the completion of this contract, over and above
all his debts of every nature, and over and above his li-
abilities as bail, surety or otherwise; and that he has
offered himself as a surety in good faith and with the in-
tention to execute the bond required by law. The ade-
quacy and sufficiency of the security offered is to be
approved by the Comptroller of the City of New York,
before the award is made and prior to the signing of the
contract.

No estimate will be considered unless accompanied by
either a certified check upon one of the National Banks of
the City of New York, drawn to the order of the Comptroller,
or money to the amount of four hundred and
twenty-five (425) dollars. Such check or money must
not be enclosed in the sealed envelope containing
the estimate, but must be handed to the officer or clerk
of the Department who has charge of the Estimate-
box, and no estimate can be deposited in said box
until such check or money has been examined by said
officer or clerk and found to be correct. All such de-
posits, except that of the successful bidder, will be re-
turned to the persons making the same, within three
days after the contract is awarded to him. If the successful
bidder shall refuse or neglect, within five days after
notice that the contract has been awarded to him, to
execute the same, the amount of the deposit made by him
shall be forfeited to and retained by the City of New
York, as liquidated damages for such neglect or refusal,
and the amount of his deposit will be returned to him.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give the
proper security, or he or they shall be considered as having
abandoned it, and as in default to the Corporation, the
contract will be re-advertised and retold, as provided
by law.

 CHAMBERS STREET AND BROADWAY,
 NEW YORK, June 1, 1887.

APPLICATIONS FOR EXEMPTIONS WILL BE
 heard here, from 9 o'clock daily, from all persons
 hitherto liable or recently serving who have become
 exempt, and all needed information will be given.
 Those who have not answered as to their liability, or
 proven permanent exemption, will receive a "juror
 enrollment notice," requiring them to appear before me
 this year. Where liable or not, such notices must be
 answered in person, if possible, and at this office only,
 under severe penalties. If exempt, the party must bring
 proof of exemption; if liable, he must also answer in
 person, giving full and correct name, residence, etc., etc.
 No attention paid to letters.

Persons "enrolled" as liable must serve when called
 or pay their fines. No mere excuse will be allowed or
 interference permitted. Those who fail to appear will be
 entered as judgments upon the property of the delinquents.
 All good citizens will aid the course of justice, and
 secure reliable and respectable juries, and equalizing their
 lists by serving promptly when summoned, and by
 their clerks or subordinates to serve, reporting to me any
 attempt at bribery or evasion, and suggesting names for
 enrollment. Persons not exempted and not summoned
 are summer assessors, persons temporarily ill, and
 United States and District Court jurors are not exempt.
 Every man must attend to his own notice. It is a mis-
 take to attend to one paper to another to answer. It
 is also punishable by fine or imprisonment to give or
 receive any present or bribe, directly or indirectly, in
 relation to a jury service, or to withhold any paper or
 information, or to give false information, or to be
 prosecuted.

CHARLES REILLY,
 Commissioner of Jurors.

PUBLIC NOTICE.

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, No. 31 CHAMBERS STREET, NEW YORK, JUNE 21, 1887.

PUBLIC NOTICE AS TO WATER RATES.

PUBLIC NOTICE IS HEREBY GIVEN THAT in compliance with the provisions of chapter 559, Laws of 1887, amending sections 250 and 271 of the New York City Consolidation Act of 1882, passed June 9, 1887, the following changes are made in charging and collecting water rents:

1st. All extra charges for water incurred from and after June 9, 1887, shall be treated, collected and returned in arrears in the same manner as regular rents have heretofore been treated.

2d. In every building where a water meter or meters are now, or shall hereafter be in use, the charge for water by meter measurement shall be the only charge against such building, or part thereof as is supplied through meter.

3d. The returns of arrears of water rents, including the year 1887, shall be made up before the expiration of the year by the Board of Aldermen, and shall include all charges and penalties of every nature.

4th. A penalty of five dollars (\$5) is hereby established, and will be imposed in each case where the rules and regulations of the Department prohibiting the use of water through hose, or in any other wasteful manner, are violated, and such penalties shall be entered on the books of the Bureau against the respective buildings or property, and, if not collected, be returned in arrears in like manner as other charges for water.

5th. Charges for called extra water rents of every nature, imposed or incurred prior to June 9, 1887, will be canceled of record on the books of the Department.

D. LOEW, Comptroller.

Deputy and Acting Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, No. 31 CHAMBERS STREET, NEW YORK, November 10, 1886.

NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN received by this Department by means of clamoring reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department of the fact, and that unless this requirement is complied with no reductions in extra water rents will be allowed for any portion of one year.

JOHN NEWTON, Commissioner of Public Works.
