If there shall be any buildings upon the site so selected and located when title thereto is acquired by the mayor, aldermen and commonalty of the city of New York as hereinafter provided, the said board of commissioners may direct the commissioner of public works of said city to remove the same either by contract or by the sale thereof or in any other way as in the opinion of the said board of commissioners shall be for the best interests of the city. The proceeds derived from the sale of such buildings or of the material contained therein shall be appropriated to the erection of the building by this act provided for.

§ 4. The said board of commissioners shall have power and are hereby authorized to agree as to the purchase price of the lands and interest therein, selected and located for the erection of said building, or if they shall deem it best so to do, the said board of commissioners are hereby authorized to make application by the counsel to the corporation of said city to a special term of the Supreme Court in and for the first department for the appointment of commissioners of estimate, and the said court shall thereupon name and appoint three discreet and disinterested persons, being citizens of the city of New York, as such commissioners of estimate, for the purpose of performing the duties hereinafter mentioned. Twenty days' notice of such application shall be published in the City Record, and in at least two other public newspapers published in the city of New York. Upon the appointment of such commissioners, they shall severally take and subscribe an oath or affirmation before some officer authorized to administer oaths, faithfully to perform the trust and duties required of them by this act; which oaths shall be annexed to and filed with their report, and it shall be the duty of the commissioners of estimate appointed as herein provided, after having viewed the said lands, tenements, hereditaments and premises, to proceed with all due diligence to make a just and equitable estimate of the loss and damage to the respective owners, lessees, parties and persons respectively entitled to, or interested in the said lands, tenements, hereditaments and premises, and to make report thereon to the said Supreme Court without unnecessary delay. In each and all and every case and cases where the owners or parties interested, or their respective estates and interests are unknown, or not fully known to the said commissioners, it shall be sufficient for them to estimate, and to set forth

and state in their said reports in general terms, the respective sums to be allowed and paid to the owners and proprietors generally of such lands, tenements, hereditaments and premises and parties interested therein, for the loss and damage to such owners, proprietors and parties interested in respect of the whole estate and interest of whomsoever may be entitled unto or interested in said lands, tenements, hereditaments and premises respectively, by and in consequence of the taking the same for the purposes in this act provided, without specifying the names of the estate or interests of such owners, proprietors and parties interested, or either of them; and upon the coming of said report, signed by the said commissioners or a majority of them, the said Supreme Court shall by order, upon the application of the commissioners, after hearing any matter which may be alleged against the same, either confirm the said report in whole or in part, or refer the same back to the same commissioners for revision and correction, or to new commissioners to be appointed by the said court to reconsider the subject-matter thereof, and the said commissioners to whom the said report shall be so referred shall return the said report corrected and revised, or a new report be made by them as aforesaid, in the premises, to the said court without unnecessary delay; and the same on being so returned, shall be confirmed or again referred by the said court as justice shall require; and such report, when confirmed by the said court, shall be final and conclusive as well upon the said mayor, aldermen and commonalty of the city of New York, as upon the owners, lessees, persons and parties interested in and entitled to without any suit or proceeding at law for that purpose, and all leases and other contracts in regard to said land or any part thereof and all covenants, contracts or engagements between landlord and tenant, or any other contracting parties shall upon the confirmation of such report, respectively cease and determine and be absolutely discharged according to law. The said mayor, aldermen and commonalty of the city of New York shall, within four calendar months after the confirmation of said report pay to the parties entitled thereto the respective sum or sums so estimated and reported in their favor respectively, and in default thereof said person or parties respectively, his, her or their respective heirs, executors, administrators, successors or assigns may sue for and recover the same, with lawful interest from and after demand therefor, and the cost of suit.

§ 5. Whenever the owners and proprietors of any interest in the lands, tenements, hereditaments and premises to be taken for the purposes aforesaid, or the party or parties, person or persons interested therein, or any or either of them, the said owners, proprietors, parties or persons in whose favor any such sum or sums or compensation shall be so reported, shall be under the age of twenty-one years, non compos mentis, feme covert, or absent from the city of New York; and also in all cases where the name or names of the owner or owners, parties or persons entitled unto or interested in any lands, tenements, hereditaments or premises, that may be so taken for any of the purposes aforesaid, shall not be set forth or mentioned in the said report; or where the said owners, parties or persons, respectively, being named therein, cannot, upon diligent inquiry be found, it shall be lawful for the said mayor, aldermen and commonalty to pay the sum or sums mentioned in said report, payable or that would be coming to such owners, proprietors, parties and persons respectively, into the Supreme Court, to be secured, disposed of, improved and paid out, as the court sitting at general term for said district shall direct; and such payment shall be as valid and effectual in all respects as if made to the said owners, proprietors, parties and persons respectively themselves, according to their just rights, if they had been known and had all been present, of full age, discover and compos mentis; and provided, also, that in all and each and every case and cases where any such sum or sums or compensation, so to be reported by the said commissioner in favor of any person or persons, party or parties whatsoever, when the same shall of right belong and ought to have been paid to some other person or persons, party or parties, it shall be lawful for the person or persons, or party or parties to whom the same ought to have been paid, to sue for and recover the same, with lawful interest and costs of suit, or as so much money had and received to his, her or their use by the person or persons, party or parties respectively, to whom the same shall have been so paid. The said commissioners shall include and set forth in their said report the names of the respective owners, lessees, parties and persons entitled unto or interested in the said report, and each and every part and parcel thereof, as far forth as the same shall be ascertained by them, and add a sufficient designation and description of such respective interests aforesaid, and also the several and respective sums estimated as and for the compensation and recompense or allowance, to be made for the loss and damage of the respective owners of an interest in said lands, tenements and premises respectively, and for the loss and damage of the respective owners of the leasehold estate, or their interests therein separately. And the said commissioners shall also include in said report the amount of their fees and all costs and disbursements for expenses for services, maps and other things.

§ 6. The said board of commissioners shall advertise for the submission to them of plans and specifications for said building. Such advertisement shall be inserted once in each week for three successive weeks in the City Record and in not less than two other newspapers printed in the city of New York, and the said board of commissioners may in its discretion offer reasonable prizes for such plans and specifications not exceeding five in number, as shall, in the judgment of said board of commissioners, be the best plans and specifications so submitted to them. When the said board of commissioners shall have selected and approved a plan or plans and the specifications for said building, and shall decide to proceed with the work or any part thereof, they may direct that said work shall be executed. The said board of commissioners shall publicly advertise for proposals for the erection in whole or in part of such building, and for the doing of all work and the supply of all materials necessary for the completion and furnishing of the same for use and occupation. The forms of all contracts for which proposals are so invited shall first be approved by said board of commissioners before advertisement thereof, and the work of erecting, completing and furnishing for occupancy said building may be distributed into as many different contracts as in the opinion of said board of commissioners will best promote the public interests. Such advertisements shall be inserted in the City Record, and in at least three of the public newspapers of the city of New York, to be selected by the said board of commissioners and shall be continued therein for at least ten consecutive days. All bids or proposals received in response to said advertisements shall be publicly opened at a meeting of the said board of commissioners, and they shall award each contract for which bids and proposals have been so advertised for as aforesaid, to the lowest bidder thereof, or they may reject all of such bids, and readvertise for bids and proposals, and may reject all bids and readvertise as often as they may deem it to be for the best interests of the city so to do. The terms of all such contracts shall be settled by the counsel to the corporation as an act of preliminary specification to the bid or proposal. Said contract or contracts, when awarded, shall be executed by the commissioner of public works of said city under the direction of the aforesaid board of commissioners in behalf of the mayor, aldermen and commonalty of the city of New York. The said board of commissioners are hereby authorized and empowered by the concurrent action of all the members thereof, and with the consent in writing of the contractor and his sureties, to alter the plan of said building, and the terms and specifications of any contract entered into by authority of this act; provided that such alteration shall in no case involve or require an increased expense greater than five per centum of the whole expenditure provided for in said contract.

§ 7. Each bidder to whom a contract is awarded as hereinbefore provided, must give security for the faithful performance of his contract, in such sum as shall be prescribed by the said board of commissioners, and in the manner prescribed by the ordinances of the common council of said city, applicable to similar works, and the adequacy and sufficiency of this security shall, in addition to this justification and acknowledgment be approved by the Comptroller. If the lowest bidder for any contract shall neglect or refuse to accept the contract within five days after notice that the contract has been awarded to his bid or proposal, or if he accepts but does not execute the contract and give the proper security, the said contractor shall forfeit the money deposited by him at the time of making his bid as hereinafter provided, and the said contract shall be readvertised and relet as hereinbefore provided. No bid shall be accepted from, or contract awarded to, any person who is in arrears to the corporation upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the corporation. Every bidder as a condition precedent to the reception or consideration of his proposal shall deposit with the comptroller a certified check, drawn to the order of said comptroller upon one of the State or National banks of said city, or money (such check or money to accompany the proposal) to such an amount, not exceeding five per centum of the amount of the required security for the faithful performance of the contract bidden for, as the aforesaid board of commissioners shall determine and prescribe. Within three days after the decision as to who is the lowest bidder, the comptroller shall return all deposits made to the person making the same,

except the deposit made by the lowest bidder, and if the said lowest bidder shall refuse or neglect within five days after notice that the contract has been awarded, to execute the same and give the proper security, the amount of deposit made by him shall be forfeited to and retained by the said city as liquidated damages for such neglect or refusal, and thereafter be appropriated to and expended in the erection of the building herein provided for, but if the said lowest bidder shall execute the contract and give the proper security within the time aforesaid, the amount of his deposit shall be returned to him.

§ 8. The said contracts, when executed, shall be carried out according to their terms under the direction and supervision of the commissioner of public works. In case any work shall be abandoned by any contractor, or if the said work or any part thereof shall, in the opinion of the commissioner of public works, be by the said contractor unnecessarily delayed, or if the said contractor shall, in the opinion of the said commissioner, willfully violate any of the provisions of this contract, or execute the same in bad faith so that said work is not being done or progressing according to the terms of said contract, and the said commissioner of public works shall so certify in writing to the said board of commissioners, notice shall be given by said board of commissioners to the sureties of said contractor, and if said sureties shall fail to continue the performance of the work according to the terms of said contract, the said commissioner of public works shall notify said contractor to discontinue such work, or such part thereof, and the said commissioner of public works shall thereupon, with the consent and approval of the said board of commissioners, and not otherwise, have power to place such and so many persons as he may deem advisable, by contract or otherwise, to work at and complete the said work, or any part thereof, or so much of said work, or such part thereof as the said board of commissioners shall direct, and the said contractor and his sureties so failing to perform said contract shall be jointly and severally liable to the mayor, aldermen and commonalty of the city of New York, for any and all loss or damage caused by their failure to complete the contract entered into by them as contractor and surety.

§ 9. For all expenses to be incurred under the authority of this act, including the damages awarded upon the acquisition of land and estates therein and the extinguishment of interests therein, the said board of commissioners are hereby authorized to require the Comptroller to issue bonds or stocks of the mayor, aldermen and commonalty of the city of New York, from time to time and to be payable from taxation and redeemable in not less than ten nor more than twenty years from the date of issue, in such amounts as shall be necessary to carry out the purposes of this act, and the mayor and comptroller are hereby authorized and directed to sign said bonds, and it shall be the duty of the clerk of the common council of said city to countersign the same and affix thereto the seal of the city. Said bonds shall bear interest at a rate not exceeding four per cent. per annum, and shall not be disposed of at less than the par value thereof; and of the proceeds of said bonds there shall be paid from time to time upon the requisition of the said board of commissioners, the amount by them from time to time certified to be due for any of the purposes in this act provided.

§ 10. This act shall take effect immediately.

The following resolution was offered by the Mayor :

Resolved, That the act constituting this Commission be referred to the Counsel to the Corporation for his opinion whether the statute is mandatory, or discretionary with it to provide for the erection of the building therein specified, and, if mandatory, whether the Commission is bound to proceed within any given time.

Which was unanimously adopted.

Upon motion of the Comptroller, it was ordered that the proceedings of the Board be published in full in the CITY RECORD, and printed in pamphlet form.

Adjourned, to meet at the call of the Chairman.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and whose exemption information will be given to them. These who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered in person, if possible, and at this office only under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters. Persons "enrolled" as liable must serve when fled or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents. All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS, Pier "A," NORTH RIVER, TO CONTRACTORS. (No. 278.)

PROPOSALS FOR ESTIMATES FOR DREDGING AT PIER 61 AND AT THE BULKHEAD ADJOINING THE NORTH SIDE OF PIER 61, ON THE EAST RIVER. ESTIMATES FOR DREDGING AT PIER 61 and at the bulkhead adjoining the north side of Pier 61, on the East river, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North River, in the City of New York, until 12 o'clock M. of FRIDAY, JULY 13, 1888, at which time and place the estimates will be publicly opened by the heads of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids. Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates. The bidder to whom the award is made shall give security for the faithful performance of the contract in the manner prescribed and required by ordinance, in the sum of Eight Hundred and Fifty Dollars. The Engineer's estimate of the quantities of material necessary to be dredged in order to secure at each of the premises mentioned the depth of water set opposite thereto in the specifications, is as follows:

Table with 3 columns: CLASS I—MUD, Cubic yards. Pier 61, East river (north side) 6,000; 55 feet of bulkhead, adjoining north side of Pier 61, East river 800; Total 6,800.

Table with 3 columns: CLASS II—HARD MUD, GRAVEL, ETC., Cubic yards. Pier 61, East river, north side 2,000; Total 2,000.

N. B.—Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every contract awarded: 1st. Bidders must satisfy themselves, by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done. 2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor per cubic yard, in each class, to be specified by the lowest bidder, shall be due or payable for the entire work. The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the fourth day of September, 1888, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof, are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day. All the material excavated is to be removed by the contractor, and deposited in all respects according to law. Bidders will state in their estimates a price per cubic yard, in each class, for doing such dredging in conformity with the approved form of agreement and the specifications thereof set forth, by which the bids will be tested. These prices are to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay from any cause, in the performing of the work thereunder. Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing each class of this work. The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract.

within five days from the date of the service of a notice to that effect; and in case of failure or neglect to do so, he or they will be considered as having abandoned it, and as in default of the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, the estimate must distinctly state that fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person be interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any amount, however small, to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; and the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a holder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the amount of the security required to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and to be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, shall be returned to the person to whom the contract is awarded, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the security required shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount so retained shall be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted, in form, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, may be obtained upon application therefor at the office of the Department.

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for Furnishing Coal," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department, and read.

For particulars as to the quality, kind and size of coal required, reference must be made to the specifications, blank forms of which may be obtained at the office of the Chief Clerk of the Department.

Bidders will state a price per ton of two thousand pounds for the coal to be delivered (see eighth paragraph of the specifications). The price must be written in the bid and stated in figures. Permits will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject any or all bids which may be deemed prejudicial to the public interests.

No estimates will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The entire quantity of coal is to be delivered within thirty days from the date of the execution and delivery of the contract in figures. The adequacy and sufficiency of the person or persons to whom the contract may be awarded will be required to give security, for the performance of the contract in the manner prescribed by law, in the sum of Five Thousand Dollars.

The adequacy and sufficiency of the amount of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default of the Corporation; and the contract will be readvertised and relet, as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, shall be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall

refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids, and the delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation the amount of the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the amount of the security required, returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after the time aforesaid, or if he or they accept it, but do not execute the contract and give the proper security, or if they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and materials must conform to the effect of the same. Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures. Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

M. of Friday, June 29, 1888. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed, "Bid or Estimate for Plunge or Bathing Tank, etc., Insane Asylum, Ward's Island, N. Y.," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

The Board of Public Charities and Correction reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided in section 64, chapter 410, laws of 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of TWO THOUSAND (\$2,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters

stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation the amount of the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of FIVE PER CENTUM OF THE AMOUNT OF SECURITY REQUIRED FOR THE FAITHFUL PERFORMANCE OF THE CONTRACT. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the amount of the security required, returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after the time aforesaid, or if he or they accept it, but do not execute the contract and give the proper security, or if they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures. Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department, where the plans will be on exhibition for the information of bidders.

"The commissioner of public works shall, from time to time, establish scales of rents for the supplying of water, which rents shall be collected in the manner provided by law, and which shall be apportioned to different classes of buildings in said city in reference to their dimensions, values, exposure to fires, ordinary uses for dwellings, stores, shops, private stables and other common purposes, number of families or occupants, or consumption of water, as near as may be practicable, and modify, alter, amend and increase such scale from time to time, and extend it to other descriptions of buildings and establishments. All extra charges for water shall be deemed to be included in the regular rents, and shall become a charge and lien upon the buildings upon which they are respectively imposed, and, if not paid, shall be returned as arrears to the clerk of arrears. Such regular rents, including the extra charges above mentioned, shall be collected from the owners or occupants of all such buildings respectively, which shall be situated upon lots adjoining any street or avenue in said city in which the distributing water-pipes are or may be laid, and from which they can be supplied with water. DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, ROOM 6, No. 31 CHAMBERS STREET, NEW YORK, June 21, 1888.

PUBLIC NOTICE AS TO WATER RATES.

PUBLIC NOTICE IS HEREBY GIVEN THAT in compliance with the provisions of chapter 559, Laws of 1887, amending sections 350 and 351 of the New York City Consolidation Act of 1882, passed June 9, 1887, the following changes are made in charging and collecting water rents:

1st. All extra charges for water incurred from and after June 9, 1887, shall be treated, collected and returned in arrears in the same manner as regular rents have heretofore been treated.

D. LOWBER SMITH, Deputy and Acting Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, ROOM 6, No. 31 CHAMBERS STREET, NEW YORK, September 29, 1886.

PUBLIC NOTICE.

PERSONS HAVING ANY BUSINESS IN THIS Department which is not assigned to or transacted by the several Bureaux in the Department, and which should come under the immediate notice of the Commissioner of Public Works, are requested to communicate directly in person, or by letter, with the Commissioner of Public Works.

JOHN NEWTON, Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, ROOM 6, No. 31 CHAMBERS STREET, NEW YORK, November 10, 1886.

NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will be allowed for any portion of one year.

JOHN NEWTON, Commissioner of Public Works.
