## BOARD OF ALDERMEN.

Ordinance adopted at stated meeting held Tuesday, August 28, 1894, at 36 minutes past 11 o'clock A. M.

CITY OF NEW YORK, August 21, 1894.

To the Honorable the Board of Aldermen:

The Committee on Finance, to whom was referred the assessment rolls of the estates, real and personal, subject to taxation, of and within the City and County of New York, for the year 1894, together with a communication from the Comptroller of the City of New York, transmitting to the Board of Aldermen the Final Estimate made and adopted by the Board of Estimate and Apportionment for said year 1894, accompanied by his certificate of the amount of the appropriations authorized by law to be raised by tax in and for the said year 1894, respectfully submits the following

### REPORT:

The assessed valuation of the real and personal estates subject to taxation within the City and County of New York, for the year 1894, as shown by the assessment rolls submitted to the Board of Aldermen by the Commissioners of Taxes and Assessments and referred on July 2, 1894, amounts to the sum of two thousand and three million three hundred and thirty-two thousand and thirty-seven dollars (\$2,003,332,037), which sum is a net increase of seventy million and seventy-four thousand four hundred and fifty-two dollars (\$70,074,452), over the amount of the assessed valuation for the preceding year, 1893.

As shown by the Comptroller's certificate, submitted to the Board of Aldermen, and referred on May 29, 1894, the aggregate amount of the appropriations included in the Final Estimate for the year 1894, made and adopted by the Board of Estimate and Apportionment on the 30th day of December, 1893, is thirty-eight million six hundred and sixty-four thousand two hundred and fifty-seven dollars and sixty-nine cents (\$38,664,257.69), from which sum is deducted the sum of three million six hundred thousand dollars (\$3,600,000) for and on account of the estimated revenues of the General Fund available for the reduction of taxation in said year 1894, leaving the sum of thirty-five million six hundred and sixty-four thousand two hundred and fifty-seven dollars and sixty-nine cents (\$35,064,257.69) as the amount to be raised by tax under the Final Estimate, as adopted by the Board of Estimate and Apportionment on said December 30, 1893.

By section 830 of the New York City Consolidation Act of 1882, the Board of Aldermen is directed to provide for deficiencies in the actual product of taxes that may arise from insolvencies, discounts or rebates for prompt payment, errors in assessed valuations, etc., as follows:

"Section 830. It shall be the duty of the said Board of Aldermen to include in any and every ordinance or resolution passed by them, imposing and levying taxes for any purpose or purposes authorized by law, such sum in addition to the aggregate amount required for such purposes as they shall deem necessary, not exceeding three per cent. of said aggregate amount, to provide for deficiencies in the actual product of the amount imposed and levied therefor."

Your Committee has conferred with the Comptroller in regard to the amount that will be required to provide for and meet such deficiencies as may occur in the actual product of the taxes to be imposed and levied in and for the year 1894, and it has concluded to recommend that the sum of five hundred and ninety-four thousand seven hundred and sixty-nine dollars and nine cents (\$594,769.09) be added to and included in the sum necessary to be raised by tax for the support of the government of the City and County of New York, and for other purposes, as authorized and provided by law, which sum is less than three per centum of the amount so required to be raised by tax, after deducting the estimated amount of the revenues of the General Fund for the reduction of taxation, the addition of which sum makes the total amount of taxes to be imposed and levied upon the real and personal estate subject to taxation within the City and County of New York, in and for the said year 1894, the sum of thirty-five million six hundred and fifty-nine thousand and twenty-six dollars and seventy-eight cents (\$35,659,026.78).

Section 11 of Article VIII. of the Constitution of the State of New York provides as follows: "The amount hereafter to be raised by tax for county or city purposes in any county containing a city of over one hundred thousand inhabitants, or any such city of this State, in addition to providing for the principal and interest of existing debt, shall not in the aggregate exceed in any one year two per centum of the assessed valuation of the real and personal estate of such county or city, to be ascertained as prescribed in this section in respect to county or city debt."

As the assessed valuation of the real and personal estate of and within the City and County of New York, for the year 1894, is two thousand and three million three hundred and thirty-two thousand and thirty-seven dollars (\$2,003,332,037), and two per centum of this sum is \$40,666,640.74, the total amount of the tax to be raised for city and county purposes for the year 1894, after providing for the principal and interest of existing city and county debt, and deducting also the amount of the State Tax to be raised in said year 1894, is less than the limit prescribed by the State Constitution, as shown by the following statement:

Amount of Taxes to be raised as per Final Estimate, adopted December 30, 1893..	\$35,064,257 69
Amount added for deficiencies.....	594,769 09
Total.....	\$35,659,026 78
Deduct:	
State Taxes.....	\$4,112,266 62
Principal of the City Debt and Installments on Account of Redemption of Water Bonds, as per Final Estimate for 1894.....	1,877,000 44
Interest on the City Debt, as per Final Estimate of 1894.....	5,134,199 59
	11,123,466 65
Remainder.....	\$24,535,560 13

This sum of \$24,535,560.13 is less than two per centum of the said assessed valuation of the real and personal estate of the City and County of New York, subject to taxation for the year 1894, which percentage amounts, as above stated, to the sum of \$40,666,640.74, leaving a very large margin within the limitation of taxes prescribed by the provision of the State Constitution above cited.

Sections 3 and 8 of chapter 361 of the laws of 1881, provide, as follows: "Section 3. Every corporation, joint stock company or association whatever, now or hereafter incorporated or organized under any law of this State, or now or hereafter incorporated or organized by or under the laws of any other State or country, and doing business in this State, except savings banks and institutions for savings, life insurance companies, banks and foreign insurance companies, and manufacturing corporations carrying on manufacture within this State, which exception shall not be taken to include gas companies or trust companies, shall be subject to and pay a tax, as a tax upon its corporate franchise or business, into the treasury of the State, annually, etc." "Section 8. The corporations, joint stock companies and associations mentioned in this act as taxable shall hereafter be exempt from assessment and taxation for state purposes, except upon their real estate and as herein provided; but they shall in other respects be liable to assessment and taxation as heretofore."

The total amount of the assessed valuation of the personal estate of corporations, joint stock companies or associations, doing business in the City of New York, which are found to be exempt under this statute from assessment and taxation on their personal estate for "State purposes" in the year 1894, as appears by a detailed statement thereof on file in the Finance Department, is

ninety-seven million eight hundred and sixty-one thousand seven hundred and eighty-eight dollars (\$97,861,788).

The above-cited provision of law requires, therefore, a special rate of tax to be imposed upon the personal estates of corporations which are exempt from taxation for State purposes, differing from and less than the general tax rate upon real and personal estate subject to taxation for city and county purposes.

The total amount of taxes to be raised in 1894 is as follows:

Total appropriations as per Final Estimate, December 30, 1893.....	\$38,664,257 69
Deduct amount of Estimated Revenues of General Fund, as per Final Estimate, December 30, 1893.....	3,600,000 00
	\$35,064,257 69
Amount to be added for deficiencies, as above stated.....	594,769 09
Total amount of tax.....	\$35,659,026 78

The rates of taxation which will produce this sum are a general rate upon the valuation of real and personal estate, subject to taxation for all city and county purposes, and a special rate upon the valuation of the personal estate of corporations exempt from taxation thereon for State purposes, as follows:

General rate for City and County purposes:	
Valuation, \$1,905,470,249, at 1.79 per cent.....	\$34,107,917 45
Special rate for corporations:	
Valuation, \$97,861,788, at 1.585 per cent.....	1,551,109 33
Total tax.....	\$35,659,026 78

An ordinance to impose the taxes and fix the rates of taxation which will produce the total amount of taxes required to be raised in and for the year 1894, for the objects and purposes therein set forth, is respectfully submitted herewith for the approval and adoption of the Board of Aldermen.

AN ORDINANCE to provide the necessary means for the support of the Government of the City of New York and the Board of Education, and for the payment of the quota of the State taxes, and for other purposes, pursuant to the provisions of law, in and for the year 1894.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

Section 1. There shall be and is hereby imposed and levied upon the estates, real and personal, subject to taxation of and within the City and County of New York, the sum of thirty-five million six hundred and sixty-four thousand two hundred and fifty-seven dollars and sixty-nine cents (\$35,064,257.69), to pay the expenses of conducting the public business of the said city and county, in each department and branch thereof, and of the Board of Education, for the year 1894, also such sum as is necessary to be raised by tax to pay the principal of any bonds and stocks which become due and payable during the said year, which is not otherwise provided for; also the amount to be raised by tax annually, which, with the accumulations of interest thereon, will be sufficient to redeem the stocks and bonds issued to provide for the supply of water, pursuant to the provisions of section 11 of article VIII. of the Constitution of the State of New York, as amended in 1884, and also so much as may be necessary to pay the proportion of the State tax required to be paid by the City and County of New York in said year 1894, as provided by the Board of Estimate and Apportionment, which sum of thirty-five million six hundred and sixty-four thousand two hundred and fifty-seven dollars and sixty-nine cents (\$35,064,257.69), so imposed and levied by this ordinance, is that portion of the amount appropriated for such purposes as estimated by the Board of Estimate and Apportionment of said city and county in its Final Estimate for the fiscal year 1894, made and adopted on Saturday, December, 30, 1893, amounting in the aggregate to thirty-eight million six hundred and sixty-four thousand two hundred and fifty-seven dollars and sixty-nine cents (\$38,664,257.69), remaining after deducting therefrom the sum of three million six hundred thousand dollars (\$3,600,000), supplied by the General Fund for the reduction of taxation, as stated by the Comptroller of the City of New York, in a communication dated May 22, 1894, submitted to the Board of Aldermen, May 29, 1894, together with his certificate of the amount of the appropriations made in the Final Estimate for the said year 1894, copies of which communication and certificate and of the said Final Estimate are as follows:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
May 22, 1894.

To the Honorable the Board of Aldermen of the City of New York:

Section 212 of the New York City Consolidation Act of 1882 provides as follows: "It shall be the duty of the Comptroller of said city to prepare and submit to the Board of Aldermen at least four weeks before their annual meeting, in each and every year, for the purpose of imposing the annual taxes, a statement setting forth the amounts by law authorized to be raised by tax in that year, on account of the corporation of the City of New York, or for city purposes within said city; and also an estimate of the probable amount of receipts into the city treasury during the then current year, from all the sources of revenue of said general fund, including surplus revenues from the Sinking Fund available in accordance with law, other than the surplus revenues of the Sinking Fund for the Payment of the City Debt, and the said Board of Aldermen are hereby authorized and directed to deduct the total amount of such estimated receipts from the aggregate amount of all the various sums which by law they are required to order and cause to be raised by tax in said year for the purposes aforesaid, and to cause to be raised by tax only the balance of said aggregate amount, after making such deduction."

In pursuance of the foregoing provisions of law, I have the honor to submit to your Honorable Body a statement setting forth in detail the amount by law authorized and required to be raised by tax in and for the year 1894, on account of the Corporation of the City of New York, or for city purposes within said city, as follows, to wit:

sale by the Comptroller of the City of New York, at  
public auction, to the highest bidder, at his office, Room  
No. 15, Stewart Building, No. 280 Broadway, on  
Wednesday, May 16, 1894, at 12 M., for a term of ten  
years, from the first day of June, 1894, upon the following  
TERMS AND CONDITIONS OF SALE.

The highest bidder for the lease of the franchise and  
wharf property of said ferry will be required to pay the  
auctioneer's fee and to deposit with the Comptroller at  
the time of the sale a sum equal to twenty-five per cent.  
of the amount of his bid therefor, which sum shall be  
credited on the rent of the first quarter of the first year  
of the term of the lease, or be forfeited to the City if  
the lease shall not be executed by the highest bidder or  
purchaser when notified and required by the Comptroller.  
In addition to the yearly rental to be paid for the ferry  
franchise, the purchaser and lessee of said franchise  
may have the use for ferry purposes of that portion of  
the landing and buildings at the foot of Whitehall street,

which are now and were heretofore occupied and used  
in connection with the operation of the Bay Ridge ferry,  
and of the privileges heretofore exercised in operating  
said ferry, by the payment of eight thousand (8,000)  
dollars per annum, payable quarterly, during the term of  
the new lease beginning June 1, 1894, to the lessee of  
franchise of the ferry to and from Staten Island.

The boats of said ferry shall make half hourly trips

required by law, and the ordinances of the Common  
Council relating to ferries, and usually contained in  
ferry leases, which conditions shall be approved by the  
Council to the Corporation.

The lease will contain a covenant providing for the  
purchase, by any person or corporation other than the  
purchaser at the present sale, that may acquire said  
ferry franchise after the expiration of said term, at a  
fair appraised valuation of the boats, buildings and other  
property of the former lessee, actually necessary for the  
purpose of said ferry or franchise and the surrender  
and yielding up of the premises by the lessee, if the  
lessee shall not become the purchaser of the fran-  
chise for another term, which appraisal shall be made  
in the usual way before advertising a lease for a new  
term of the franchise, at least three months prior to  
the termination of the lease; provided that the Mayor,

shall not in any event be deemed to covenant to pur-  
chase said property.

The estimates of the work to be done, and by which the bids will be tested, are as follows:

No. 1. ABOVE MENTIONED. 3,300 barrels of Portland cement. Bidders will state the brand of Portland cement they propose to furnish.

The delivery of the materials to commence within ten days after execution of contract and progress so as to complete the same on or before November 15 next.

The amount of security required is FOUR THOUSAND DOLLARS.

The estimates received will be publicly opened by the head of the said Department at the place and hour last above mentioned and read.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of

the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within ten days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The price must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do, and to readvertise until satisfactory bids or proposals shall be received. But the contract when awarded in each case will be awarded to the lowest bidder.

Blank forms for proposal and forms of the several contracts which the successful bidders will be required to execute, and information relative to them can be had at the office of the Department, Nos. 49 and 51 Chambers street.

M. of

THURSDAY, SEPTEMBER 6, 1894.

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of One Thousand Dollars.

The Engineer's estimate of the nature, quantities and extent of the work is as follows:

Table with 2 columns: Description and Feet, B. M., measured in the work. Includes Spruce or Norway Pine Timber, Spruce Timber, and Yellow Pine Piles for Timber Basin.

NOTE.—These piles are to be furnished by the Department of Docks to the contractor, free of charge, on the Pier at East Twenty-fourth street, East river, and the contractor is to put them in the water, raft them, care for them and transport them to the site of the new work at his own expense and risk.

As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

- 1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.
2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.
The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work to be done under the contract is to be fully completed on or before the 1st day of October, 1894, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.
Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work, and whose estimate is regular in all respects.
Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.
The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet and so on until it be accepted and executed.
Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, the estimate shall distinctly state that fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.
Each estimate shall be accompanied by the consent in writing of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.
No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.
Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.
No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.
THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED, IF DEMAILED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.
Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate, or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 1, No. 31 Chambers street. MAURICE F. HOLAHAN, Deputy and Acting Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, No. 31 CHAMBERS STREET, NEW YORK, April 26, 1894.

CROTON WATER RATES.

NOTICE IS HEREBY GIVEN TO HOUSE owners and consumers of water from the City's water supply, that the books for the annual water rates for the year beginning May 1, 1894, are now open, and that said rates are payable in advance, beginning on the 1st of May, and that a penalty of five per cent. will be added to all rates remaining unpaid on the 1st of August, 1894, and a further penalty of ten per cent. on all rates remaining unpaid on the 1st of November, 1894.

MICHAEL T. DALY, Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS, COMMISSIONER'S OFFICE, No. 31 CHAMBERS STREET, NEW YORK.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed

shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY, Commissioner of Public Works
