BOARDS OF LOCAL IMPROVEMENTS.

FIRST DISTRICT, BOROUGH OF RICHMOND.

Meeting held in the Borough Office, October 4, 1898, at 10 o'clock A. M.

The roll was called and the following members answered to their names: Councilmen Bodine and O'Grady, Alderman Vaughan and President Cromwell. Alderman Vaughan offered the following resolution, which was adopted: Resolved, That the Local Board of the First District, Borough of Richmond, hereby recommends to the Municipal Assembly of the City of New York that permission be granted to the Atlantic Terra Cotta Company to lay a switch or spur across Broadway, between Fisher avenue and Church street, in the Fifth Ward of the Borough of Richmond, to connect with their premises on said Broadway; the car or cars on said tracks to be propelled by steam engines only, the rails to be laid flush with the surface of Broadway, so as not to interfere with the use thereof by the public, and the work to be done at the expense of the said Atlantic Terra Cotta Company under the direction of the Commissioner of Highways; that the pavements of said Broadway be relaid between said tracks, and that a distance of two feet outside thereof be kept continually in repair by the said Atlantic Terra Cotta Company.

Councilman O'Grady offered the following resolution, which was adopted: Resolved, That the Local Board of the First District, Borough of Richmond, hereby recommends to the Board of Public Improvements of the City of New York that John street in said ward be extended to Franklin street in said ward.

Councilman Bodine offered the following resolution, which was adopted: Resolved, That the Local Board of the First District, Borough of Richmond, hereby recommends to the Board of Public Improvements of the City of New York that an electric-light be placed at the intersection of St. Paul's avenue with Trossach road, in the Second Ward of the Borough.

Alderman Vaughan offered the following resolution, which was adopted: Whereas, It appears to this Board that Main street in that part of the Fifth Ward of the Borough of Richmond which was formerly known as the Village of Totenville, is now being macadamized to the width of sixteen feet; and

Whereas, It appears to this Board that owing to the steep grade of the street the soil on each side of the macadam will be washed out whenever there is a heavy rain, thus undermining and destroying the macadam, unless something be done for its protection; and

Whereas, It appears that there is sufficient balance to the credit of the fund created by the issuance of bonds for the purpose of macadamizing certain streets in Totenville to pay for the addition hereinafter recommended; now, therefore, be it

Resolved, That the Local Board of the First District, Borough of Richmond, hereby recommends to the Board of Public Improvements of the City of New York that there be added to each side of the macadam already laid a walk sufficient to take the macadam within three feet of the curb lines on each side of the street.

Councilman O'Grady offered the following resolution, which was adopted:

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of \$100 per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy chief or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supply or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the tender, in writing, of two bondholders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a freeholder or freeholder in the City of New York, and a security of the amount of the security required for the completion of the contract over and above his debts of every nature and over and above his liabilities as bond surety in otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 22 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The affidavit and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate, and an estimate not so deposited in said box and such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation and the contract will be readvertised and relet, as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or in the absence of samples to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates, and are cautioned against referring to any samples or specifications other than those furnished by the Department. Such references are cause for rejecting bids whenever they are written, and will in no case govern the action of the Department officers in passing upon bids.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to entering the same in figures.

Each article when delivered shall have a tag attached bearing the number.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications and showing the manner of payment, can be obtained at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 54, CHAPTER 485, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners, or be provided for by the specifications.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials in that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof.

The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 54 of chapter 485 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety.

The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract.

Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct.

All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, as or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and retold, as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Depositor and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine such and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials in that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent of the bid for each article.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, as or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and retold, as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the General Depositor and Auditor, foot of East Twenty-sixth street, and bidders are cautioned to examine such and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

ARMORY BOARD—OFFICE OF THE SECRETARY, New York, October 20, 1898.
PROPOSALS FOR ESTIMATES FOR MATERIALS AND WORK IN FURNISHING AN ALTERATION AND IMPROVEMENT TO THE ROOF OF THE TWENTY-SECOND REGIMENT ARMORY BUILDING, ON THE EAST-ERLY SIDE OF COLUMBUS AVENUE, EXTENDING FROM SIXTY-SEVENTH TO SIXTY-EIGHTH STREET, NEW YORK CITY.

PROPOSALS FOR ESTIMATES FOR MATERIALS AND WORK, FOR FURNISHING AN ALTERATION AND IMPROVEMENT TO THE ROOF OF THE TWENTY-SECOND REGIMENT ARMORY BUILDING, ON THE EAST-ERLY SIDE OF COLUMBUS AVENUE, EXTENDING FROM SIXTY-SEVENTH TO SIXTY-EIGHTH STREET, IN THE CITY AND COUNTY OF NEW YORK, WILL BE RECEIVED BY THE ARMORY BOARD, AT THE MAYOR'S OFFICE, CITY HALL, UNTIL 11 O'CLOCK A. M., FRIDAY, THE FOURTH DAY OF NOVEMBER, 1898.

At which time and place they will be publicly opened and read by said Board.
Any person making an estimate for the above work shall furnish the same in a sealed envelope, to the President of said Armory Board, enclosed in a separate envelope for an alteration and improvement to the roof of the Twenty-second Regiment Armory Building, in the easterly side of Columbus Avenue, extending from sixty-seventh to sixty-eighth street, and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials in that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, in the amount of TWO THOUSAND DOLLARS (\$2000).

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:
1. Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate dispute or complain of the statement of quantities, or assert that there was any mis-understanding in regard to the nature or amount of the work to be done.

Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications in the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend to the office, with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect, and in case of neglect or refusal to do so, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and retold, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein, and if no other person be so interested the estimate shall distinctly state that fact; also, that the estimate is made without any connection with any other person making any estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and also that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof, which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance, and that if said person or persons shall omit or

release or execute the contract they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting, the amount in such case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of ONE HUNDRED DOLLARS (\$100). Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Board who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates, to use a blank prepared for that purpose by the Board, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be seen upon application at the office of the Secretary of the Armory Board, No. 22 Broadway, New York City.

Any person making an estimate for the work shall present the same in a sealed envelope at said

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York and is worth the amount of the security required for the completion of this contract, over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law.
