CITY OF NEW YORK,
BOROUGH OF BROOKLYN—DEPARTMENT OF HIGHWAYS,
March 19, 1901.

Hon. EDWARD M. GROUT, President of the Borough of Brooklyn:

DEAR SIR—I beg to acknowledge the receipt of your letter of the 12th instant, forwarding petition signed by Mr. Manneschildt, of No. 966 Myrtle avenue, for fencing lots on the north side of Hull street, between Rockaway and Stone avenues.

In reply, after an inspection by this Department, I beg to submit the following estimate that the matter may be referred for the action of the Local Board of the District:

Fencing vacant lots on the north side of Hull street, between Rockaway and Stone avenues, known as Lots Nos. 15 and 17, Block 122, Twenty-fifth Ward Map, with a close board fence, six feet in height. Estimated cost of fencing, \$25; assessed value of lots, \$740.

Respectfully,

(Signed) THOS. R. FARRELL, Deputy Commissioner of Highways.

The following resolution was offered:

Resolved, That the Local Board of the Eighth District, Borough of Brooklyn, deeming it for the public interest so to do, hereby directs that the lots lying on the north side of Hull street, between Rockaway avenue and Stone avenue, known as Lots Nos. 15 and 17, Block 122, Twenty-fifth Ward Map, be inclosed with a close board fence, six (6) feet high, at the expense of the owner or owners of the said lots.

Resolved, That this resolution be forwarded to the Board of Public Improvements for its approval.

Which was decided in the affirmative by the following vote:

(No. 450.)

Following report from the Department of Highways:

CITY OF NEW YORK,
BOROUGH OF BROOKLYN—DEPARTMENT OF HIGHWAYS,
MUNICIPAL BUILDING, March 20, 1901.

Hon. EDWARD M. GROUT, President of the Borough of Brooklyn:

DEAR SIR—I beg to acknowledge the receipt of your letter of the 14th instant in connection with the improvement of Fourteenth avenue, between Forty-third street and Beverly road, and Beverly road between Fourteenth avenue and Ocean parkway, advising that a question has arisen concerning that portion of Fourteenth avenue, between Beverly road and Thirty-sixth street (Mariens lane), stating that this part of the street, as laid down on the map, is parallel with Church avenue and is so close to Church avenue that the property between the two streets will be practically worthless; also, as there is an apparent need of some change in the map, requesting that this Department recommend some plan for said change.

In reply I beg to state that Fourteenth avenue, between Beverly road and Thirty-fifth street, is almost parallel with Church avenue, distant from it about 50 feet at one end and 85 feet at the other, so that the property between these two streets is of scarcely any value.

North of Church avenue, between West street and Thirty-sixth street, there is a street laid down on the map called Story street, about 70 feet distant from Church avenue at one end and 90 feet at the other. This leaves another narrow strip between these two streets of practically no value.

Church lane or Church avenue was ignored when the Town Survey Map of the Twenty-ninth Ward was made. This street, however, has been in use as a thoroughfare for a great many years. There is also a double track railroad on the same, and I doubt, therefore, if the same could be legally closed. Furthermore, there are abundant reasons why it should remain as it is.

I would suggest that this part of the map of the Twenty-ninth Ward be changed by striking therefrom that part of Fourteenth avenue, between Thirty-fifth street and Beverly road, and extending the lines of Fourteenth avenue (as laid down on the map south of Thirty-fifth street) in a northerly direction until they intersect with Church lane or Church avenue, and by extend-

ing the lines of Beverly road in a westerly direction, from East Second street until they intersect with the lines of Church lane or Church avenue as widened; also that Church avenue be widened from a 66-foot street to a street of 100 feet in width, from the Ocean parkway to Fourteenth avenue, as extended, by adding a strip 17 feet in width to each side thereof, and that the northerly line of Church avenue thus established be extended to the easterly side of Thirty-sixth street; also that Story street, between West and Thirty-sixth streets, be stricken from the map, and that Chester avenue be extended from Story street to Church lane or avenue, as widened.

Herewith, I beg to hand you plan showing the changes recommended.

Respectfully,

(Signed) THOS. R. FARRELL, Deputy Commissioner of Highways.

The following resolution was offered:

Resolved, That the Local Board of the Eighth District, Borough of Brooklyn, after hearing had this 2d day of May, 1901, deeming it for the public interest so to do, hereby recommends to the Board of Public Improvements of the City of New York that, in pursuance of the provisions of section 436 of chapter 378 of the Laws of 1897, proceedings be initiated to alter the map of the City of New York by striking therefrom that part of Fourteenth avenue, between Thirty-fifth street and Beverly road, and extending the lines of Fourteenth avenue (as laid down on the map south of Thirty-fifth street) in a northerly direction until they intersect with Church lane or Church avenue, and extending the lines of Beverly road in a westerly direction, from East Second street until they intersect the lines of Church lane or Church avenue as widened; also widening Church avenue from a sixty-six-foot street to a one hundred-foot street, from Ocean parkway to Fourteenth avenue, as extended, by adding a strip seventeen feet in width to each side thereof and extending the northerly line of Church avenue thus established to the easterly side of Thirty-sixth street; also striking from the map of the City of New York Story street, between West street and Thirty-sixth street; also extending Chester street, from Story street to Church lane or Church avenue, as widened.

BIRD S. COLER,
 Comptroller,
 CITY OF NEW YORK—DEPARTMENT OF FINANCE,
 COMPTROLLER'S OFFICE, May 15, 1901.

THE CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE.

To the Holders of Six Per Cent. Gold Consolidated Stock of the County of New York, Payable July 1, 1901:

THE FOLLOWING IS AN EXTRACT FROM the proceedings of the Commissioners of the Sinking Fund at a meeting held Tuesday, February 19, 1901:

The Comptroller presented the following report and accompanying resolution relative to the redemption of six per cent. Gold Consolidated Stock of the County of New York, maturing July 1, 1901:

CITY OF NEW YORK, DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE, February 15, 1901.

To the Commissioners of the Sinking Fund:
GENTLEMEN:—Six per cent. Gold Consolidated Stock, amounting to eight million eight hundred and eighty-five thousand five hundred dollars (\$8,885,500), which was issued by the County of New York prior to its consolidation with the former City of New York, matures on July 1, 1901.

The said stock is all held by the public and is payable from the Sinking Fund for the Redemption of the City Debt (No. 1), under the provisions of section 23 of chapter 378 of the Laws of 1897.

Under an amendment to the Constitution of the State of New York adopted at the general election held in the year 1895, the said stock is exempted, for the delinquent purposes of section 20 of article VIII of the Constitution, from classification as a City debt.

In view of the present heavy demands upon the City's debt-paying capacity, especially for rapid transit and bridge construction, it is desirable to retain the advantage gained by such exemption. This advantage would be practically lost as to the amount of said stock if it were to be redeemed out of the Sinking Fund, or if it were refunded by the issue of Corporate Stock of the City of New York.

redemption upon me by chapter 630 of the Laws of 1900, upon the best obtainable terms for the City.

It is not unlikely, however, that it may prove impossible to extend certain portions of said stock upon advantageous terms, and I therefore recommend that a resolution be adopted authorizing the Comptroller to redeem from the Sinking Fund such portions of said stock.

Respectfully,
 (Signed) BIRD S. COLER,
 Comptroller.

Whereas, Six per cent. Gold Consolidated Stock issued by the County of New York prior to its consolidation with the former City of New York, amounting to eight million eight hundred and eighty-five thousand five hundred dollars (\$8,885,500), matures July 1, 1901, and is payable from the Sinking Fund for the Redemption of the City Debt (No. 1), under the provisions of section 23 of chapter 378 of the Laws of 1897;

Whereas, the Comptroller proposes, under the authority of chapter 630 of the Laws of 1900, to extend for periods not exceeding twenty years the maturity of as much of said stock as he may be able to so extend upon terms advantageous to the City; therefore,

Resolved, That the Comptroller be and is hereby authorized to pay out of the Sinking Fund for the Redemption of the City Debt (No. 1), such portion of the six per cent. Gold Consolidated Stock of the County of New York, payable July 1, 1901, as he may be unable to extend upon terms deemed by him to be advantageous to the City.

The report was accepted and the resolution unanimously adopted.

For the reasons set forth in the foregoing report to the Commissioners of the Sinking Fund, the Comptroller of the City of New York will avail himself of the provisions of chapter 630 of the Laws of 1900, which reads as follows:

CHAPTER 630.
AN ACT TO AUTHORIZE THE EXTENSION OF THE MATURED UNDEBTEDNESS OF THE COUNTIES OF NEW YORK, KINGS, QUEENS AND RICHMOND.

Enacted by a law April 23, 1900, with the approval of the Governor. Passed, a majority being present. The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. It shall be lawful for the Comptroller of the City of New York, in his discretion, to provide for the extension of all or any part of the funded indebtedness of the counties of New York, Kings, Queens and Richmond, as the same may from time to time mature, Certificates of stock or bonds so extended shall bear interest at a rate not exceeding three and one-half per centum per annum, and shall be stamped across their face with the terms of such extension, which shall be for a period not exceeding twenty years.

Sec. 2. This act shall take effect immediately. Proposals will be received by the Comptroller at his office, No. 25 Broadway, New York City, from the holders of six per cent. Gold Consolidated Stock of the County of New York, payable July 1, 1901, for extending the maturity of all or any part of the respective amounts of such stock held by them to the following dates:

- JULY 1, 1917,
- JULY 1, 1918,
- JULY 1, 1919,
- JULY 1, 1920, and
- JULY 1, 1921.

Stock so extended will be payable in gold and will bear interest from July 1, 1901, at the rate of three and one-half (3 1/2) per cent. per annum, payable, also in gold, semi-annually, on the first day of January and of July in each year. The Comptroller proposes in apposition the amount of stock thus extended as that, as nearly as practicable, one-fifth of the whole amount extended shall be redeemable at each of the five maturity dates above mentioned. Preference will, as far as possible, be given to the proposals received according to priority in the date of their receipt, the proposals first received being entitled to the privilege of the longest extension period, unless such proposal shall indicate a preference for the shorter terms. The stock which is to be extended in accordance with the terms of this circular must be delivered to the Comptroller upon demand, when the certificates will be stamped across their face with the terms of the extension, in accordance with the provisions of chapter 630 of the Laws of 1900, provided, however, that such stock now outstanding in coupon form when presented for extension will be extended in the form of registered stock. Thereafter transfers may be made of such stock on the books of the Corporation in accordance with the general provisions of law and the rules of the Department of Finance in regard thereto. The right to discontinue the offer contained in this circular at any time without further notice is expressly reserved.

Dated New York, March 1, 1901.
 BIRD S. COLER, Comptroller.
