At this basin old material has been rathed and cared for,
BECARTARNY VARIES AT WEST FIFTY-SEVENTH AND EAST IWENTY-FOURTH STREETS.

At the Department yards the force of the Department has been engaged in the construction of concrete blocks, the handling and cutting of granite, the care of material and the losse of supplies for various pieces of work. The gards have been maintained in good order and condition.

RECREATION BUILDINGS.

Recreation buildings on the North and East rivers have been maintained and cared for, Repairs and painting have been done.

All the floating property of the Department was been cared for during the quarter, and has been repaired from time to time.

SURVEYING PARTY,

Surveys of the water-front and the structures thereon on the North, East and Harlem rivers in the boroughs of Manhattan and The Broax have been made. A detailed survey of the cost show of the Broax river extending from Oak Point to Long Island Sound has been completed. An extensive survey of the water-fronts of the boroughs of Brooklym, Queens and Richmond is in progress. All the lines, levels, grades, soundings, surveys and examinations have been made and given as required.

DEED ING.

All the dredging has been supervised, whether done by the Department or by private parties.

REPAIRS.

Repairs other than dredging have been made at various places under order or permit from the Board of Docks. Repairs, alterations and other pieces of work by private parties under order or permit from the Board of Docks have been supervised during the quarter.

DRAUGHTSMEN.

In the office of the Engineer-in-Chief the Draughtsmen have been engaged on plans and studies for contract work, plans for the improvement of the water-front, plans and specifications for new piers and repairs, change of lines, examination of plans submitted by private parties, solar printing and general office work.

The total new wharfage room made by the Department of Docks and Ferries for the quarter resourced to the follower ferries.

amounted to 4,264 linear feet.

Wharfage room destroyed by the City in preparing for new improvements 2,437 linear feet.

The area of the City's piers has been increased 140,330 square feet.

The total increase of wharfage room made by private parties is 4,930 lineal feet.

Very respectfully, your obedient servant,

J. A. BENSEL, Engineer-in-Chief.
