DENIS A. JUDGE,
Deputy and Acting Commissioner.

New York, June 18, 1908.

The following communications were received, action being taken thereon as noted, to wit:

From the Board of Estimate and Apportionment (77419)—Requesting to be furnished with a copy of the permit issued by this Department for the construction, maintenance and use of bridge over and across West street, near Liberty street, in the Borough of Manhattan, connecting with the recreation structure on Pier 10, North River. Copies of letters relating to the granting of permission for the construction of the bridge over property under the jurisdiction of this Department forwarded.

From the Corporation Counsel (77421)—Requesting plan of Slip No. 1, at St. George, Borough of Richmond, showing ferryboat "Richmond" in the slip, as well as upper bridges and doorways leading to saloon; also, plan showing the three slips at St. George, and about 1,800 feet offshore therefrom, as well as a cardboard plan of the ferryboat "Queens." Information furnished.

From the Comptroller (77416)—Requesting copy of specifications under which the dumping board on pier foot of Sixtieth street, East River, was erected for the Department of Street Cleaning, together with an itemized statement of the charges. Information furnished.

From the Municipal Civil Service Commission—
1 (77429). Requesting report relative to the branch in which each eligible whose name appears on the promotion list to Assistant Engineer is employed, that is, whether structural or topographical. Information furnished.

2 (77452). Authorizing the transfer of Joseph F. Dunn from the position of Stonemason to that of Mason in this Department. Dunn changed to Mason at 56 1/2 cents per hour, to take effect June 20, 1908.

3 (77454). Certifying the name of John G. Hungerford from the preferred eligible list for House Painters. Hungerford appointed as Foreman of House Painters, at 50 cents per hour, while employed.

From the Bellevue and Allied Hospitals (77434)—Requesting space for the mooring of a boat at Pier 53, East River, for the accommodation of hospital patients. Notified that berths for wharfage purposes in the vicinity are extremely scarce, but that if permission can be obtained from the Department of Parks to moor the boat between Jackson and Corlears streets, this Department will drive suitable fender piles.

From the President of the Borough of Manhattan (77261)—Stating that the transfer of James Canny, Marine Stoker, from this Department, became effective June 17, 1908. Name dropped from the list of employees of this Department.

From Harmon W. Crousey (77315)—Requesting permission to erect a one-story boat house between Bay Thirty-second street and Twenty-third avenue, Borough of Brooklyn. Permit granted, work to be done in accordance with plans submitted and

under the supervision of the Chief Engineer, the structure to remain only during the pleasure of the Commissioner.

From William H. Leonhard (77358)—Requesting permission to do certain construction work on the property held by him under lease from this Department, at Broad Channel, Jamaica Bay, Borough of Queens. Permit granted for the placing of anchor piles only around the four corners of his house, under the supervision of the Chief Engineer, and to be confined to the area leased.

From the New York and Long Branch Steamboat Company (77421)—Requesting permission to place a sign over the gates recently erected on Pier 53, North River. Permit granted, work to be done under the supervision of Chief Engineer, the sign to remain during the pleasure of the Commissioner.

From the Ocean Steamship Company of Savannah (77443)—Requesting permission to take up granite pavement underneath bulkhead shed in front of Pier (new) 35, North River, and half bulkheads adjacent thereto. Permit granted, work to be done under the supervision of the Chief Engineer, the pavement to be restored to its original condition upon the expiration or sooner termination of the lease for the premises, should the Commissioner of Docks so elect.

From Edward J. Stiner (77470)—Requesting permission to dredge in front of his property north of Bayview avenue, Far Rockaway, Jamaica Bay, Borough of Queens. Permit granted, work to be done under the supervision of the Chief Engineer.

From Louis Eschbach (77347)—Requesting permission to land a motor boat at the Battery landing on Tuesday, Thursday and Sunday of each week. Privilege granted, to continue during the pleasure of the Commissioner, but not longer than April 30, 1909, rental to be at the rate of \$1 per day, payable weekly in advance to the Dockmaster.

From Charles H. Matty (77495)—Requesting permission to occupy a plot of ground at Broad Channel, Jamaica Bay, Borough of Queens. Privilege granted to occupy Lot No. 6 of Block 1, an area of 770 square feet, at a rental of \$12 per annum, to commence as of June 1, 1908, and to continue during the pleasure of the Commissioner, but not longer than April 30, 1912, the rental being payable in advance to the Cashier.

From Matthew Wilson & Co. (76973)—Requesting reconsideration of their application for permission to occupy a berth at the West Thirtieth Street Pier, North River, and submitting plan for arranging structures so as not to interfere with traffic on the pier. Privilege granted to occupy berth of 100 feet on the south side of the pier, together with privilege of maintaining coal hoist and hopper and installing electric power for the unloading of coal, rental to be at the rate of \$75 per month, payable monthly in advance to the Cashier, the permit continuing during the pleasure of the Commissioner, and expiring by limitation of time on April 30, 1909.

From Adjutant Frederick Martin (77499)—Asking that arrangements be made whereby Joseph G. Berk, Watchman in this Department, will receive pay for the time he is absent on field duty with his regiment. Berk ordered placed on weekly roll from June 15 to June 20, 1908, at the rate of \$14 per week.

From Colonel George R. Dyer (77352)—Asking that arrangements be made whereby John Fox, Inspector of Pier Building, will receive pay for the time he is in service with the State at the camp in Peekskill, N. Y. Fox ordered placed on the weekly roll for a period of one and one-sixth weeks, with compensation at the rate of \$30 per week.

From J. R. Wortendyke (77427)—Requesting a credit account for wharfage with this Department. Granted.

From George R. Buntin & Sons (77389)—Requesting a credit account for wharfage with this Department. Granted.

From Frank J. Wells (77371)—Asking to be informed whether the New York Central and Hudson River Railroad Company is the owner of the strip of land occupied by him immediately north of One Hundred and Fifty-fifth street, North River, west of the car tracks. Answered that the railroad company has no title to the property in question; in this connection the Superintendent of Docks (77386) reported that the estates of John McCormick, Jr., and Mary Wells have failed to comply with the Department's order for the removal of the structures northerly of One Hundred and Fifty-fifth street, and they were notified that unless the said structures were entirely removed within ten days they will be removed by the force of the Department and the cost of removal collected from them.

From the Sound Transportation Company (77552)—Requesting a ten-year lease of the westerly side and surface of Pier (old) 34, East River (Catharine Slip, Pier West), and the bulkhead and small pier between Pier (old) 33 and (old) 34, East River, together with the right to use the sheds owned by the City on the said premises. Commissioners of the Sinking Fund requested to approve a lease to the company of the premises in question, at a rental of \$7,500 per annum.

From the Keystone Lubricating Company (77230)—Asking that tests be made of the grease delivered under Contract No. 1119, to determine whether it conforms to the specifications. Answered that when the grease is delivered by the contractor tests will be made.

From Thomas P. Laey (77455)—Declining appointment to the position of Financial Clerk. Appointment rescinded; name dropped from the list of employees.

From the Chief Engineer—
1. Reporting, 1 (77486). That Contract No. 1019, for building ferry structures for the new Thirty-ninth Street Ferry, Manhattan Terminal, was completed June 11, 1908, by George B. Notified that the Department is prepared to recommend to the Commissioners of the Sinking Fund a lease for five years at a rental of \$2,500 per annum if desired.

From E. C. Bridgman (77467)—Complaining of certain inconveniences which passengers are subjected to at the Whitehall and St. George terminals of the Staten Island Ferry and suggesting remedies. Chief Engineer directed to place shelter leading from ferry house to trolley platform at St. George, Borough of Richmond, and to place skylight in roof of Whitehall terminal. Bridgman advised of action.

From E. J. Woodworth (77457)—Requesting permission to dump about 400 yards of top soil from carts on to boats at the pier at Bay Ridge avenue, South Brooklyn. Privilege granted, compensation to be at the rate of \$2.50 per day, payable weekly at the end of each week to the Dockmaster.

From Andrew J. Hickey (77449)—Requesting permission to maintain a newspaper stand at entrance to Staten Island Ferry, Manhattan terminal. Denied.

From the Inland Transportation Company (77444)—Requesting permission to remove derrick from Pier 6, East River. Denied.

From Thomas L. Cranston (77441)—Asking whether a \$6 wharfage charge for the steamboat "Sirius" made on June 12, 1908, at the East One Hundred and Seventeenth Street Pier is regular. Answered that charge is in accordance with legal rates.

From F. R. Zabel (77355)—Requesting permission to place a swimming raft on the Harlem River, between High Bridge and Washington Bridge. Denied, as Department has no available space for the purpose.

From Joseph W. Young (77342)—Requesting permission to use bulkhead foot of Corlears street, East River. Denied the premises being already occupied under permit.

From H. L. C. Weak (77398)—Complaining that occupants are throwing rubbish in rear of their houses at Jamaica Bay, Borough of Queens. Answered that orders have been issued for the abatement of the nuisance.

From the Lehigh Valley Railroad Company (77296)—Requesting certain information relative to the rates of wharfage as fixed by this Department. Information furnished.

From Gustav H. Schwab, representing the Ogden Estate (77412)—Stating, in response to this Department's communication of June 16, 1908, that it was not intended to make an offer of rental for the land under water claimed by the City between One Hundred and Sixty-seventh street and Depot place, High Bridge, Borough of The Bronx, but that, as suggested in said communication from this Department, the matter will be submitted to the Commissioners of the Sinking Fund. Requested to submit a definite offer, stating exactly the property desired to be leased.

From James Shewan & Sons (76825)—Requesting a lease of the southerly half of Pier 52, East River, the bulkhead extending from the southerly side of Pier 52 southerly a distance of 132 feet 10 inches, and the new made land in rear of said bulkhead. Commissioners of the Sinking Fund requested to approve a lease of the premises desired for a period of five years at an annual rental of \$5,000, with privilege of renewal for five years at an advance of 10 per cent. in the rental, the lessee to have the privilege of mooring two dry docks at the bulkhead and pier, together with other necessary structures.

From the New York Butchers' Dressed Meat Company (77083)—Requesting a lease of that portion of the northerly side of the pier foot of West Thirty-ninth street, North River, commencing at a point about 63 feet easterly from the outer end of the pier and extending easterly a distance of 150 feet. Commissioners of the Sinking Fund requested to approve a lease of the premises desired for a period com-

mencing on the first day of the month next succeeding the date on which said lease shall be approved by the Sinking Fund and expiring April 1, 1914, at a rental of \$1,200 per annum, with privilege of renewal for a further term of ten years at an advance of 10 per cent. in the rental.

From Charles M. Bunce, Pilot (77498)—Requesting a three months' leave of absence without pay from July 1, 1908. Granted.

From the Chief Engineer (77531)—Submitting plans, specifications and form of contract for building a new pier at the foot of Oliver street, East River. Ordered printed as Contract No. 1147.

The Stenographer's minutes of the hearing given by the Commissioner on June 15, 1908, to the Stapleton Ferry League in the matter of hastening the operation of the ferry to Stapleton, Staten Island, were placed on file (77504).

By direction of the Commissioner, a two months' leave of absence, without pay, was granted to Adolph Glickman, Dock Laborer, commencing July 1, 1908 (77463).

An agreement made the 17th day of June between the United States Transportation Company, party of the first part, the United States Fidelity and Guaranty Company, party of the second part, and The City of New York, party of the third part, whereby the parties of the first and second parts agree that their obligations under the provisions of the lease of the pier foot of West Forty-fourth street shall in no manner be affected or impaired in consequence of the consent granted to the subletting of a portion of the premises to the Compagnie Generale Transatlantique, in so far as such lease applies to that portion of the demised premises reserved for the Neptune Line, was placed on file.

STATE WATER SUPPLY COMMISSION.

PUBLIC NOTICE.

NOTICE IS HEREBY GIVEN THAT, pursuant to section 3 of chapter 723 of the Laws of 1905, the

STATE WATER SUPPLY COMMISSION

will meet at the Watson House, in the Village of Babylon, Long Island, on the 20th day of September, 1908, at 11 o'clock in the forenoon of that day, for the purpose of hearing all persons, municipal corporations or other civil divisions of the State of New York that may be affected by the execution of the plans of the City of New York, for securing a new and additional supply of water, plans for which have been filed with the New York State Water Supply Commission, at its office, No. 23 Eagle street, Albany, N. Y., where the same are open for public inspection, and for the purpose of determining whether said plans are justified by public necessity, and whether the same are just and equitable to the other municipalities and civil divisions of the State of New York and to the inhabitants thereof affected thereby, and whether said plans make fair and equitable provisions for the determination and payment of any and all damages to persons and property, both direct and indirect, which will result from the execution thereof.

The execution of such plans will affect lands situate in the County of Suffolk, will also affect the flow of water in streams flowing in or through said County of Suffolk, the riparian rights on said streams and also the water rights of said streams.

All persons, municipal corporations and other civil divisions of the State of New York who have objection to the execution of said plans, in order to be heard thereon, must file such objections thereto in writing in the office of the State Water Supply Commission, in the City of Albany, N. Y., on or before the 9th day of September, 1908. Every objection so filed must particularly specify the grounds thereof.

No person, municipal corporation or local authority can be heard in opposition thereto except on objections so filed.

Dated Albany, N. Y., July 31, 1908.

Seaman, Chief Engineer," one "Public Service Commission for the First District, Chief Engineer's Office, Route No. 9-0-2, Drawing No. 28, March 2, 1908, Henry B. Seaman, Chief Engineer," and one "Public Service Commission for the First District, Chief Engineer's Office, Route No. 9-0-4, Drawing No. 12, March 2, 1908, Henry B. Seaman, Chief Engineer."

Pursuant to a resolution of the Public Service Commission for the First District adopted on August 27th, 1908, the sale of the above described buildings will be held by the said Commission on September 1, 1908, at 10:30 o'clock A. M. on the premises, upon the following terms and conditions:

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay immediately cash or a certified check drawn to the order of the Comptroller of the City of New York, and must also, at the time of the sale, give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of Fifty Dollars the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City of New York to the cost of completing any other work required under the contract, but unfinished at the expiration of the contract period.

All the materials of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises except old mortar or plaster only which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also withdraw and remove all abandoned water tape and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed; but this provision shall not apply where portions only of buildings are removed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the direction of the Bureau of Sewers, Borough of Manhattan, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed; but this provision shall not apply where portions only of buildings are removed.

The permits for all openings in the street to be obtained by and at the expense of the purchaser of the building.

Memoranda of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them may be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of the said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, protective brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., ripped up, and the walls pointed and made to exclude wind and rain and present a clean exterior. The roofs of the adjacent buildings shall be properly flashed and painted and made water tight where they have been disturbed by the operation of the contractor.

The Public Service Commission for the First District reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids.

New York, August 27th, 1908.

DEPARTMENT OF FINANCE

DEPARTMENT OF FINANCE, BUREAU FOR THE COLLECTION OF TAXES, NEW YORK, September 1, 1908.

NOTICE TO TAXPAYERS.

TAXPAYERS WHO DESIRE TO OBTAIN their bills promptly should make immediate written requisition (blanks may be procured in the Borough offices), stating their property by section or ward, block and lot or map number, making copy of same from their bills of last year.

If a taxpayer is assessed for personal tax, the requisition should also request bill for such tax. Each requisition should be accompanied by an envelope bearing the proper address of the applicant, and with return postage prepaid.

In case of any doubt in regard to ward, section, block or lot number, taxpayers should take their deeds to the Department of Taxes and Assessments and have their property located on the maps of that Department, and forward to the Deputy Receiver of Taxes, with the requisition, a certified memorandum of their property, which will be furnished by the Department of Taxes and Assessments.

Taxpayers in this manner will receive their bills returned by mail at the earliest possible moment, and avoid any delay caused by waiting in lines, as required in case of personal application.

The requisition must be addressed and mailed to the Deputy Receiver of Taxes in whichever Borough the property is located, as follows: John J. McDonough, No. 57 Chambers Street, Borough of Manhattan, New York.

John G. Underhill, corner of Third and Fremont avenues, Borough of The Bronx, New York.

James H. Banck, Municipal Building, Borough of Brooklyn, New York.

George H. Creel, corner of Jackson Avenue and Fifth Street, Long Island City, Borough of Queens, New York.

John De Marzan, Borough Hall, St. George, Staten Island, Borough of Richmond, New York.

After receiving the bills, the taxpayer will draw a check for the amount to the order of the Receiver of Taxes and mail bill and check, with an addressed envelope, with the return postage prepaid, to the Deputy Receiver in whichever Borough the property is located.

No rebate allowed on bills paid during October.

Check should be mailed as soon as possible after the bills have been received by the taxpayer.

DAVID E. AUSTEN, Receiver of Taxes.

NOTICE TO PROPERTY OWNERS.

IN PURSUANCE OF SECTION 1018 OF the Greater New York Charter, the Comptroller of the City of New York hereby gives public notice to all persons, owners of property, affected by the following assessment for LOCAL IMPROVEMENTS in the BOROUGH OF MANHATTAN:

TWELFTH WARD, SECTION 7.

ONE HUNDRED AND FORTY-NINTH STREET AND BROADWAY—RESTORING ASPHALT PAVEMENT on the northern corner. Area of assessment: Northeast corner of One Hundred and Forty-ninth Street and Broadway, and known as Lot No. 1, Block 2087.

The above assessment was certified to the Collector of Assessments and Arrears, under the provisions of section 301 of the Greater New York Charter.

That the same was entered on August 25, 1908, in the Record of Titles of Assessments, kept in the Bureau for the Collection of Assessments and Arrears of Taxes and Assessments and of Water Rents, and unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of the assessment, interest will be collected thereon, as provided in section 1019 of said Greater New York Charter.

Said section provides, in part, that "If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said Record of Titles of Assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment to charge, collect and receive interest thereon at the rate of seven per centum per annum, to be calculated to the date of payment from the date when such assessment became a lien, as provided by section 1019 of this act."

Section 1019 of this act provides: "An assessment shall become a lien upon the real estate affected thereby ten days after its entry in the said record."

The above assessment is payable to the Collector of Assessments and Arrears at the Bureau for the Collection of Assessments and Arrears of Taxes and Assessments and of Water Rents, Room 11, No. 280 Broadway, Borough of Manhattan, between the hours of 9 a. m. to 12 m., and on Saturdays from 9 a. m. to 12 m., and all payments made thereon on or before October 21, 1908, will be exempt from interest, as above provided, and after that date will be subject to a charge of interest at the rate of seven per centum per annum from the date when above assessment became a lien to the date of payment.

SUPREME COURT—FIRST DEPARTMENT.

FIRST DEPARTMENT.

In the matter of the application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired, to the lands, tenements and hereditaments situated at the opening and extending of FAIRVIEW AVENUE (although not yet named by proper authority), from Eleventh Avenue to Broadway, in the Twelfth Ward, Borough of Manhattan, City of New York.

WE, THE UNDERSIGNED COMMISSIONERS OF Estimate and Appraisal in the above-entitled matter, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First—That we have completed our supplemental and amended estimate of assessment for benefit, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, and having objections thereto, do present their said objections, in writing, duly verified, to us at our office, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in the City of New York, on or before the 22d day of September, 1908, and that we, the said Commissioners, will hear parties so objecting, and for that purpose will be in attendance at our said office on the 22d day of September, 1908, at 10 o'clock a. m.

Second—That the abstract of our said supplemental and amended estimate of assessment for benefit, together with our benefit maps, and also all the affidavits, estimates, profits and other documents used by us in making the same, have been deposited in the Bureau of Street Openings in the Law Department of the City of New York, Nos. 90 and 92 West Broadway, in the Borough of Manhattan, in said City, there to remain until the 24th day of September, 1908.

Third—That the limits of our assessment for benefit include all those lands, tenements and hereditaments and premises situate, lying and being in the Borough of Manhattan, in the City of New York, which, taken together, are bounded and described as follows, to wit:

Beginning at the point of intersection of a line drawn at right angles to the westerly line of Broadway, from a point midway of the block between Calverly avenue and West One Hundred and Eighty-seventh streets, with a line parallel to and 100 feet westerly from the westerly line of Broadway; thence running northerly along said parallel line to its intersection with the westerly prolongation of the northerly line of Hillside avenue; thence easterly along said westerly prolongation of Hillside avenue to the corner formed by the intersection of the easterly line of Nagle avenue and the northerly line of Hillside avenue; thence northerly along the easterly line of Nagle avenue to the corner formed by the intersection of the southerly line of Hillside avenue and the easterly line of Hillside street; thence easterly on a straight line to its intersection with a line drawn at right angles to the westerly line of St. Nicholas avenue and distant 100 feet westerly therefrom, from a point midway of the block between Nagle avenue and Calverly avenue; thence southerly along the southerly prolongation of the westerly line of Hillside avenue to its intersection with a line parallel to and distant 100 feet northerly of the northerly line of Fort George avenue; thence easterly along said line parallel to Fort George avenue and southerly along a line parallel to and distant 100 feet northerly and easterly from the easterly line of Amsterdam avenue to its intersection with the easterly prolongation of the northerly line of West One Hundred and Ninety-sixth street; thence westerly along said last-mentioned prolongation and northerly line of West One Hundred and Ninety-sixth street and its westerly prolongation to its intersection with the westerly line of the block between Westforts avenue and Broadway; thence southerly along said middle line of the block to its intersection with a line drawn parallel to West One Hundred and Eighty-seventh street from a point in the easterly line of Broadway midway of the block between Calverly avenue and West One Hundred and Eighty-seventh street; thence westerly along said parallel line to the point or place of beginning; accepting lines and area of streets, avenues and roads, or portions thereof, heretofore legally created as such area is shown upon our benefit maps deposited as aforesaid.

Fourth—That, provided there be no objections filed to said abstract, our final report herein will be presented for consideration to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III, to be held in the County Court House in the Borough of Manhattan, in the City of New York, on the 24th day of November, 1908, at the opening of the Court on that day.

Fifth—In case, however, objections are filed to said abstract of estimate of assessment, the notice of motion to withdraw our final report herein will stand adjourned to the date to be hereafter specified, and of which notice will be given to all those who have intervened appeared in this proceeding, as well as by publication in the City Record, pursuant to sections 484 and 484 of the Greater New York Charter, as amended by chapter 625 of the Laws of 1904.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, marked with the title of the service, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York, is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the service, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the masters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the receipt or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bid required, as provided in section 220 of the Greater New York Charter.

The certified check or money should not be enclosed in the envelope containing the bid or estimate, but should be either enclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to the City of New York under debt or contract, or who is a defaulter, or surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The bid is reserved if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in forms.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the order envelope in which to inclose the bid, together with a copy of the contract, including the specifications in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.

The fee is to be required by The City of New York in all the real estate Parcels Nos. 916 to
