COUNTY OF KINGS,

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear that the foregoing book contains a detailed statement of all the taxable real property in Volume 1, Section 8, Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear that the foregoing book contains a detailed statement of all the taxable real property in Volume Two, Section Eight, in the Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

COUNTY OF KINGS, } ss.:

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear that the foregoing book contains a detailed statement of all the taxable real property in Volume Three, Section Eight, in the Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

STATE OF NEW YORK,
City of New York, } ss.
County of Kings,

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear, that the foregoing book contains a detailed statement of all the taxable real property in Volume 4, Section 8, Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

That I have personally examined each and every house, building, lot, pier and other assessable property within said district; that in said book is set down and given the street, block and ward, lot or map numbers of said real estate within said district, together with the name of the owner or occupant thereof, as far as known; and also, in my judgment, the sums for which said property under ordinary circumstances would sell, with such other information in detail as the said Commissioners have from time to time required.

DAVID B. HUTTON,
Deputy Tax Commissioner.

Sworn to before me this 10th day of January, 1908.

ALMET F. JENKS,

County of Kings. } ss.

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear, that the foregoing book contains a detailed statement of all the taxable real property in Volume Five, Section Eight, in the Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

That I have personally examined each and every house, building, lot, pier and other assessable property within said district; that in said book is set down and given the street, block and ward, lot or map numbers of said real estate within said district, together with the name of the owner or occupant thereof, so far as the same are known; and also, in my judgment, the sum for which said property under ordinary circumstances would sell, with such other information in detail as the said Commissioners have from time to time required.

DAVID B. HUTTON,
Deputy Tax Commissioner.

Sworn to before me this 10th day of January, 1908.

STATE OF NEW YORK,

County of Kings,

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear that the foregoing book contains a detailed statement of all the taxable real property in Volume Six, Section Eight, in the Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

That I have personally examined each and every house, building, lot, pier and other assessable property within said district; that in said book is set down and given the street, block and ward map numbers of said real estate within said district, together with the name of the owner or occupant thereof, so far as the same are known; and also, in my judgment, the sums for which said property under ordinary circumstances would sell, with such other information in detail as the said Commissioners have from time to time required.

DAVID B. HUTTON,
Deputy Tax Commissioner.

Sworn to before me this 10th day of January, 1908.

STATE OF NEW YORK,

County of Kings, } ss.

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear, that the foregoing book contains a detailed statement of all the taxable real property in Volume 7, Section 8, Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

That I have personally examined each and every house, building, lot, pier and other assessable property within said district; that in said book is set down and given the street, block and ward, lot or map numbers of said real estate within said district, together with the name of the owner or occupant thereof, so far as the same are known; and also, in my judgment, the sums for which said property under ordinary circumstances would sell, with such other information in detail as the said Commissioners have from time to time required.

STATE OF NEW YORK,
CITY OF NEW YORK,
COUNTY OF KINGS, } ss.:

I, David B. Hutton, one of the Deputy Tax Commissioners of The City of New York, do depose and swear that the foregoing book contains a detailed statement of all the taxable real property in Volume Eight, Section Eight, in the Borough of Brooklyn, in The City of New York, being the district assigned to me by the Commissioners of Taxes and Assessments of The City of New York, for assessment under their direction.

That I have personally examined each and every house, building, lot, pier and other assessable property within said district; that in said book is set down and given the street block and ward, lot or map numbers of said real estate within said district, together with the name of the owner or occupant thereof, so far as the same are known; and also, in my judgment, the sums for which said property under ordinary circumstances would sell, with such other information in detail as the said Commissioners have from time to time required.

DAVID B. HUTTON,
Deputy Tax Commissioner.

Sworn to before me this 10th day of January, 1908.

ALMET F. JENKS,
Justice of the Supreme Court.
