POLICE DEPARTMENT.

Proposals.

SEALED BIDS WILL BE RECEIVED BY the Police Commissioner at the Bookkeeper's Office, Headquarters of the Police Department, 240 Centre st., until 12 noon, on

MONDAY, SEPTEMBER 14, 1925. FOR FURNISHING ALL THE LABOR AND MATERIALS REQUIRED IN MAKING REPAIRS AND ALTERATIONS TO STEAMHEATING SYSTEM AT THE 56TH PRECINCT STATION HOUSE, 275 CHURCH STATION HOUSE, 275 RICHMOND HILL, BOROUGH OF QUEENS The time for the completion of the work shall be thirty (30) consecutive calendar days. The amount of security for the performance

of the contract shall be One Thousand Five Hundred Dollars (\$1,500).

The bidder will state the price for which he

will do all the work and provide, furnish and deliver all the labor and materials mentioned and described in said contract, and specifications, for which he desires to bid.

The bids will be compared and award made to the lowest bidder.

No bid will be considered unless it is accom-

panied by a deposit, which shall be in an amount of Seventy-five Dollars (\$75). For particulars as to the nature and extent of the work required or of the materials to be furnished, bidders are referred to the specifica-tions and to the plans on file in the office of the Superintendent of Buildings, Headquarters of the Police Department, 240 Centre st., Man-

Bidders are requested to make their bids upon the blank form prepared by the Commissioner, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, can be obtained upon application therefor at the office of the Superintendent of Buildings, Headquarters of the Police Department, 240 Centre st., Man-

hattan RICHARD E. ENRIGHT, Police Commis sioner.

COMMISSIONERS OF THE SINKING FUND.

Notices of Public Hearings.

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking Fund, pursuant to the provisions of chapter 372 of the Laws of 1907 theing section 823-E of the Greater New York Charter), will hold a continued public hearing at 11 o'clock in the forenoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks for approval of a plan determined upon by the Commissioner of Docks on March 21, 1925, for the alteration and amendment of the plan formerly determined upon by the Commissioner of Docks on June 20, 1924, and approved by the Commissioners of the Sinking Fund on November 13, 1924, for the improvement of the waterfront and harbor of the City of New York, in Gravesend Bay between West 23d street and West 37th street, Borough of

Brooklyn.

The following is a technical description of the

proposed plan: The proposed alteration and amendment of the plan formerly determined upon by the Commissioner of Docks June 20, 1924, and approved by the Commissioners of the Sinking Fund on November 13, 1924, for the improvement of the waterfront and harbor of the City of New York, in Gravesend Bay, between West 23d street and West 27th effects in the Beastley of Residue. West 37th street, in the Borough of Brooklyn,

consists in: First-Discontinuing that portion of the bulk head line as determined upon by the Commissioner of Docks on June 20, 1924, between West 24th street and West 28th street.

Second—Discontinuing that portion of the marginal street, wharf or place between the same limits and establishing therefor;

(a) A bulkhead line between West 24th street

and West 28th street and which line shall be a continuation of the bulkhead line formerly deter-mined upon between West 28th street and West 33d street until the same meets and is intersected by that portion of the hulkhead line formerly determined upon by the Commissioner of Docks between West 23d street and West 24th street.

(b) A marginal street, wharf or place 60 feet in width between West 24th and West 28th streets, to be in continuation of that portion of the marginal street, wharf or place formerly de-termined upon between West 23th street and West 33d street until it meets and is intersected by that portion of the marginal street formerly determined upon between West 23d street and West 24th street, the exterior line of said marginal street being coincident with the proposed bulkhead line described above.

The plan is open to the inspection of any citizen at the office of the Comptroller of The City of

New York (Municipal Building), at all times during business hours, until the day of the

Dated, New York, August 31, 1925.

Commissioners of the Sinking Fund. a31,55

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Greater New York Charter), will hold a continued public hearing at 11 o'clock in the forestern of Thursday, Sentember 24, 1925 in noon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks for approval of plan determined upon by the Commissioner of Docks on April 20, 1925, for the alteration and amendment of that portion of the plan, for improving the waterfront and harbor of the City of New York, as determined upon by the Board of the Department of Docks on April 13, 1871, and approved by the Commissioners of the Sinking Fund on April 27, 1871, on the North River, as subsequently altered and amended, between Pier 31 at Watts street and Pier 35 at Spring street, Borough of Manhattan. The following is a technical description of the

The proposed alteration and ar endment of that portion of the plan, for improving the waterfront and harbor of the City of New York, as de-termined upon by the Board of the Department of Docks on April 13, 1871, and approved by the Commissioners of the Sinking Fund on April 27, 1871, on the North River, as subsequently altered and amended, between Pier 31, at Watts street, and Pier 35, at Spring street, in the Borough of Manhattan, consists in:

Discontinuing the 200-foot wide pier at the foot of Spring street and the 200 foot wide pier im-mediately south of Canal street, as shown on the previously adopted new plan, and establishing therefor Pier 34, at the foot of Spring street, having a width of 160 feet, at the outer end, and a width of 174 feet at the inner end, and extending from the established bulkhead line outshoreward to the established pierhead line, and Pier 32, immediately south of Canal street, having a width of 150 feet and extending from the established bulkhead line outshoreward to the established pierhead line, the northerly side of which pier is 465 feet south of and parallel with the northerly side of Pier New 34, just described. The northerly side of Pier New 34 is 117 feet north of and parallel with the westerly prolongation of the south side of Spring street.

The plan is open to the inspection of any citizen

at the office of the Comptroller of The City ti New York (Municipal Building), at all times during husiness hours, until the day of the

Dated, New York, August 31, 1925 JOHN F. HYLAN, Mayor, and Chairman. Commissioners of the Sinking Fund. a31,55

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking rund in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Greater New York Charter), will hold a continued public hearing at 11 o'clock in the forenoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks for approval of plan determined upon by the Commissioner of Docks on January 5, 1925, for the alteration and amendimproving the waterfront and harbor of the City of New York, of that portion between East 11th street and East 14th street, East River, of the plan formerly determined upon by the Commissioner of Docks January 29, 1906, and approved by the Commissioners of the Sinking Fund on February 21, 1906, for the improving of the waterfront and harbor of the City of New York on the East River, between East 8th street and East 14th street, Borough of Man-

The following is a technical description of the proposed plan:

The proposed alteration and amendment for improving the waterfront and harbor of the City of New York of that portion between East 11th street and East 14th street, East River, of the plan formerly determined upon by the Commissioner of Docks January 29, 1906, and approved by the Commissioners of the Sinking Fund February 21, 1906, for the improvement of the waterfront and harbor of the City of New York, on the East River, between East 8th and East 14th streets, in the Borough of Manhattan, con-

First-Discontinuing that portion of the marginal street, wharf or place shown on the former plan as lies between the southerly side of East 11th street and the southerly side of East 14th

Second-Discontinuing that portion of the bulkhead line shown on the previous plan as lies be-tween the southerly side of East 11th street and the southerly side of East 14th street and the pier immediately south of and adjacent to East 14th street and establishing therefor a bulkhead

line described as follows: Beginning at a point in the southerly side of East 11th street where the bulkhead line as de-termined upon by the Commissioner of Docks intersects the same; thence eastwardly along the southerly side of East 11th street to its inter-section with the bulkhead line established by the Secretary of War April 25, 1890; thence northwardly and along the established buildhead line to its intersection with the northerly side of East 11th street; thence still northerly and along the hulkhead line modified by the Secretary of War October 20, 1924, to its intersection with the southerly side of East 14th street.

Third—Discontinuing the pier shown on the former plan lying between East 13th and East 14th streets.

Fourth-Discontinuing those portions of the piers shown on the former plan situated at the foot of East 11th street, East 12th street and immediately south of East 13th street as lie be-tween the bulkhead line shown on the former plan and proposed to be discontinued and the new bulkhead line proposed to be laid down by the amended plan.

The plan is open to the inspection of any citizen at the office of the Comptroller of The City of New York (Municipal Building), at all imes during business hours, until the day of the

Dated, New York, August 31, 1925.

JOHN F. HYLAN, Mayor, and Chairman,
Commissioners of the Sinking Fund. a31,55

PUBLIC NOTICE IS HEREBY GIVEN THAT the Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Charter), will hold a public hearing at 11 o'clock in the forenoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks for approval of plan determined upon by the Commissioner of Docks on May 29, 1925, for the alteration and amendment of the plan for PUBLIC NOTICE IS HEREBY GIVEN THAT or the alteration and amendment of the plan for the improvement of the waterfront and harbor of the City of New York on the East River, between South 6th street and South 9th street, Borough of Brooklyn,
The following is a technical description of

The proposed plan.

The proposed plan, for the alteration and amendment of the plan for the improvement of the waterfront and barbor of the City of New York, on the East River, between South 6th and South 9th streets, in the Borough of Brooklyn, consists in:

First-Discontinuing that portion of the eastrly boundary line of the area set aside for waterront improvement by the Commissioner of Docks f The City of New York on June 10, 1909, and approved by the Commissioners of the Sinking Fund on June 30, 1909, as is situated between fund on June 30, 1909, as is situated between the southerly boundary line of the area set aside for ferry purposes, by the Commissioner of Plant and Structures of The City of New York on April 5, 1921, and approved by the Commissioners of the Sinking Fund on June 16, 1921, im-mediately south of Broadway, and the westerly prolongation of the northerly side of 9th Street. Second—Increasing the area formerly set aside for waterfront improvement by the Commissioner

for waterfront improvement by the Commissioner of Docks, referred to above, within the lines bounded and described as follows:

Beginning at a point in the westerly line of Kent avenue, distant 100.59 feet south of a point in same where the westerly prolongation of the southerly side of Broadway intersects the same; hence southwardly and along the westerly side of Kent avenue to a point in same where the same is intersected by the northerly side of South 9th street; thence westwardly and along the northerly side of South 9th street and the westerly prolongation thereof to a point of intersection with the easterly boundary line of the area set aside for waterfront improvement by the Com-missioner of Docks on June 10, 1909; thence northwardly and along the said casterly line of the area set aside for waterfront improvement, just referred to, to a point in same where the same is intersected by the southerly boundary line of the area set aside for ferry purposes by the Commissioner of Plant and Structures on April 5, 1921; thence eastwardly and along the said boundary line of the ferry area to the point

or place of beginning.

The plan is open to the inspection of any citizen at the office of the Comptroller of The City of New York (Municipal Building), at all imes during business hours, until the day of the

Dated, New York. August 31, 1925.

JOHN F. HYLAN, Mayor, and Chairman,
Commissioners of the Sinking Fund. a31,85

PUBLIC NOTICE IS HEREBY GIVEN THAT the Commissioners of the Sinking Fund, is accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Charter), will hold a public hearing at 11 o'clock in the forenoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks that a resolution be adopted approving of and consenting to the institution of condemnation proceedings by the Corporation Counsel for the acquisition of title in the name of and for the benefit of the corporation of The City of New York to property required for the im-provement of the waterfront at Bergen Beach and adjacent to Paerdegat Basin, Jamaica Bay, Bor ough of Brooklyn, and that title thereto vest in The City of New York on the day after the entry of the order granting the application to condemn said property.

The following is a technical description of the

property to be acquired: property to be acquired:

All the real property, wharf property, lands, lands under water, lands under water filled in, not now owned by The City of New York, situated along the westerly and northerly shores of Jamaica Bay, in the Borough of Brooklyn, in the City of New York, at Bergen Beach and adjacent to Paerdegat Basin and Iving between East Mill Basin and Paerdegat Avenue North, berginglier, more particularly described, together hereinafter more particularly described, together with all riparian and incorporeal rights not now owned by The City of New York, appurtenant of and to said wharf property, lands, lands under water filled in and all riparian and incorporeal rights not now owned by The City of New York, appurtenant and to the upland along the said westerly and northerly shore of Jamaica Bay, within the said limits, necessary to be acquired or extinguished to permit the filling in of said lands and lands under water for the construction of a marginal street, wharf or place thereon,

tion of a marginal street, whart of place discoun-namely:

Parcel No. 1. Beginning at a point, in the centre line of East Mill Basin, where the same is intersected by the mean high water line, along the northerly side of Big Dam Creek; thence northwardly and along the centre line of East Mill Basin of about 145 feet to the high water line, along the southerly side of an unnamed creek, running first northwardly and then west-wardly from Big Dam Creek; thence eastwardly, southerly and westwardly along the mean high

water line of the above mentioned creek flowing into Big Dam Creek, as the same winds and turns,

Parcel No. 2. Beginning at a point in the pierhead and bulkhead line along the easterly side of East Mill Basin, as determined upon by the Commissioner of Docks on October 7, 1921, and approved by the Commissioners of the Sinking Fund on January 5, 1922, where the same is intersected by the southerly side of Avenue Y; thence southwardly and along said pierhead and bulkhead line to a point in same, where the same is intersected by the high water line, along the easterly side of an unnamed creek running into Big Dam Creek; thence westwardly, northwardly and along the said high water line to a point in same, where the southerly side of Avenue Y intersects the same; thence eastwardly and along the southerly side of Avenue Y to the

point or place of beginning.

Parcel No. 3. Beginning at a point in the pierhead and bulkhead line along the easterly side of East Mill Basin, as determined upon by the Commissioner of Docks on October 7, 1921, and approved by the Commissioners of the Sinking Fund on January 5, 1922, where the mean high water line along the northerly side of Big Dam Creek intersects the same; thence westwardly and along the said high water line of Big Dam Creek until it must be high water line. Dam Creek until it meets the high water line along the easterly side of an unnamed creek running northwardly from Big Dam Creek; thence northwardly and eastwardly and along the last mentioned high water line to the point of intersection with the pierhead and bulkhead line above referred to; thence southwardly and along said pierhead and bulkhead line to its intersection with the high water line of Big Dam Creek, the point or place of beginning.

Parcel No. 4. Beginning at a point in the southerly side of Avenue Y where the pierhead and bulkhead line along the easterly side of East Mill Basin, determined upon by the Commis-sioner of Docks on October 7, 1921, and approved by the Commissioners of the Sinking Fund January 5, 1922, intersects the same; thence eastwardly and along the said southerly side of Avenue Y to the point of intersection with the easterly side of Bergen avenue; thence northwardly and along the easterly side of Bergen avenue. to an angle point in same; thence still north-wardly and along the easterly side of Bergen avenue and along the easterly side of Paerdegat Avenue South to an angle point in Paerdegat Avenue South; thence still northwardly and along the easterly side of Paerdegat Avenue South to a point of intersection with the easterly side of Ralph avenue; thence northwardly along the east-erly side of Ralph avenue to a point of inter-section with the southerly side of Flatlands avesection with the southerly side of Flatlands avenue, as the same has been laid down upon the City map as having a width of 80 feet; thence eastwardly and along the southerly side of Flatlands avenue a distance of 33.24 feet to an intersection with the westerly line of the property belonging to The City of New York, as acquired May 2, 1904; thence southwardly in two courses and along the westerly line of property acquired by The City of New York May 2, 1904, to a point of intersection with the former Town Commissioners' bulkhead line, said point of intermissioners' bulkhead line, said point of intersection being situated between Bergen 13th and Bergen 14th streets prolonged and which bulk-Bergen 14th streets prolonged and which bulk-head line is also the westerly line of property acquired by The City of New York on May 2, 1904; thence still southwardly and along said Town Commissioners' bulkhead line and along the westerly line of the property of The City of New York above referred to, to the southerly line of property acquired by The City of New York on May 2, 1904; thence eastwardly and along the southerly property line of The City of New York just referred to, to a point of intersection with just referred to, to a point of intersection with the pierhead and bulkhead line along the westerly side of Paerdegat Basin determined upon by the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sink-ing Fund April 16, 1925; thence southwardly and along said pierhead and bulkhead line to its intersection with the mean high water line of Jamaica Bay; thence westwardly, southwardly, eastwardly, northwardly, eastwardly and southwardly and along the mean high water line of Jamaica Bay as the same winds and turns, to a point of intersection with the northerly line of the grant of the lands under water, issued by the Commissioners of the Land Office of State of New York on September 18, 1896, to John Cowenhoven and Joanna C. Voorhees; thence eastwardly and along the northerly side of said grant to a point of intersection with the pierhead and bulkhead line along the westerly side of Paerdegat Basin, determined upon b the Commissioner of Docks on October 7, 1921 and approved by the Commissioners of the Sink ing Fund January 5, 1922; thence southwardly and along said pierhead and bulkhead line to a point of intersection with the easterly line of said watergrant; thence southwardly and along the westerly side of said watergrant and also along the easterly side of a grant of lands under water issued by the Commissioners of the Land Office of the State of New York on October 20, 1897, to Percy G. Williams and Thomas Adams, Jr. to the southerly side of said grant; thence vestwardly, northwardly and along the southerly and westerly sides of said grant to the point of intersection with the high water line along the northerly side of Big Dam Creek; thence wardly and along the said high water line of Big Dam Creek to the pierhead and bulkhead line determined upon by the Commissioner of Docks October 7, 1921, and approved by the Commis-sioners of the Sinking Fund January 5, 1922, along the easterly side of East Mill Basin; thence

line to the point or place of beginning.
Parcel No. 5. Beginning at a point in the southerly side of Flatlands avenue as the same is laid down upon the City map as having a width of 80 feet where the same is intersected by the of New York on May 2, 1904; thence eastwardly and along the southerly side of Flatlands avenue to its intersection with the westerly side of East 76th street, as the same is laid down upon the City map as having a width of 90 feet; thence southwardly and along the westerly side of the said East 76th street to the angle point formed by the westerly side of East 76th street with the westerly side of Paerdegat Avenue North, as the same is laid down upon the City map as having a width of 90 feet; thence southwardly and along the westerly side of Paerdegat Avenue North to its intersection with the original high water line along the northerly shore of Jamaica Bay before the area outshore thereof was filled in by The City of New York; thence westwardly and along the original high water line along the northerly side of Jamaica Bay, as the same winds and turns, to a point in same where the winds and turns, to a point in same where the same is intersected by the pierhead and bulkhead line along the easterly side of Paerdegat Basin, as determined upon by the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sinking Fund April 16, 1925; thence northwardly along said pierhead and bulkhead line until it intersects the southerly property line of the property acquired by The City of New York May 2, 1904; thence northwardly and along the easterly side of the property acquired by The City of New York May 2, 1904, until it meets an angle point in the pier-head and bulkhead line referred to above, about opposite Paerdegat 1st street; thence north-wardly and along the said pierhead and bulkhead line to the northeasterly corner of Paerdegat on the East River, between Grand street and East

northwardly and along said pierbead and bulkhead

Basin; thence westwardly and along the said pierhead and bulkhead line referred to a distance of 228,74 feet to the easterly property line of property acquired by The City of New York; thence northwardly in two courses, first 59,39 feet and then 244.75 feet, to the point or place of beginning.
Parcel No. 6. Beginning at a point in the

pierhead and bulkhead line along the westerly pierhead and bulkhead line along the westerly side of Paerdegat Basin, as determined upon by the Commissioner of Docks October 7, 1921, and approved by the Commissioners of the Sinking Fund January 5, 1922, where the same is intersected by the northerly side of a grant of the lands under water issued by the Commissioners of the Land Office of the State of New York on September 18, 1896, to John Cowenhoven and Joanna C, Voorhees; thence eastwardly and along the northerly line of said grant to the along the northerly line of said grant to the easterly side thereof; thence southwardly and along the easterly side thereof to the pierhead and bulkhead line above referred to; thence

northwardly and along the said pierhead and bulkhead line to the point or place of beginning.

Parcel No. 7. Beginning at a point in the pierhead and bulkhead line along the westerly side of Paerdegat Basin, as determined upon by the Commissioner of Docks February 18, 1925 and approach by the Commissioner of Basin, as fellows. by the Commissioner of Docks 1925, and approved by the Commissioners of the 1925, and approved by the Commissioners of the Sinking Fund April 16, 1925, where the said line is intersected by the high water line of the northerly shore of Jamaica Bay; thence castwardly, northwardly, westwardly, southwardly and westwardly and along the high water line of Jamaica Bay, as the same winds and turns, to a point of intersection with the pierhead and bulkhead line just referred to; thence southwardly and along the said pierhead and bulkhead line a distance of about 460 feet to the point or place of be-

Parcel No. 8. Beginning at a point in the pier-head and bulkhead line, along the casterly side of Paerdegat Basin, as determined upon by the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sinking Fund April 16, 1925, along the easterly side of Paerdegat Basin, where the same is intersected by the original high water line along the northerly shore of Jamaica Bay; thence westwardly and northwardly and along the said high water line as the same winds and turns, to the point of intersection with the southerly line of the property acquired by The City of New York on May 2, 1904; thence eastwardly and along the said property line to a point of intersection with the pierhead and bulkhead line above referred to; thence southwardly and along the said pierbead and bulkhead line to the point or place of be-

part of be-ginning.

Parcel No. 9. Beginning at a point in the pierhead and bulkhead line along the easterly side of Paerdegat Basin, as determined upon by the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sinking Fund April 16, 1925, about opposite Paerdegat 1st street; thence northwardly and along said pierhead and bulkhead line to the northeasterly corner of Paerdegat Basin; thence westwardly a distance of 228.74 feet and along the said pierhead and bulkhead line along the northerly side head and bulkhead line along the northerly side of Paerdegat Basin to a point of intersection with the easterly line of the property acquired by The City of New York May 2, 1904; thence southwardly and along the said property line to the point or place of beginning.

Dated, New York, August 31, 1925.

JOHN F. HYLAN, Mayor, and Chairman, Commissioners of the Sinking Fund. a31,55

PUBLIC NOTICE IS HEREBY GIVEN THAT the Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Charter), will hold a public hearing at 11 o'clock in the forenoon on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks that a resolution be adopted approving of and consenting to the institution of condemnation proceedings by the Corporation Counsel for the acquisition of title in the name of and for the benefit of the corporation of The City of New York to the property required for the improvement of the waterfront in the vicinity of Vreeland avenue and Latting street, on the easterly side of Westchester Creek, Borough of The Bronx, and that title thereto vest in The City of New York on the day after the entry of the order granting the application to condemn said propert

The following is a technical description of the

All those certain lots, pieces or parcels of land, situate, lying and being in the Borough of The Bronx, City of New York, bounded and described as follows, to wit:

Parcel A. Beginning at a point in the westerly side of Vreeland avenue distant 400 feet north of the northerly side of Latting street; thence southwardly and along the westerly side of Vreeland avenue a distance of 45 feet to the mean high water line of Westchester Creek; thence in a northwesterly direction and along said mean high water line to a point in same where the same is intersected by a line drawn at right angles to the westerly side of Vreeland avenue from a point in same distant 400 feet north, measured along the westerly side of Vreeland avenue from the northerly side of Latting street; thence eastwardly and along the line drawn at right angles to the westerly side of Vreeland avenue just referred to, to the point or place of beginning, containing an area of about 1,516 square feet, together with all wharfage rights, incorporeal hereditaments, terms, easetogether with all wharfage ments, emoluments, privileges and appurtenances of any kind whatsoever, appurtenant to the above

described premises.

SUPREME COURT, FIRST DEPARTMENT.

Filing Preliminary Abstract.

In the Matter of the Application of The City of New York, acting by and through the Com-missioner of Docks, relative to acquiring right and title to and possession of certain lands, lands under water, lands under water filled in, wharfage rights, incorporeal hereditaments, terms, easements, emoluments, privileges and appurtenances necessary to be taken for the improvement of the waterfront of the City of New York, on the North River, between the north side of West 44th street and the centre line of the block between West 47th and West 48th streets, pursuant to the plan heretofore adopted by the Board of Docks, and amended by the Board of Docks and the Commissioner of Docks, and approved by the Commissioners of the Sinking Fund. WE, THE UNDERSIGNED COMMISSIONERS

of Estimate, in the above entitled proceeding, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants, of all houses and lots and improved and unimproved lands, pier or wharf property, or in any rights, privileges or interests pertaining thereto, affected thereby, and to all others whom it may concern, to wit:

First-That we have completed our revised and corrected abstract of estimate as to Damage Parcels 5, 6, 9 and 10, and that all persons in-terested in this proceeding or in any of the uplands, lands, lands under water, pier and wharf property affected thereby, and having objections thereto, do file their said objectious in writing, duly verified with us at our office, Room No. 1521, Municipal Building, in the Borough of Manhattan, in the City of New York, on or before the 11th day of September, 1925, and that we the said Commissioners will hear parties so objecting, and for that purpose will be in attendance at our said office on the 14th day of September, 1925, at 2 o'clock in the afternoon

of that day.

Second—That said revised and corrected abstract as to Damage Parcels 5, 6, 9 and 10, together with our damage map, and also all the affidavits, estimates, proofs and other documents used by us in making our said abstract have heen deposited in the Bureau of Street Open-ing in the Law Department of The City of New York, at the office of said bureau, Municipal Building, in the Borough of Manhattan, in said City, there to remain until the 11th day of Sep-

tember, 1925. Third-That, provided there be no objections filed to our said revised and corrected abstract as to Damage Parcels 5, 6, 9 and 10, our revised and corrected report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III, to be held in the County Court House, in the Borough of Manhattan, in the City of New York, on the 6th day of October, 1925, at the opening of the

Court on that day.
Fourth-In case, however, objections are filed to our said revised and correct abstract as to Damage Parcels 5, 6, 9 and 10, the motion to confirm our revised and corrected report herein will stand adjourned to a date to be hereafter specified, and of which notice will be given to all those who have heretofore appeared in this proceeding, as well as by publication in the CITY RECORD, pursuant to sections 981 and 984 of the Greater New York Charter, as amended.

Dated, New York, August 31, 1925, CHARLES A. BOSTON, PHILIP J. DUNN, MAURICE BLOCH, Commissioners. WILLIAM J. FAWCETT, Clerk.

SUPREME COURT, SECOND DEPARTMENT.

Application to Court to Condemn Property

In the Matter of Acquiring Title by The City of New York to certain lands and premises situated on the southerly side of 91ST AVE-NUE between 113th and 114th streets, Rich-mond Hill, Borough of Queens, City of New York, duly selected as a site for school pur-

poses according to law. PURSUANT TO THE STATUTES IN SUCH case made and provided, notice is hereby given that it is the intention of the Corporation Counsel of The City of New York to make application to the Supreme Court of the State of New York, at a Special Term, Part I, thereof, for the hearing of motions, to be held in and for the County of Kings, at the County Court House, in the Borough of Brooklyn, City of New York, on the 16th day of September, 1925, at the opening of court on that day, or as soon thereafter as counsel can be heard thereon, to have the compensa-tion which ought justly to be made to the respective owners of the real property proposed to be taken in the above proceeding ascertained and

determined by said court without a jury.

The nature and extent of the improvement hereby intended is the acquisition of title in fee simple absolute by The City of New York to certain lands and premises, with the buildings thereon and appurtenances thereunto belonging, situated on the southerly side of 91st avenue between tween 113th and 114th streets, Richmond Hill, in the Borough of Queens, City of New York, the same to be converted, appropriated and used as a site for school purposes. Said lands and premises so to be acquired are bounded and described as follows:

"Beginning at the corner formed by the intersection of the southerly side of 91st avenue and the easterly side of 113th street, and running thence southerly along the easterly side of 113th street 214 feet to the southerly line of Lot No. 68; and thence casterly along the southerly line of Lot No. 68 100 feet to the centre line of the block; thence again southerly along the centre line of the block to the southerly line of Lot No. 1; thence again easterly along the southerly line of Lot No. 1 100 feet to the westerly side of 114th street; thence northerly along the westerly side of 114th street 220 feet to the southerly side of 91st avenue; thence westerly along the side of 91st avenue; thence westerly along the southerly side of 91st avenue 200 feet to the point or place of beginning, be the said several dimensions more or less, said premises being designated as Lots Nos. 1, 68, 71, 72, 74, 76, 79, 81, 83 and 86, in Block 268, Ward 4, on the tax maps of the Borough of Queens, together with all right, title and interest, if any, in and to the streets or avenue in front thereof to the centre thereof, with the understanding that the centre thereof, with the understanding that the southerly portion of the lands, as described above, will be taken in connection with the opening of 91st avenue from 114th street to 113th street, upon the closing of 91st avenue, as now laid out

and in use between the said streets,
Dated, New York, August 31, 1925.
GEORGE P. NICHOLSON, Corporation Counsel. Office and Postoffice Address, Municipal Building, Borough of Manhattan, New York

DEPARTMENT OF HEALTH.

Proposals.

FRANK J. MONAGHAN, M. D., President; HAS. L. KOHLER, Secretary. Dated Aug. 28, 1925. # See General Instructions to Bidders on

last page, last column of the "City Record," NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS ON WORK TO BE DONE FOR OR SUP-PLIES TO BE FURNISHED TO THE CITY OF NEW YORK.

The person or persons making a bid for any service, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a scaled envelope, indorsed with the title of the supplies, materials, work or services for which the bid is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the bids will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid shall contain the name and place of residence of the person making the same, and the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making a bid for the same purpose, and is in all respects fair and without collusion or fraud and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereto, or clerk therein, or other officer or employee of The City of New York is, shall be, or become interested, directly or indirectly, as con-tracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath, in writing, of the party or parties making the bid that the several matters stated therein are in all

respects true.

No bid will be considered unless, as a condition precedent to the reception or consideration of such bid, it be accompanied by a certified check upon one of the State of National banks or trust companies of the City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificate of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertsiement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter. All bids for supplies must be submitted in

duplicate. The certified check or money should not be inclosed in the envelope containing the bid, bur should be either inclosed in a separate envelope addressed to the head of the Department, Presi dent or Board, or submitted personally upon the presentation of the bid.

For particulars as to the quantity or quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who defaulter as surety or otherwise upon any obligation of the City.

The contract must be bid for separately.

The right is reserved in each case to reject all ids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their

bids in addition to inserting the same in figures. Bidders are requested to make their hids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to enclose the bid, together with a copy of the contract, including the specifiations, in the form approved by the Corporation Counsel, can be upon application therefor at the office of the Department for which be work is be and drawings of construction war may be seen
