#### COMMISSIONERS OF THE SINKING FUND.

#### Notices of Public Hearings.

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking Fund, pursuant to the provisions of chapter 372 of the Laws of (being section 823-E of the Greater York Charter), will hold a continued public hear-ing at 11 o'clock in the forenoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the ommissioner of Docks for approval of a plan determined upon by the Commissioner of Docks on March 21, 1925, for the alteration and amendnent of the plan formerly determined upon by the Commissioner of Docks on June 20, 1924, and approved by the Commissioners of the Sinking fund on November 13, 1924, for the improve-ment of the waterfront and harbor of the City of New York, in Gravesond Bay between West 23d street and West 37th street, Borough of

Brooklyn.

The following is a technical description of the

proposed plan: The proposed alteration and amendment of the plan formerly determined upon by the Commissioner of Docks June 20, 1924, and approved by the Commissioners of the Sinking Fund on November 13, 1924, for the improvement of the waterfront and harber of the City of New York, in Gravesend Bay, between West 23d street and West 37th street, in the Borough of Brooklyn

First—Discontinuing that portion of the bulk-head line as determined upon by the Commission 24th of Docks on June 20, 1924, between West 24th street and West 28th street.

Second-Discontinuing that portion of the mar

ginal street, wharf or place between the same limits and establishing therefor:

(a) A bulkhead line between West 24th street and West 28th street and which line shall be a continuation of the bulkhead line tormerly deternined upon between West 28th street and West 33d street until the same meets and is intersected by that portion of the bulkhead line formerly determined upon by the Commissioner of Docks between West 23d street and West 24th street. (b) A marginal street, wharf or place 60 feet in width between West 24th and West 28th

streets, to be in continuation of that portion of the marginal street, wharf or place formerly de-termined upon between West 28th street and West 33d street until it meets and is intersected by that portion of the marginal street formerly determined upon between West 23d street an West 24th street, the exterior line of said marginal street being coincident with the pro-posed bulkhead line described above. The plan is open to the inspection of any citizen

office of the Comptroller of The City o New York (Municipal Building), at all times during business hours, until the day of the

hearing,
Dated, New York, August 31, 1925.
JOHN F. HYLAN, Mayor, and Chairman,
JOHN F. HYLAN, Mayor, and Chairman,
a31,55

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Greater New York Charter), will hold a continued public hearing at 11 o'clock in the forenoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks for approval of plan determined upon by the Commissioner of Docks on April 20, 1925 for the alteration and amendment of that portion of the plan, for improving the waterfront and barbor of the City of New York, as determined upon by the Board of the Department of Docks on April 13, 1871, and approved by the Commissioners of the Sinking Fund on April 27, 1871 on the North River, as subsequently altered and amended, between Pier 31 at Watts street and Pier 35 at Spring street, Borough of Manhattan. The following is a technical description of the

amended plan: The proposed alteration and amendment of that portion of the plan, for improving the waterfront and harbor of the City of New York, as de-termined upon by the Board of the Department of Docks on April 13, 1871, and approved by the Commissioners of the Sinking Fund on April 27, 1871, on the North River, as subsequently altered and amended, between Pier 31, at Watts street, and Pier 35, at Spring street, in the Borough of Manhattan, consists in:

Discontinuing the 200-foot wide pier at the foot of Spring street and the 200 foot wide pier immediately south of Canal street, as shown mechately south of Canal street, as shown on the previously adopted new plan, and establishing therefor Pier 34, at the foot of Spring street, having a width of 160 feet, at the outer end, and a width of 174 feet at the inner end, and extending from the established bulkhead line outshoreward to the established pierhead line, and Pier 32, immediately south of Canal street, having a width of 150 feet and extending from the ostablished bulkhead line outshoreward to the established bulkhead line outshoreward to the established pierhead line, the northerly side of which pier is 465 feet south of and parallel with the northerly side of Pier New 34, just described The northerly side of Pier New 34 is 117 feet north of and parallel with the westerly prolonga-

tion of the south side of Spring street.

The plan is open to the inspection of any citizen office of the Comptroller of The City of New York (Municipal Building), se all times during business hours, until the day of the

Datel, New York, August 31, 1925 JOHN F. HYLAN, Mayor, and Chairman, commissioners of the Sinking Fand. a31,55

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking Tund, in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Greater New York Charter), will hold a continued public hearing at 11 o'clock in the forenoon, on Thurs-day, September 24, 1925, in Room 16, City Hall, Borough of Manhattan, relative to a request of the Commissioner of Docks for approval of plan WNERS WANTED BY THE PROPERTY
Clerk of the Police Department of The City
New York for the following property powers:

New York for the following property powers:

tween East 11th street and East 14th street, East River, of the plan formerly determined upon by the Commissioner of Docks January 29, 1906, and approved by the Commissioners of the Sinking Fund on February 21, 1906, for the improving of the waterfront and harbor of the City of New York on the East River, between East 8th street and East 14th street, Borough of Manhattan.

The following is a technical description of the proposed plan:

The proposed alteration and amendment for improving the waterfront and harbor of the City of New York of that portion between East 11th street and East 14th street, East River, of the plan formerly determined upon by the Commissioner of Docks January 29, 1906, and approved by the Commissioners of the Sinking Fund February 21, 1906, for the improvement of the waterfront and harbor of the City of New York, on the East River, between East 8th and East 14th streets, in the Borough of Manhattan, con-

sists in:
First-Discontinuing that portion of the marginal street, wharf or place shown on the former plan as lies between the southerly side of East 11th street and the southerly side of East 14th

treet. Second-Discontinuing that portion of the bulkhead line shown on the previous plan as lies be-tween the southerly side of East 11th street and the southerly side of East 14th street and the pier immediately south of and adjacent to East 14th street and establishing therefor a bulkhead

line described as follows:

Beginning at a point in the southerly side of East 11th street where the bulkhead line as determined upon by the Commissioner of Docks intersects the same; thence eastwardly along the southerly side of East 11th street to its intersection with the bulkhead line established by the Secretary of War April 25, 1890; thence northwardly and along the established bulkhead line to its intersection with the northerly side of East 11th street; thence still northerly and along the ulkhead line modified by the Secretary of War October 20, 1924, to its intersection with the southerly side of East 14th street.

Third-Discontinuing the pier shown on the ormer plan lying between East 13th and East

4th streets. Fourth-Discontinuing those portions of the piers shown on the former plan situated at the oot of East 11th street, East 12th street and immediately south of East 13th street as lie be-tween the bulkhead line shown on the former plan and proposed to be discontinued and the new bulkhead line proposed to be laid down by the amended plan.

The plan is open to the inspection of any citizen at the office of the Comptroller of The City of New York (Municipal Building), at all times during business bours, until the day of the

Dated, New York, August 31, 1925. JOHN F. HYLAN, Mayor, and Chairman, commissioners of the Sinking Fund. a31,s5

PUBLIC NOTICE IS HEREBY GIVEN THAT the Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823-E of the Charter), will hold a public hearing at 11 o'clock in the foremoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Mantan relative to a request of the Commissioner hattan, relative to a request of the Commissioner of Docks for approval of plan determined upon by the Commissioner of Docks on May 29, 1925 for the alteration and amendment of the plan for the improvement of the waterfront and harbor of the City of New York on the East River, between South 6th street and South 9th street, Borough

of Brooklyn.
The following is a technical description o

The proposed plan.

The proposed plan, for the alteration and amendment of the plan for the improvement of the waterfront and harbor of the City of New York, on the East River, between South 6th and South 9th streets, in the Borough of Brooklyn consists in:

First-Discontinuing that portion of the east-erly boundary line of the area set aside for water-front improvement by the Commissioner of Docks of The City of New York on June 10, 1909, and approved by the Commissioners of the Sinking Fund on June 30, 1909, as is situated between Fund on June 30, 1909, as is situated between the southerly boundary line of the area set aside for ferry purposes, by the Commissioner of Plant and Structures of The City of New York on April 5, 1921, and approved by the Commissioners of the Sinking Fund on June 16, 1921, im-mediately south of Broadway, and the westerly prolongation of the northerly side of 9th street.

Second-Increasing the area formerly set aside for waterfront improvement by the Commissioner of Docks, referred to above, within the lines

bounded and described as follows: Beginning at a point in the westerly line of Kent avenue, distant 100.59 feet south of a poin in same where the westerly prolongation of the southerly side of Broadway intersects the same; thence southwardly and along the westerly side of Kent averue to a point in same where the same is intersected by the northerly side of South 9th street; thence westwardly and along the northerly side of South 9th street and the westerly prolongation thereof to a point of intersection with the easterly boundary line of the area set aside for waterfront improvement by the Commissioner of Docks on June 10, 1909; thence northwardly and along the said easterly line of the area set aside for waterfront improvement just referred to, to a point in same where the same is intersected by the southerly boundary line of the area set aside for ferry purposes by the Commissioner of Plant and Structures on April 5, 1921; thence eastwardly and along the said boundary line of the ferry area to the point or place of beginning.

The plan is open to the inspection of any citizen at the office of the Comptroller of The City of New York (Municipal Building), at all imes during business hours, until the day of the

Dated, New York, August 31, 1925, JOHN F. HYLAN, Mayor, and Chairman, Commissioners of the Sinking Fund. a31,85

PUBLIC NOTICE IS HEREBY GIVEN THAT the Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907 (being section 823 E of the the Laws of 1910 (being section 823-E of the Charter), will hold a public hearing at 11 o'clock in the forenoon, on Thursday, September 24, 1925, in Room 16, City Hall, Borough of Manbattan, relative to a request of the Commissioner of Docks that a resolution be adopted approving to the institution of condensations. of and consenting to the institution of condem-nation proceedings by the Corporation Counsel for the acquisition of title in the name of and for the benefit of the corporation of The City of New York to property required for the improvement of the waterfront at Bergen Beach and adjacent to Paerdegat Basin, Jamaica Bay, Borough of Brooklyn, and that title thereto vest in The City of New York on the day after the entry of the order granting the application to

condemn said property.

The following is a technical description of the

property to be acquired:
All the real property, wharf property, lands, lands under water, lands under water filled in, not now owned by The City of New York. determined upon by the Commissioner of Docks on January 5, 1925, for the alteration and amendment for improving the waterfront and harbor of the City of New York, of that portion be-

East Mill Basin and Paerdegat Avenue North, hereinafter more particularly described, together with all riparian and incorporeal rights not now owned by The City of New York, appurtenant of and to said whart property, lands, lands under water filled in and all riparian and incorporeal rights not now owned by The City of New York, appurtenant and to the upland along the said westerly and northerly shore of Jamaica Bay, within the said limits, necessary to be acquired or extinguished to permit the filling in of said lands and lands under water for the construction of a marginal street, wharf or place thereon,

Parcel No. 1. Beginning at a point, in the centre line of East Mill Basin, where the same is intersected by the mean high water line, along the northerly side of Big Dam Creek; thence northwardly and along the centre line of East Mill Basin of about 145 feet to the high water line, along the southerly side of an unnamed creek, running first northwardly and then west-wardly from Big Dam Creek; thence eastwardly, southerly and westwardly along the mean high water line of the above mentioned creek flowing into Big Dam Creek, as the same winds and turns, to the point or place of heginning.

Parcel No. 2. Beginning at a point in the pierhead and bulkhead line along the easterly side of East Mill Basin, as determined upon by the Commissioner of Docks on October 7, 1921, and approved by the Commissioners of the Sinking Fund on January 5, 1922, where the same is intersected by the southerly side of Avenue Y; thence southwardly and along said pierhead and bulkhead line to a point in same, where the same is intersected by the high water line, along the easterly side of an unnamed creek running into Big Dam Creek; thence westwardly, northwardly and along the said high water line to a point in same, where the southerly side of Avenue Y intersects the same; thence castwardly and along the southerly side of Avenue Y to the

point or place of beginning.

Parcel No. 3. Beginning at a point in the pierhead and bulkhead line along the easterly side of East Mill Basin, as determined upon by the Commissioner of Docks on October 7, 1921, and approved by the Commissioners of the Sinking Fund on January 5, 1922, where the mean high water line along the northerly side of Big Dam Creek intersects the same; thence westwardly and along the said high water line of Big Dam Creek until it meets the nigh water line along the easterly side of an unnamed creek running northwardly from Big Dam Creek; thence northwardly and eastwardly and along the last mentioned high water line to the point of inter-section with the pierhead and hukkhead line above referred to; thence southwardly and along said pierhead and bulkhead line to its intersection with the high water line of Big Dam Creek, the point

or place of beginning.
Parcel No. 4. Beginning at a point in the southerly side of Avenue Y where the picrhead and bulkhead line along the easterly side of East Mill Basin, determined upon by the Commissioner of Docks on October 7, 1921, and approved by the Commissioners of the Sinking Fund January 5, 1922, intersects the same; thence east-wardly and along the said southerly side of Ave-nue Y to the point of intersection with the east-erly side of Bergen avenue; thence northwardly and along the easterly side of Bergen avenue to an angle point in same; thence still north-wardly and along the casterly side of Bergen avenue and along the easterly side of Paerdegat Avenue South to an angle point in Paerdegat venue South; thence still northwardly and along Avenue South; thence still northwardly and along the easterly side of Paerdegat Avenue South to a point of intersection with the easterly side of Ralph avenue; thence northwardly along the easterly side of Ralph avenue to a point of intersection with the southerly side of Flatlands avenue, as the same has been laid down upon the City map as having a width of 80 feet; thence eastwardly and along the southerly side of Flatlands avenue a distance of 33.24 feet to an intersection with the westerly line of the property ersection with the westerly line of the property belonging to The City of New York, as acquired May 2, 1904; thence southwardly in two courses and along the westerly line of property acquired by The City of New York May 2, 1904, to a point of intersection with the former Town Commissioners' bulkhead line, said ooint of intersection being situated between Bergen 13th and Bergen 14th streets prolonged and which bulk head line is also the westerly line of property acquired by The City of New York on May 2, 1904; thence still southwardly and along said Town Commissioners' bulkhead line and along the Town Commissioners' bulkhead line and along the westerly line of the property of The City of New York above referred to, to the southerly line of property acquired by The City of New York on May 2, 1904; thence eastwardly and along the southerly property line of The City of New York just referred to, to a point of intersection with the pierhead and bulkhead line along the westerly side of Pacytlesat Basin determined upon by side of Paerdegat Basin determined upon b the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sink-ing Fund April 16, 1925; thence southwardly and along said pierhead and bulkhead line to its intersection with the mean high water line of Jamaica Bay; thence westwardly, southwardly, eastwardly, northwardly, eastwardly and southwardly and along the mean high water line of Jamaica Bay as the same winds and turns, to a point of intersection with the northerly line of the grant of the lands under water, issued the Commissioners of the Land Office of the State of New York on September 18, 1896, to John Cowenhoven and Joanna C. Voorhees; thence eastwardly and along the northerly side of said grant to a point of intersection with the pierhead and bulkhead line along the westerly side of Paerdegat Basin, determined upon by the Commissioner of Docks on October and approved by the Commissioners of the Sink-ing Fund January 5, 1922; thence southwardly and along said pierhead and bulkhead line to a point of intersection with the easterly line of aid watergrant; thence southwardly and along the westerly side of said watergrant and also along the easterly side of a grant of lands under office of the State of New York on October 20, 1897, to Percy G. Williams and Thomas Adams, Ir., to the southerly side of said grant; thence westwardly, northwardly and along the southerly and westerly sides of said grant to the point of intersection with the high water line along the northerly side of Big Dam Creek; thence westwardly and along the said high water line of Big Dam Creek to the pierhead and bulkhead line. determined upon by the Commissioner of Docks October 7, 1921, and approved by the Commis-sioners of the Sinking Fund January 5, 1922, along the easterly side of East Mill Basin; thence northwardly and along said pierbead and bulkhead

line to the point or place of beginning.

Parcel No. 5. Beginning at a point in the southerly side of Flatlands avenue as the same is laid down upon the City map as having a width of 80 feet where the same is intersected by the easterly line of property acquired by The City of New York on May 2, 1904; thence eastwardly and along the southerly side of Flatlands avenue to its intersection with the westerly side of East 76th street, as the same is laid down upon the City map as having a width of 90 feet; thence southwardly and along the westerly side of the said East 76th street to the angle point formed by the westerly side of East 76th street with the

North to its intersection with the original high water line along the northerly shore of Jamaica Bay before the area outshore thereof was filled in by The City of New York; thence westwardly and along the original high water line along the northerly side of Jamaica Bay, as the same winds and turns, to a point in same where the same is intersected by the pierhead and bulkbead line along the easterly side of Paerdegat Basin, as determined upon by the Commissioner of Commissioners of the Sinking Fund April 16, 1925; thence northwardly along said pierhead and bulkhead line until it intersects the and bulkhead line until it intersects the southerly property line of the property acquired by The City of New York May 2, 1904; thence northwardly and along the easterly side of the property acquired by The City of New York May 2, 1904, until it meets an angle point in the pier-head and bulkhead line referred to above, about opposite Paerdegat 1st street; thence north-wardly and along the said pierhead and bulkhead line to the northeasterly corner of Paerdegat Basin; thence westwardly and along the said pierhead and bulkhead line referred to a distance of 228.74 feet to the easterly property line of property acquired by The City of New York; thence northwardly in two courses, first 59.39 feet and then 244.75 feet, to the point or place of

Parcel No. 6. Beginning at a point in the pierhead and bulkhead line along the westerly side of Paerdegat Basin, as determined upon by the Commissioner of Docks October 7, 1921, and approved by the Commissioners of the Sinking Fund January 5, 1922, where the same is intersected by the northerly side of a grant of the lands under water issued by the Commissioners of the Land Office of the State of New York on September 18, 1896, to John Cowenhoven and Joanna C. Voorhees; thence eastwardly and along the northerly line of said grant to the easterly side thereof; thence southwardly and along the easterly side thereof to the pierhead and bulkhead line above referred to; thence northwardly and along the said pierhead and hulkhead line to the point or place of beginning.

Parcel No. 7. Beginning at a point in the pierhead and bulkhead line along the westerly side of Paerdegat Basin, as determined upon by the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sinking Fund April 16, 1925, where the said line is intersected by the high water line of the northerly shore of Jamaica Bay; thence eastwardly, northwardly, westwardly, southwardly and west-wardly and along the high water line of Jamaica Bay, as the same winds and turns, to a point of intersection with the pierhead and bulkhead line just referred to; thence southwardly and along the said pierhead and bulkhead line a distance of about 460 feet to the point or place of be-

Parcel No. 8. Beginning at a point in the pierhead and bulkhead line, along the easterly side of Paerdegat Basin, as determined upon by the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sinking Fund April 16, 1925, along the easterly side of Paerdegat Basin, where the same is intersected by the original high water line along the northand northwardly and along the said high water line as the same winds and turns, to the point of intersection with the southerly line of the property acquired by The City of New York on May 2, 1904; thence eastwardly and along the said property line to a point of intersection with the pierhead and bulkhead line above referred to: thence southwardly and along the said pierhead and hulkhead line to the point or place of be-

Parcel No. 9. Beginning at a point in the pierhead and bulkhead line along the easterly side of Paerdegat Basin, as determined upon by the Commissioner of Docks February 18, 1925, and approved by the Commissioners of the Sinking Fund April 16, 1925, about opposite Paerdegat 1st street; thence northwardly and along said pierhead and bulkhead line to the northeasterly corner of Paerdegat Basin; thence westwardly a distance of 228.74 feet and along the said pierhead and bulkhead line along the northerly side Basin to a point with the easterly line of the property acquired by The City of New York May 2, 1904; thence southwardly and along the said property line to

#### Proposals.

SEALED BIDS WILL BE RECEIVED BY the President of the Borough of Queens, at his office, 4th floor, Queens Subway Building, 68 Hunterspoint ave., L. I, City, until 11 a. m.,

THURSDAY, SEPTEMBER 10, 1925.

NO. 1. FOR THE CONSTRUCTION OF A SEWER AND APPURTENANCES IN MONTEVERDE AVE. FROM HULL AVE. TO THE PROPERTY LINE ABOUT 200 FEET SOUTH OF FALKNER ST. WITH A TEMPORARY CONNECTION TO THE EXISTING SEWER IN MONTEVERDE AVE., SOUTH OF HULL AVE., SECOND WARD.

The Engineer's estimate of the quantities is as follows:

as follows

235 linear feet 12-inch vitrified pipe sewer. 60 linear feet 10-inch vitrified pipe sewer. 3 manholes.

basin manholes (Type No. 3).

1 inlet (Type No. 1). 60 linear feet 12-inch vitrified pipe basin con-15 linear feet 10-inch vitrified pipe basin con-

nection. 64 linear feet 6-inch vitrified pipe house connection drains.

15 6-inch spurs on 12-inch vitrified pipe sewer. 15 6-inch spurs on 12-inch vitrified pipe sewer. The time allowed for completing the above work will be fifteen (15) working days. The amount of security required will be One Thousand One Hundred Dollars (\$1,100). NO. 2. FOR THE CONSTRUCTION OF A SEWER AND APPURTENANCES IN 37TH ST. (JUNCTION AVE.) FROM OLD MILL RD. (A POINT ABOUT 470 FEET SOUTH OF THE CENTRE LINE OF PATTERSON AVE.) TO JACKSON AVE., SECOND WARD. The Engineer's estimate of the quantities is as follows:

as follows: 210 linear feet 15-inch vitrified pipe sewer, 554 linear feet 12-inch vitrified pipe sewer.

6 manholes. 16 6-inch spurs on 15-inch vitrified pipe sewer. 53 6-inch spurs on 12-inch vitrified pipe sewer, 106 linear feet 6-inch vitrified pipe house con-

nection drains.

The time allowed for completing the above work will be twenty-five (25) working days.

The amount of security required will be Two Thousand Three Hundred Dollars (\$2,300) SEWER AND APPURTENANCES IN 176TH (30TH) ST. FROM 45TH (FRANCONIA) AVE. TO 43D (CYPRESS) AVE., THIRD WARD.

The Engineer's estimate of the quantities is as follows.

800 linear feet 12-inch vitrified pipe sewer.

80 6-inch spurs on 12-inch vitrified pipe sewer. 368 linear feet 6-inch vitrified pipe house connection drains.

The time allowed for completing the above

The time allowed for completing the above work will be thirty (30) working days.

The amount of security required will be Two Thousand Six Hundred Dollars (\$2,600).

NO. 4. FOR THE CONSTRUCTION OF A SEWER AND APPURTENANCES IN CHICHESTER AVE. (95TH AVE.) FROM 110TH ST. TO 111TH ST., FOURTH WARD.

The Engineer's estimate of the quantities is The Engineer's estimate of the quantities is

as follows: 142 linear feet 12-inch vitrified pipe sewer.

8 6-inch spurs on 12-inch vitrified pipe sewer. 58 linear feet 6-inch vitrified pipe house connection drains.

The time allowed for completing the above

work will be ten (10) working days.

The amount of security required will be Four Hundred and Fifty Dollars (\$450). The deposit with each bid must be 5 per cent. of the amount of security required for the work

for which the bids are submitted. The lidder must state the price of each item or article contained in the specification or schedule herein contained or hereafter annexed, per square yard, linear foot, or other unit of measure by which bid will be tested. Bids will be compared and each contract awarded at a lump or aggregate sum. Blank forms may be obtained and the plans and drawings may be seen at the office of the President of the Borough of Queens.

Dated Aug. 26. 1925. a29,s10

of beginning, containing an area of 7,674 square feet, together with all wharfage rights, incor-

The amount of security required will be Eleven Thousand Dollars (\$11,000).

The amount of deposit accompanying the bid shall be five per cent. (5%) of the amount of

security. The Eng as follows: Engineer's estimate of the quantities is

6,200 cubic yards execuation.
1,850 linear feet cement concrete curb furnished and constructed with steel nosing, and one (1) year's maintenance. 9,000 square feet cement sidewalk furnished and constructed, and one (1) year's maintenance. 2 sewer manholes rebuilt (standard, Bureau of Sewers).

1 sewer manhole adjusted (standard, Bureau of

Sewers).
560 cubic yards steam ashes furnished and spread.
Where concrete retaining walls are required

in excavation or embankment the price to be paid for their construction in accordance with the plans and directions of the Engineer shall be Twelve Dollars (\$12) per cubic yard of concrete in place.

The concrete shall be made of one (1) part of best quality of Portland cement, two (2) parts of clean sharp sand and four (4) parts, by volume, of clean, broken stone or gravel, and thoroughly

tamped,
NO. 2. FOR REGULATING, CURBING
AND LAYING SIDEWALKS WHERE NECESSARY, AND FOR ALL WORK INCIDENTAL THERETO, IN GROUT AVE. FROM STH ST. TO PROPERTY LINES EASTERLY
THEREOF RESPECTIVELY ABOUT 475
FEET ON THE NORTHERLY SIDE AND
275 FEET ON THE SOUTHERLY SIDE,
SECOND WARD, IN ACCORDANCE WITH
SECTION 435 OF THE CHARTER.

The time allowed for doing and completing the above work will be fifteen (15) calendar days.

The amount of security required will be Two Thousand Dollars (\$2,000).

The amount of deposit accompanying the bid shall be five per cent. (5%) of the amount of

security.

The Engineer's estimate of the quantities is as follows:

800 linear feet cement concrete curb furnished and constructed with steel nosing, and one (1) year's maintenance.

year's maintenance.
3,950 square feet cement sidewalk furnished and constructed, and one (1) year's maintenance.
NO. 3. FOR REGULATING AND REPAVING WITH ASPHALT BLOCK UPON EXISTING CONCRETE FOUNDATION, TOGETHER WITH ALL WORK INCIDENTAL THERETO, IN DIAGONAL ST. FROM JACKSON AVE. TO OUTERS BLYD.

SON AVE. TO QUEENS BLVD.

The time allowed for doing and completing the above work will be fifty (50) calendar days.

The amount of security required will be Forty-six Thousand Dollars (\$46,000).

The amount of deposit accompanying the bid shall be five per cent. (5%) of the amount of security

The Engineer's estimate of the quantities is as follows: 50 linear feet new bluestone curb furnished and set in concrete.

100 linear feet old bluestone curb redressed and reset in concrete.
100 linear feet cement concrete curb furnished and constructed with steel nosing, and one (1)

year's maintenance. 500 square feet cement sidewalk furnished and constructed, and one (1) year's maintenance.
300 cubic yards concrete in place within the rail-

road franchise area. 500 cubic yards concrete in place, outside of the railroad tranchise area. 20 square yards completed granite block pave-

ment relaid within the railroad franchise area. including sand bed, cement grouted joints, and no maintenance. 8.650 square yards completed 3-inch asphalt

block payement laid outside the ailroad franchise area, including mortar bed, said joints, and five (5) years' maintenance. 4,400 square yards completed 3-inch asphalt block pavement laid within the railroad franchise area, including mortar bed, sand joints, and no

maintenance. ment relaid outside the railroad franchise area, including sand bed, cement grouted joint, and

no maintenance. 4,400 square yards old asphalt blocks (within the railroad franchise area) taken up, hauled to and piled in the Corporation Yard at Nott and Borden aves, in case they are not removed by

the street surface railroad company.

NO. 4. FOR REGULATING, CURBING AND LAYING SIDEWALKS WHERE NECESSARY, TOGETHER WITH ALL WORK INCIDENTAL THERETO, IN TIEMANN AVE, FROM NICOLLS ST, TO OPDYKE ST.

The time allowed for doing and completing the above work will be ten (10) calendar day

# DEPARTMENT OF FINANCE.

a29.510

Proposals. SEALED BIDS WILL BE RECEIVED AT the Department of Finance of The City of New York, at its office, Room 725, Municipal Building, Manhattan, from 9 a. m. to 10.30 a. m.,

MONDAY, SEPTEMBER 14, 1925.

FOR FURNISHING AND DELIVERING SIX (6) STEEL FILING CARINETS, SEVEN-TEEN (17) STEEL BOOKKEEPER'S DESKS.

The time for the performance of contract is 90 consecutive calendar days after the endorsement of the certificate of the Comptroller. The amount of security required is 30% of the total amount for which the contract is awarded. No bid shall be considered unless it is accom-

panied by a deposit of 11/2% of the total amount The bidder will state the price per item, as called for in the schedules of quantities and prices, by which the bids will be tested. The extensions must be made and footed up, as the bids will be read from the total, and awards, if made,

made to the lowest bidder on each item, as stated in the schedules.

Bids must be submitted in a sealed envelope. Specifications referred to in the schedules may be had upon application at Room 723, Municipal

Building, Manhattan.

Blank forms and further information may be obtained at the office of the Department of Finance, Room 723, Municipal Building, Man-DEPARTMENT OF FINANCE, C. F. KER-

#### RIGAN, Deputy Comptroller, \$1,14 last page, last column of the "City Record."

#### SUPREME COURT, FIRST DEPARTMENT.

#### Filing Preliminary Abstract.

In the Matter of the Application of The City of New York, acting by and through the Com-missioner of Docks, relative to acquiring right and title to and possession of certain lands, lands under water, lands under water filled in, wharfage rights, incorporeal hereditaments, terms, easements, emoluments, privileges and appurtenances necessary to be taken for the improvement of the waterfront of the City of New York, on the North River, between the north side of West 44th street and the centre line of the block between West 47th and West 48th streets, pursuant to the plan heretafore, adopted by the Board of Docks. heretofore adopted by the Board of Docks, and amended by the Board of Docks and the Commissioner of Docks, and approved by the Commissioners of the Sinking Fund. WE, THE UNDERSIGNED COMMISSIONERS

of Estimate, in the above entitled proceeding, hereby give notice to all persons interested in this proceeding, and to the owner or owners, occupant or occupants, of all houses and lots and improved and unimproved lands, pier or wharf property, or in any rights, privileges or interests pertaining thereto, affected thereby, and to all others whom it may concern, to wit:

First-That we have completed our revised and corrected abstract of estimate as to Damage Parcels 5, 6, 9 and 10, and that all persons in-terested in this proceeding or in any of the uplands, lands, lands under water, pier and wharf property affected thereby, and having objections thereto, do file their said objections in writing, duly verified with us at our office, Room No. 1521, Municipal Building, in the Borough of Manhattan, in the City of New York, on or before the 11th day of September, 1925, and that we the said Commissioners will hear parties so objecting, and for that purpose will be in at-tendance at our said office on the 14th day of September, 1925, at 2 o'clock in the afternoon of that day.

Second-That said revised and corrected stract as to Damage Parcels 5, 6, 9 and 10, to-gether with our damage map, and also all the affidavits, estimates, proofs and other documents used by us in making our said abstract have been deposited in the Bureau of Street Opening in the Law Department of The City of New York, at the office of said bureau, Municipal Building, in the Borough of Manhattan, in said City, there to remain until the 11th day of Sep-

Third-That, provided there be no objections filed to our said revised and corrected abstract as to Damage Parcels 5, 6, 9 and 10, our revised and corrected report herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III, to be held in the County Court House, in the Borough of Manhattan, in the City of New York, on the 6th day of October, 1925, at the opening of the

Court on that day. Fourth- In case, however, objections are filed to our said revised and correct abstract as to Damage Parcels 5, 6, 9 and 10, the motion country our revised and corrected report herein will stand adjourned to a date to be hereafter specified, and of which notice will be given to all those who have heretofore appeared in this proceeding, as well as by publication in the CITY RECORD, pursuant to sections 981 and 984 of the Greater New York Charter, as amended.

Dated, New York, August 31, 1925. CHARLES A. BOSTON, PHILIP J. DUNN, MAURICE BLOCH, Commissioners. WILLIAM J. FAWCETT, Clerk.

#### SUPREME COURT, SECOND DEPARTMENT.

# NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS ON WORK TO BE DONE FOR OR SUP-PLIES TO BE FURNISHED TO THE CITY OF NEW YORK.

The person or persons making a bid for any service, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a scaled envelope, indorsed with the title of the supplies, materials, work or services for which the bid is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the bids will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as

practicable.
Each bid shall contain the name and place of residence of the person making the same, and the names of all persons interested with him herein, and, if no other person be so interested, t shall distinctly state that fact; also that it is made without any connection with any other per-son making a bid for the same purpose, and is in all respects fair and without collusion or fraud and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereto, or clerk therein, or other officer or em-ployee of The City of New York is, shall be, or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath, in writing, of the party or parties making the bid that the several matters stated therein are in all

re-pects true.

No bid will be considered unless, as a condition precedent to the reception or consideration of such bid, it be accompanied by a certified check upon one of the State of National banks or trust com-panies of the City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificate of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertsiement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter. All bids for supplies must be submitted in

duplicate. The certified check or money should not be inclosed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Roard, or submitted personally upon the presentation of the bid.

For particulars as to the quantity or quality of the supplies, or the nature and extent of the work, reference must be made to the specifica tions, schedules, plans, etc., on file in the said office of the President, Board or Department, No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who

s a defaulter as surety or otherwise upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all sids if it is deemed to be for the interest of the

Ci y so to do.

Bidders will write out the amount of their hids in addition to inserting the same in figures. Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to enclose the bid, together with a copy of the contract, including the specifiations, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which "e work it 's be done or the supplies are to . . . arnished. . . . . and drawings of construction were may be seen there.
