The bidder will state the unit price, per lineal foot or other unit of measure by which bids will be compared for each item of work contained in the Engineer's estimate as given in the Instructions to Bidders.

The Commissioner of Sanitation reserves the right to reject any and all bids.

This deposit will be refunded upon the return of all of these matters in good condition, within ten (10) days after the receipt of the bids, together with the receipt given for such deposit.

Blue prints of contract drawings may be purchased by prospective bidders. Information may be obtained from the Chief Clerk as to the price of the blue prints and where same may be procured; drawings so purchased shall become the property of the purchaser. THOMAS W. Within 10 days after the service of such notice each of the parties hereto, lessor and lessee, shall appoint an impartial arbitrator who shall be a person solely engaged in the real estate business in the Borough of Manhattan for at least 10 consecutive years prior to such appointment. Said two arbitrators so appointed shall, within 10 days thereafter proceed to name a third arbitrator. If either party hereto, lessor or lessee, fails within such 10 days after service of such written notice to appoint an arbitrator, then the other party hereto shall be entitled to appoint both arbitrators. Said arbitrators shall be paid a reasonable compensation for their services, each party to pay one-half thereof. The said lease shall contain the clauses in common use in the City of New York for leases of like character and shall particularly contain a clause that in the event the property is required for any public or quasi-public use or purpose the lease shall come to an end and be null and void for the remainder of the unexpired term thereof or any renewal thereof, the tenant to have and retain the right to recover and be paid damages for any interest in any building, as distinguished from the land, which he suffers or of which he is deprived for the remainder of the lease or any renewal thereof, otherwise said clause to be the usual condemnation clause generally so employed, said lease to contain and be conditioned upon the following terms and conditions:

The lessee shall deposit the sum of Ten Thousand Dollars (\$10,000) in cash or New York City bonds with the Comptroller of The City of New York at the time of sale as security for the payment of the rental to be reserved in the lease and the observance and performance of all the terms, covenants and conditions on the lessee's part to be performed, said deposit to be returned to the lessee upon the completion of a building or buildings on the demised premises costing not less than Forty Thousand Dollars (\$40,000), and the production of a certificate of occupancy issued by the Building Department and upon proper proof that there are no unsatisfied mechanics' liens or record against said demised premises by reason thereof.

In the event that the lessee fails to pay said taxes, assessments, duties, water rates, water taxes or charges or other impositions or any of them or any part thereof, when such taxes, assessments, duties, water rates, water taxes or other charges or impositions are payable, and such failure shall continue for a period of 60 days, the lessor may pay the same, or any of them, with interest and charges which may have accrued or become payable thereon, and in case of such payment, the lessee shall and will, on the first day of the subsequent month, pay to the lessor, as further rent for said demised premises, in addition to the rent hereby expressly reserved and payable, a sum equal to the amount which shall have been so paid in discharge of said taxes, assessments, duties, water rates, water charges or other impositions, or any of them, including interest and charges thereon and lawful interest on the amount so paid from the time of such payment by the lessor, and the lessor shall have the like rights and remedies in respect to such moneys so paid, in the event of the non-payment thereof by the lessee, as it would have as herein provided, in case of default in the payment of the rent and additional rent hereinbefore reserved and payable. The consent of the lessor, in any instance, to any variation of the terms of this lease, or the receipt of rent with knowledge of any breach, shall not be deemed to be a waiver as any breach of any covenant or condition herein contained, nor shall any waiver be claimed as any provision of this lease unless the same is in writing, signed by the Comptroller.

In case of the bankruptcy or insolvency of said lessee, no title to said lease or interest in said premises shall pass to a receiver or trustee in bankruptcy or to any assignee for the benefit of creditors, or to any receiver of any kind, or to any purchaser without the consent of the lessor, who at their option upon such bankruptcy, insolvency, assignment for the benefit of creditors, receivership or sale, may declare said lease null and void. THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale.

The purchaser shall not lease, occupy, cause, or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains and in place thereof cause to be inserted a brass plug in the main water pipe in the street in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all openings in the street to be obtained by and at the expense of the purchaser of the buildings.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior.
