BOARD OF ALDERMEN

Continued Public Hearings by the Committee on Buildings

PUBLIC NOTICE IS HEREBY GIVEN THAT THE COMMITTEE ON BUILDINGS will hold a continued public hearing in the ALDERMANIC CHAM-BER, CITY HALL, BOROUGH OF MANHATTAN, on THURSDAY, JUNE 27, 1935, at 2 P. M., on the the following:

An ordinance to repeal chapter five, articles one to thirty-two, inclusive, known as the Building Code of the Code of Ordinances of the city of New York, and to amend and supersede the said Code of Ordinances by adding a new chapter five, articles one to sixteen, inclusive, in place thereof.

For the consideration of "article 6, Means of Egress."

Amendments and suggestions must be submitted to the Committee in writing. This ordinance may be found in the minutes of the Board of Aldermen printed in THE CITY RECORD of March 22, 1934.

All persons interested are invited to be present.

j24.27 MICHAEL J. CRUISE, City Clerk and Clerk of the Board of Aldermen.

OFFICE OF THE MAYOR Hearings on Local Laws

PURSUANT TO STATUTORY REQUIREMENT, NOTICE IS HEREBY given that a local law, B. of A. No. 88; B. of A. Print No. 88; E. & A. Rec. No. 48; E. & A. Print No. 75, has been passed by both branches of the Municipal Assembly, entitled :

A local law to amend section one hundred sixty-six-a of the Greater New York Charter as amended in relation to awards to widows, children, and other relatives of members of the police and fire departments.

Further notice is hereby given that a PUBLIC HEARING upon such bill will be held at the MAYOR'S OFFICE in the CITY HALL in the City of New York, on FRIDAY, JUNE 28, 1935, at 9 O'CLOCK A. M.

Dated City Hall, New York, June 21, 1935.

FIORELLO H. LAGUARDIA, Mayor. j22,27

PURSUANT TO STATUTORY REQUIREMENT, NOTICE IS HEREBY given that a local law, B. of A. No. 37; B. of A. Print No. 37; E. & A. Rec. No. 19; E. & A. Print No. 74, has been passed by both branches of the Municipal Assembly, entitled:

A local law authorizing the police commissioner of the city of New York to 101 restore nine former prohationary patrolmen whose services were discontinued or 10 dispensed with on May first, nineteen hundred and thirty-four.

Further notice is hereby given that a PUBLIC HEARING upon such bill will be held at the MAYOR'S OFFICE in the CITY HALL in the City of New York, on 102 FRIDAY, JUNE 28, 1935, at 9 O'CLOCK A. M. 101

Dated City Hall, New York, June 21, 1935. FIORELLO H. LAGUARDIA, Mayor. j22,27 101

10 PURSUANT TO STATUTORY REQUIREMENT, NOTICE IS HEREBY given that a local law, E. & A. Int. No. 45, Print No. 52, has been passed by both 101 branches of the Municipal Assembly, entitled: 102

A local law to amend and supersede the Greater New York Charter, in rela-101 tion to monthly statements of unencumbered and unexpended balances of appropria-101 tions and other authorizations to be made to the comptroller.

PUBLIC NOTICE IS HEREBY GIVEN THAT THE COMMITTEE ON BUILDINGS will hold a continued public hearing in the ALDERMANIC CHAM-BER, CITY HALL, BOROUGH OF MANHATTAN, on MONDAY, JULY 1, 1935, at 2 P. M., on the following :

An ordinance to repeal chapter five, articles one to thirty-two, inclusive, known as the Building Code of the Code of Ordinances of the city of New York, and to amend and supersede the said Code of Ordinances by adding a new chapter five, articles one to sixteen, inclusive, in place thereof.

For the consideration of "article 14, Plumbing and Gas Piping."

Amendments and suggestions must be submitted to the Committee in writing. This ordinance may be found in the minutes of the Board of Aldermen printed in THE CITY RECORD of March 22, 1934.

All persons interested are invited to be present. j24,jy1 MICHAEL J. CRUISE, City Clerk and Clerk of the Board of Aldermen.

DEPARTMENT OF FINANCE

WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE ON SATURDAY, JUNE 22, 1935

Hereinbelow is a statement of warrants made ready for payment on this date in which is shown the Department of Finance warrant number, the date of the invoice or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant the dates of the earliest and latest are given, excepting that when such payments are made under a contract the registered number of the contract is shown therein.

All warrants herein will be forwarded through the mails unless some reason exists why payment is to be made in person, in which event, written notice will be given to the claimant. FRANK J. TAYLOR, Comptroller.

WILLIAM H. ALLEN, Secretary. j22,25

NOTICES OF EXAMINATIONS

General Instructions as to Examinations.

All examinations are open to both men and women unless advertisements state otherwise. Applicants must be of good character, citizens

of the United States and residents of the State of New York. Character, citizenship and residence are investigated.

Candidates must be at least 21 years of age on the closing date for receipt of applications unless advertisements state otherwise,

A qualifying physical test is given for each examination and a high degree of physical ability is required.

Pay includes money, pension, fair sick leave, plus one month's vacation in most cases. Applications for examinations must be filed on

forms furnished by the Commission. In rating the subject Experience no supple-mentary statements of any kind will be received after the final date for filing appli-

cations. Except as otherwise specifically stated in advertisements, all preliminary training or other qualifications required for the examination must be completed on or before the date of application.

Persons appointed from eligible lists resulting from examinations become members of the retirement system described in chapter XXVI of the Charter voluntarily within six months and com-pulsorily after six months of service.

The term of eligibility of a list resulting from an examination is fixed at not less than one year nor more than four years. No applications delivered at the office of the

chises, Room 1307, Municipal Building, Centre and Chambers streets, Borough of Manhattan, Telephone, WO rth 2-4560. PEARL BERNSTEIN, Secretary. New York, June 14, 1935. j17,28

New York, June 14, 1935.

PUBLIC NOTICE IS HEREBY GIVEN, PUR suant to law, that at the meeting of the Board Estimate and Apportionment held this day

the following resolutions were adopted: Whereas, The Spingler Electric Corporation has by a petition dated March 20, 1935, made application to this Board for a modification of the terms and conditions of a certain contract dated February 18, 1932, as amended, by a certain contract dated July 28, 1933, granting said company a franchise to lay, maintain and operate suitable wires or other electrical conductors in conduits for the purpose of supplying electrical current for light, heat and power under the streets, avenues and highways in a certain district in the Borough

of Manhattan, City of New York, upon certain conditions therein fully set forth; and Whereas, Sections 72, 73 and 74 of the Greater New York Charter, as amended by chapters 629 and 630 of the Laws of 1905 and chapter 467

of the Laws of 1914 provide for the manner and procedure of making such grants; and Whereas, Pursuant to such laws this Board adopted a resolution on May 3, 1935, fixing the date for public hearing thereon as May 24, 1935, at which citizens were entitled to appear and be heard and publication of said petition and of notice of public hearing thereon was had for at least two (2) days in the "Journal of Commerce" and "New York Post," newspapers designated by the Mayor, and in the CITY RECORD for ten (10) days immediately prior to the date of hearing, and said hearing was duly held and closed on said dav: and

Whereas, This Board has made inquiry as to the money value of the proposed modification of said contract of February 18, 1932, as amended by said contract of July 28, 1933, and the adequacy of the compensation proposed to be paid therefor; now, therefore, be it

Resolved, That the following form of resolu-tion for the consent or right applied for by the Spingler Electric Corporation containing the form of proposed contract for the grant of such right be hereby introduced and entered in the

Notices of Public Hearings

FRANCHISE MATTERS

PUBLIC NOTICE IS HEREBY GIVEN, pursuant to law, that at a meeting of the Board of Estimate and Apportionment, held June 14, 1935, the following petition was received: Sea Gate Bus Corporation, 2950 West 8th Street,

Brooklyn, N. Y., May 21, 1935. To the Board of Estimate and Apportionment of The City of New York, City Hall, New York: Sea Gate Bus Corporation, a corporation or-ganized and existing under the Transportation Corporations Law of the State of New York, hereby petitions your honorable Board for the granting of a franchise, right and privilege to establish, maintain and operate a stage coach or omnibus route for public use in the conveyance of persons upon, over and along the following streets | 1937.

minutes of this Board as follows, to wit:

Resolved. That the Board of Estimate and Ap-portionment hereby consents to a certain modification in the terms and conditions of the said contract of February 18, 1932, as amended by said contract of July 28, 1933, such modified terms and conditions being fully set forth and described in the following form of proposed con-tract for the grant thereof, and that the Mayor of The Given of New York he and he hereby is

of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, in the following form, provided that this resolution shall not become effective and such resolution shall be null and void if the Spingler Electric Corporation shall fail on its behalf to properly execute said contract in duplicate, and deliver the same to this Board within thirty (30) cays after the date of the approval of this resolution by the Mayor or within such further time as the Board shall grant by resolution adopted on a date prior to the expiration of aid thirty (30) days.

Proposed Form of Contract

This contract, made and executed in duplicate this day of , 193 , by and between The City of New York (hereinafter called the "City") by the Mayor of said City, acting for and in the name of said City under and in pur-suance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the "Board") party of the first part, and Spingler Electric Corporation, a domestic corporation (hereinafter called the "Company") party of the second part, witnesseth,

Whereas, By contract dated February 18, 1932, the City granted to the Company the right and privilege to lay, maintain and operate suitable wires or other electrical conductors in conduits for the purpose of supplying electrical current for light, heat and power under the streets, avenues and highways in a certain district in the Borough of Manhattan, City of New York, upon certain conditions therein fully set forth, and

Whereas, Section 2, Sixth of the said contract provides that the Company shall apply to the Public Service Commission for permission and approval to exercise the franchise or right granted pursuant to the Public Service Commission Lay within thirty (30) days after the date of the said contract and if within eighteen (18) months from the date of the contract the Company shall not have secured from the Public Service Commission such permission and approval then the franchise or right shall cease and determine, and

Whereas. The Company petitioned the Public Service Commission within the time specified for permission and approval to exercise the franchise and in an order dated April 4, 1933, the said petition was denied by the said Commission, and Whereas, Section 2, Sixth of said contract

of February 18, 1932, was thereafter amended by contract dated July 28, 1933, so as to extend the ime within which the Company was required to obtain the said permission and approval from the Public Service Commission to three (3) years and six (6) months from February 18, 1932, and Whereas, The Company presented a petition dated March 20, 1935, to the Board for a further modification of the said Section 2, Sixth so as to extend the time within which the Company must obtain the said permission and approval from the Public Service Commission to August 18,

Resolved, That these preambles and resolutions including the said resolution for the consent of The City of New York to the modifications as applied for by the Spingler Electric Corporation and the said form of a proposed contract for the grant of such modification containing said results of such inquiry after the same shall be entered in the minutes of this Board shall be published in full for at least fifteen (15) days immediately prior to Friday, June 28, 1935, in the CITY RECORD together with the following notice, to wit:

...., Mayor.

Dated, New York, May 24, 1935. i11.29

PRESIDENT, BOROUGH OF RICHMOND

Proposals

SEALED BIDS WILL BE RECEIVED BY

SEALED BIDS WILL BE RECEIVED BY the President of the Borough of Richmond, at his office, Borough Hall, St. George, Staten Island, until 12 noon, on WEDNESDAY, JUNE 26, 1935 FOR CONSTRUCTING SANITARY SEWERS IN WIMAN AVE. FROM SWEETWATER AVE. (BAYVIEW AVE.) TO A POINT ABOUT 280 FEET SOUTH OF TENNYSON DR. (OCEAN AVE.), AND OTHER STREETS. TOGETHER WITH ALL WORK INCIDEN-TAL THERETO. TAL THERETO.

Engineer's Preliminary Estimate The following Engineer's preliminary estimate of total cost for the completed work is to be taken

as the one hundred per cent. (100%) basis for bidding. Proposals shall state a single percentage of such 100 per cent, cost. (i. e., such as 95 per cent., 100 per cent, or 105 per cent.) for which all materials and work called for in the contract and the invitation to bidders is to be furnished to the City. Such percentage, as bid, shall apply to all unit items specified in the Engineer's preliminary estimate, to an extent necessary to complete the work described in the contract.

695 linear feet vitrified pipe sewer of 12-inch interior diameter, complete;

cent, of the amount of security. The bids will be compared and the contract

awarded at the lowest aggregate sum bid for the contract.

Bidders are requested to make their bids upon the blank form prepared by the President, a copy of which, with the proper envelope in which to enclose the bid, can be obtained upon application therefor at the office of the Engineer, Bureau of Engineering, Borough Hall, Staten Island, where plans and the contract, including the specifications, in the form approved by the Corpora-

tion Counsel, may be seen. j15,26 JOSEPH A. PALMA, President. AF See General Instructions to Bidders on last page, last column, of the "City Record."

DEPARTMENT OF HEALTH

Steel reinforcement bars, 5 cents per pound. Brick masonry, \$25 per cubic yard. Steam cinders, furnished, spread and rolled, \$1.50 per cubic yard.

The time allowed for the completion of the work and full performance of the contract will work and thil performance of the contact will days. The amount of security required is Three Hun-dred Thousand Dollars (\$300,000). The bidder will state the price of each item or article contained in the specifications (excepting

for the indeterminate or contingent items enumer-ated in paragraph 4.A, of the proposal for bids), per foot, cubic yard, or other unit of measure by which the bids will be tested. The bids will be compared and the contract awarded at a lump

or aggregate sum. Each bid must be accompanied by a deposit cash or certified check payable to the order of the Comptroller of the City in the sum of 5 per cent. of the security required for the contract

Blank forms and further information may be obtained and plans and drawings may be seen at the Bureau of Sewers, 9th floor, Municipal Buildj15,27 ing, Brooklyn.

RAYMOND V. INGERSOLL, President. AT See General Instructions to Bidders on last page, last column, of the "City Record."

DEPARTMENT OF HOSPITALS

Proposals

SEALED BIDS WILL BE RECEIVED BY the Department of Hospitals, 10th floor, Mu-nicipal Building, Borough of Manhattan, New York City, until 2 p. m., eastern daylight saving time, on

WEDNESDAY, JULY 10, 1935 at which time and place they will be publicly

opened and read. FOR FURNISHING ALL LABOR AND MA-TERIALS REQUIRED FOR THE MANUFAC-TURE, DELIVERY AND INSTALLATION

CONTRACT NO. 1-SPECIAL TYPE LIGHT ING FIXTURES:

CONTRACT NO. 2-STANDARD TYPE LIGHTING FIXTURES, DOOR NUMBER PLATES AND HARDWARE; -IN THE PSYCHOPATHIC HOSPITAL, LO.

CATED IN THE BLOCK BOUNDED BY E. 29TH ST., 1ST AVE, E. 30TH ST., AND THE EAST RIVER, BOROUGH OF MANHATTAN, CITY OF NEW YORK.

This contract is to be financed by a loan and grant by the Federal Emergency Administration of Public Works and is subject to the provisions of Title II of the National Industrial Recovery Act, and the rules and regulations prescribed b the President of the United States or the Ad ministrator of Federal Emergency Administration of Public Works. Attention of the bidders is particularly called

to the requirements as to the minimum wage rates to be paid under this contract.

Bids must be submitted in sealed envelope.

The bidder is warned that the preponderance of labor to be employed must be taken from the City of New York, provided that such labor is available and qualified to perform the work to which the employment relates. He is further warned that the bid of each subcontractor must be based on conforming with all of the provisions set forth in the contract to which it applies and which relate thereto, and that the subcontractor must comply with all of the requirements of the Federal Emergency Administration of Public Works. The term "subcontractor" is defined to mean any person, firm or corporation, other than the employees of the Contractor, who contracts to furnish labor, or labor and materials at the site of the project.

The time allowed for doing and completing the entire work and for the full performance of each contract is one hundred and twenty (120) consecutive calendar days. The successful bidder will be required to fur-

nish a faithful performance bond in form and substance and with sureties approved by the Comptroller of The City of New York and the State Engineer, in the amount of 100 per cent. of the amount of the accepted bid.

tractor. Bids must be submitted in sealed envelope. The bidder is warned that the preponderance of

interruption or interference with any other con

labor to be employed must be taken from the City of New York and the remainder from the State of New York, provided that such labor is available and qualified to perform the work to which the employment relates. He is further warned that the bid of each subcontractor must be hased on conforming with all of the provisions set forth in the contract to which it applies and which relate thereto, and that the subcontractor must comply with all of the requirements of the Federal Emergency Administration of Public Works. The term 'subcontractor'' is defined to mean any person, firm or corporation, other than the employees of the Contractor, who contracts to furnish labor, or

labor and materials at the site of the project. The time allowed for doing and completing the

entire work and for the full performance of each contract is two hundred and fifty (250) consecutive calendar days, The successful bidders will be required to fur nish bond in the amount of 100 per cent. of their

contract. Attention of bidders is called to the Proposa for Bids as to the form and amount of security

required to accompany each hid. The bidder for each contract shall state one aggregate price for the whole work described and specified, as each contract is entire for a com-

plete job. No bid may be withdrawn within forty-five (45) days after it has been deposited with the Department.

Attention of bidders is called to the fact that the final awarding of the contract will be contingent upon the approval of the award by the State Engineer, Federal Emergency Administra tion of Public Works. Blank forms and further information may be

obtained at the office of the Department of Hcspitals, 10th floor, Municipal Building, Manhattan where plans, specifications, contract document and form of required bonds may be seen.

Bidders who desire a separate set of plans for their own personal use and record may obtain same from the printer on an order fom the De-partment on payment of the cost of printing the additional copies of the plans. Such copies shall remain the property of the bidder. SIGISMUND S. GOLDWATER, M. D., Commissioner, Department of Hospitals. j24.jy10 IT See General Instructions to Bidders on

last page, last column, of the "City Record."

SEALED BIDS WILL BE RECEIVED BY the Department of Hospitals, 10th floor, Mu-nicipal Building, Manhattan, until 2 p. m., on WEDNESDAY, JUNE 26, 1985

FOR ALL LABOR AND MATERIAL NECES-SARY AND REQUIRED FOR THE FOLLOW-ING:

CONTRACT NO. 5, LAUNDRY EQUIP. CONTRACT NO. 6, PAINTING; CONTRACT NO. 7, ILLUMINATING FIX-TURES: MENT:

TURES: CONTRACT NO. 8. SCREENS AND WEATHER STRIPS. —FOR THE ALTERATIONS AND ADDI-TIONS TO THE HARLEM HOSPITAL, COM-PRISING WOMEN'S PAVILION, NEW NURSES' HOME, PRESENT NURSES' HOME NURSES' HOME, PRESENT NURSES' HOME

AND PRESENT POWER HOUSE, 136TH ST. AND PRESENT POWER HOUSE, 136TH ST. AND LENOX AVE., BOROUGH OF MAN-HATTAN, CITY OF NEW YORK. The time allowed for doing and completing the above work is ninety (90) consecutive calendar

days. The security required for the faithful per formance of each contract is fifty per cent. (50%)

of the amount of the contract. The deposit accompanying the hid shall be not less than 2½ per cent, of the amount of bid submitted.

The bidder shall state one aggregate price for the whole work described and specified, as each contract is entire for a complete job.

DEPARTMENT OF SANITATION

Proposals

SEALED BIDS WILL BE RECEIVED BY the Department of Sanitation at its office, Room 1259, Municipal Building, Manhattan, until 11 a. m., eastern daylight saving time, on

a. m., castern daylight saving time, on THUESDAY, JUNE 27, 1935 FOR TEST BORINGS, CONTRACTS 1 AND 2, FOR THE INTERCEPTING SEWERS OF THE WARDS ISLAND PROJECT. CONTRACT 1 INCLUDES ROCK SOUND-INGS AND TEST BORINGS ALONG THE LINE OF THE PROPOSED INTERCEPTING SEWERS IN THE BOROUGH OF MANHAT-TAN FROM W. 179TH ST. TO E. 73D ST., AND IN THE BOROUGH OF THE BRONX FROM ST. ANNS AVE. TO JEROME AVE. THE DEPTH OF BORINGS ON THE BRONX AND MANHATTAN INTERCEPT-ING SEWERS MAY VARY IN GENERAL FROM 10 FEET TO 65 FEET AND THE MA-JORITY OF THE BORINGS ARE EXPECTED TO BE FROM 25 FEET TO 40 FEET IN DEPTH.

DEPTH. DEPTH. CONTRACT 2 INCLUDES TEST BORINGS ON LAND AND WATER ALONG THE LINE OF THE PROPOSED TUNNELS BETWEEN THE BOROUGHS OF THE BRONX AND MANHATTAN AND WARDS ISLAND. THE DEPTH OF LAND AND WATER BOR-INGS ALONG THE LINE OF THE TUNNELS WILL PROBABLY EXCEED 300 FEET IN DEPTH WITH THE POSSIBILITY THAT SOME OF THE HOLES MAY BE CARRIED TO OVER 400 FEET IN DEPTH. THE PRINCIPAL ITEMS OF WORK TO BE DONE CONSIST APPROXIMATELY OF THE FOLLOWING:

FOLLOWING:

FOLLOWING: CONTRACT 1-RCCK SOUNDINGS, 1,500 LINEAL FEET, AVERAGING ABOUT 10 FEET IN DEPTH: SINKING CASINGS ON LAND, 9,000 LINEAL FEET; DIAMOND DRILLING ON LAND FOR 14-INCH CORES, 2,600 FEET, AND INCLUDING GROUND WA-TER LEVELS BY THE STRAINER METHOD, DRY SAMPLES AND APPURTENANT WORK. CONTRACT 2-SINKING CASINGS ON LAND, 1,200 LINEAL FEET; IN THE RIVER, 700 LINEAL FEET; DIAMOND DRILLING FOR 14-INCH CORES, ON LAND, 5,000 LINEAL FEET, AND INCLUDING GROUND WATER LEVELS BY THE STRAINER METHOD, DRY SAMPLES AND APPURTE-NANT WORK. The foregoing statement of the principal items

The foregoing statement of the principal items f work and materials is merely a summary, and intending bidders are referred to the Instructions to Bidders and the Proposed Contracts on file at the main office of the Department of Sanitation for more detailed information. Such detailed in-formation, however, will be used solely for the purposes of comparing bids; intending bidders must make their own estimates of quantities and are urged to visit the site and make such other investigations as they deem necessary.

The security required consists of a bond, cash or securities in the amount of Twenty Thousand Dollars (\$20,000) each for Contracts 1 and 2, or Forty Thousand Dollars (\$40,000) if both con-tracts are awarded to a single bidder, said security to be retained by the City until final completion of the work.

The time allowed for the completion of the work is seventy-five (75) consecutive calendar days from the date the contractor is ordered to commence work.

Deposit required with bid is \$1,000 for each contract for which bid is submitted. The bidder will state the unit price, per lineal

foot or other unit of measure by which bids will be compared for each item of work contained in the Engineer's estimate as given in the Instructions to Bidders. The Commissioner of Sanitation reserves the

right to reject any and all bids. Blank forms for bids, envelopes in which to enclose them, and copies of the Instructions to Bidders with Form of Contract, Form of Bond and Specifications attached, in the form approved by the Corporation Counsel, and set of contract drawings may be seen at the main office of the Department of Sanitation, Room 1250, Municipal Building, Manhattan, and all said documents, excepting contract drawings may be obtained by prospective bidders upon the payment of a deposit of Ten Dollars (\$10). This deposit will be refunded upon the return of all of these matters in good condition, within ten (10) days after the receipt of the hids, together with the receipt given for such deposit Blue prints of contract drawings may be purchased by prospective bidders. Information may be obtained from the Chief Clerk as to the price of the blue prints and where same may be procured; drawings so purchased shall become the property of the purchaser. THOMAS W. HAMMOND, Commissioner of Sanitation. j17,27 LATSee General Instructions to Bidders on last page, last column, of the "City Record."

The Engineer's preliminary estimate of the quantities is as follows:

72-inch storm sewer, 743 linear feet. 66-inch storm sewer, 738 linear feet,

54-inch storm sewer, 1,029 linear feet. 48-inch storm sewer, 1,945 linear feet.

42-inch storm sewer, 602 linear

36-inch storm sewer, 514 linear feet. 30-inch storm sewer, 1,861 linear feet.

24-inch pipe storm sewer, type A, 3,457 lines

feet. 24-inch pipe storm sewer, type B. 276 linear

18-inch pipe storm sewer, type A, 1,020 linear feet.

18-inch pipe storm sewer, type B, 49 lipeas feet

15-inch pipe storm sewer, type A, 492 linear feet

12-inch pipe storm sewer, type A, 18,626 linear

feet. 12-inch pipe storm sewer, type B, 187 linear feet.

10-inch sanitary and 12-inch storm sewers type D, 4,591 linear feet.

12-inch stanitary and 12-inch storm sewers, type E, 27 linear feet, 10-inch sanitary and 18-inch storm sewers,

type F, 497 linear feet. 10-inch sanitary and 24-inch storm sewers.

type G, 1,401 linear feet. 12-inch sanitary and 12-inch sanitary and 24-inch storm sewers, type H. 523 linear feet.

24-inch pipe sanitary sewer, including con-crete casing, 508 linear feet.

15-inch pipe sanitary sewer, including concrete casing, 1,592 linear feet.

12-inch pipe sanitary sewer, including concrete casing, 649 linear feet.

10-inch pipe sanitary sewer, 31,011 linear feet 6-inch storm house connection drain, 16,520

linear feet. 8-inch sanitary house connection drain, 2,320

linear feet.

6-inch sanitary house connection drain, 15,500 linear feet.

8-inch standpipes on sanitary sewers, 820 linear feet. Manholes on storm sewers, 322.

Manholes on sanitary sewers, 371. Sewer basins, type A, 14.

Sewer basins, type B, 110.

Sewer basins reconnected, 3. For indeterminate or contingent quantities of

work of the character enumerated in paragraph 4-A, of the proposal for bids which may be required by the conditions encountered during th

work of construction, the City will pay to the contractor the following prices, to wit, for: Timber sheeting and bracing, \$25 per 1,000 feet,

board measure. Timber foundation planking and pile capping, \$75 per 1.000 feet, board measure,

Timber bearing piles, 60 cents per linear foot. Broken stone or gravel, \$5 per cubic yard. Extra excavation, \$1.50 per cubic yard. Concrete, class A, \$10 per cubic yard.

Attention of bidders is called to the Instructions to Bidders as to the form and amount of security required to accompany each bid.

The bidder for each contract shall state one aggregate price for the whole work described and specified, as each contract is entire for a complete job.

bid may be withdrawn within forty-five No (45) days after it has been deposited with the Department.

Bidders are required to make their bids upon the blank form prepared by said Department, a copy of which, with the proper envelope in which to enclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be ob-tained upon application at the office of Charles B. Meyers and Thompson, Holmes & Converse, Asso ciated, architects, 31 Union Square West, Man hattan, New York City, where the plans, which

are a part of the specifications, may be seen. Bidders who desire a set of plans for their personal use may obtain them on payment of the cost of printing the additional copies of the plans. SEALED BIDS WILL BE RECEIVED BY the Department of Sanitation, at its office, Room 1259, Municipal Building, Manhattan, until 11 a. m., eastern daylight saving time, on TUESDAY, JULY 9, 1935

TUESDAY, JULY 9, 1935 FOR THE FOLLOWING CONTRACTS-SECTION 3, WARDS ISLAND SEWAGE TREATMENT WORKS: CONTRACT 3, TUNNELS: CONTRACT 4, MANHATTAN GRIT CHAM-BER SUBSTRUCTURE: CONTRACT 5, THE BRONX GRIT CHAM-BER SUBSTRUCTURE. The June of security securies for the faith

The amount of security required for the faith-ful performance of Contracts 4 and 5 together, and for the faithful performance of Contract 3 separately, or in combination with Contracts 4 and 5, will be sixty (60) per cent, of the contract price upon which an award or awards are predicated.

The time allowed for the completion of the work and full performance will be seven (7) consecutive calendar months for Contract 4 and 5 together and eighteen (18) consecutive calendar months for Contract 3.

The amount of deposit to accompany each bid shall be not less than five (5) per cent, of the total amount of the bid. Such deposit shall consist of cash or a certified check upon a National or State bank or trust company located in New York City, or a check of such bank or trust company signed by a duly authorized officer thereof drawn and made payable to the order of the Comptroller of The City of New York or corporate stock or other form of security of The City of New York which the Comptroller shall approve as of equal

value to the deposit required. Such deposit must be enclosed in the envelope containing the bid which shall be handed to the officer or clerk who has charge of the bidding and shall be deposited in the box provided for the

All such deposits except those of the three lowest hidders will be released within ten (10) days atter the completion of analysis of the bids sub-mitted bereunder. The remaining deposits will be returned as soon as the State Engineer has approved the executed contract for the work for which the bid is submitted. This contract is to be financed wholly by a loan and grant by the Federal Emergency Adminis-

tration of Public Works and is subject to the applicable provisions of the National Industrial Recovery Act, and of the Emergency Relief Appropriation Act of 1935, and to the Executive Orders of the President of the United States issued and to be issued pursuant thereto and the rules and regulations prescribed by the Presi-dent of the United States, the Works Progress Administration or the Administrator of the Federal Emergency Administration of Public Works.

Attention of bidders is called particularly to the requirements as to the minimum wage rates which must be paid under the contract. Attention of bidders is called to the fact that

no award of this contract can be made without the prior approval of the State Engineer, Federal

Emergency Administration of Public Works. The Instructions to Bidders, Form of Bid, Forms of Contract and Bond, Contract Drawings and Specifications may be examined at the office of the Chief Clerk, Department of Sanitation, Room 1250, Municipal Building, Manhattan, The bidder may obtain drawings by purchasing the same direct from the printer at prices on file at the office of the Chief Clerk, Department of Sanitation; drawings so purchased shall become

the property of the purchaser. Copies of the Instructions to Bidders, Form of

Copies of the Instructions to Bladers, Form of Bid, Forms of Contract and Bond, may be obtained by prospective bidders by depositing with the Chief Clerk of the Department a certified check for \$10, payable to the order of the Comptroller of The City of New York, for each set obtained. Such deposit will be returned to those who return to the Department in seed condition within 10 to the Department, in good condition, within 10 days after the date fixed for the opening of bids, the above mentioned documents together with the receipt given for same. No deposit other than a certified check will be accepted

Contracts 4 and 5 must be bid for together; neither one will be let separately. Attention of bidders is invited to the provisions of the instruc-tions for Contracts 4 and 5 and for Contract 3, whereby an award may be made to the bidder whose aggregate bid price for Contracts 3, 4 and 5 is lowest after deducting the allowance offered by such a bidder in his bid on Contract 3, for award of Contracts 3, 4 and 5.

If an award is made to the same contractor for Contracts 3, 4 and 5, two separate contracts will be executed, one for Contract 3 alone and one for Contracts 4 and 5 in combination.

THOMAS W. HAMMOND, Commissioner of Sanitation

DEPARTMENT OF FINANCE

Corporation Sale of Buildings and Appurtenances Thereto on City Real Estate by Scaled Bids.

PUBLIC NOTICE IS HEREBY GIVEN THAT the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, will offer for sale by sealed bids certain encroachments standing upon property owned by The City of New York, acquired by it for street purposes, in the

Borough of Queens

Being the buildings and parts of buildings, together with the appurtenances attached thereto, within the lines of Damage Parcel No. 1 of the proceeding for the improvement of Van Wyck boulevard from Jamaica avenue to Foch boulevard, in the Borough of Queens, which are more particularly shown on a certain map on file in the office of the Bureau of Real Estate, Department of Finance, Room 502, Municipal Building, Manhattan.

Pursuant to a resolution of the Commissioners of the Sinking Fund, adopted at a meeting held June 12, 1935, the sale by scaled bids of each parcel of the hereinafter described buildings and appurtenances thereto will be held under the

direction of the Comptroller on TUESDAY, JULY 9, 1935

at 11 a. m., in manner and form as follows: Damage Parcel No. 1-Two 2-story frame dwellings and stores; part of 1-story frame stores, lo-cated on the southeast corner of Jamaica ave. and Van Wyck blyd.

Sealed bids (blank forms of which may be obtained upon application) will be received by the Comptroller at the office of the Bureau of Real Estate, Room 502, Municipal Building, Bor-ough of Manhattan, until 11 a. m., on the 9th

day of July, 1935, and then publicly opened for the sale for removal of the above described build-ings and parts of buildings, and appurtenances thereto, and the award will be made to the highest bidder within 24 hours, or as soon as possible thereafter.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to 25 per cent. of the amount of the bid, except that a minimum deposit of \$50 will be required with all bids, and that a deposit of \$500 will be sufficient to entitle bidders to bid on any or all of the buildings.

Deposits of unsuccessful bidders will be returned after successful bidders have paid purchase price in full and given security, and those of successful bidders may be declared forfeited to The City of New York by the Comptroller upon the failure of the successful bidder to further comply with the 4230

requirements of the terms and conditions of the sale as set forth bereinafter.

Successful hidders will be required to pay the purchase money and deposit the required security within 24 hours of the receipt of notification of the acceptance of their bids.

The Comptroller reserves the right to reject any and all hids and to waive any defects or informalities in any hid should it be deemed in the interest of The City of New York to do so.

All bids must state clearly (1) the number or description of the building or buildings bid for, (2) the amount of the bid, (3) the full name and

address of the bidder. All bids must be inclosed in properly sealed envelopes, marked "Proposals to be opened July 9, 1935," and must be delivered, or mailed in time for their delivery, prior to 11 a. m. of that date to the "Bureau of Real Estate, Room 502, Mumicipal Building, New York (ity," from whom any further particulars regarding the buildings

to be disposed of may be obtained. The buildings and parts of buildings will be sold for immediate removal only, subject to the terms and conditions printed on the last page of

this issue of the City Record. Any resale of the buildings and parts of build ings, together with the appurtenances attached thereto, or assignment of interest therein by suc-cessful bidder, will not be permitted without the written consent of the Comptroller or his authorized representative.

JOHN DWIGHT SULLIVAN, Deputy Comptroller The City of New York, Department of Finance

Comptroller's Office, June 19, 1935. j22,jy9

AT THE REQUEST OF THE PRESIDENT OF the Borough of Brooklyn public notice is hereby given that the Commissioners of the Sinking Fund by virtue of the powers vested in them by law will offer for sale by sealed bids certain encroach ments standing upon property owned by The City of New York, acquired by it for public purposes,

Borough of Brooklyn

Being part of a certain building, together with the appurtenances attached thereto, within the lines of Damage Parcels Nos. 1047-1048 of the proceeding for the acquisition of title to Kenmor pl, from Quentin rd. to Avenue U; Elmore pl. from Quentin rd. to Gravesend Neck rd.; Dela-Mere pl, from Avenue P to Gravesend Neck rd.; Mansfield pl, from Kings highway to Gravesend Neck rd., and other streets consolidated therewith, in the Borough of Brooklyn, which are more particularly shown on a certain map on file in the office of the Bureau of Real Estate, Department of Finance, Room 502, Municipal Building, Manhattan.

Pursuant to a resolution of the Commissioners of the Sinking Fund, adopted at a meeting held June 12, 1935, the sale by sealed bids of each parcel of the hereinafter described buildings and appurtenances thereto will be held under the direction of the Comptroller on

TUESDAY, JULY 2, 1935

at 12 noon, in manner and form as follows: Damage Parcels Nos. 1047-1048-Nearly all of a 21/2-story frame dwelling located at 2313 Neck

rd. Sealed bids (blank forms of which may be obcomptroller at the office of the Bureau of Real Fstate, Room 502, Municipal Building, Borough of Manhattan, until 12 noon, on the 2d day of July, 1935, and then publicly opened for the sale for removal of the above described part of a building and appurtenances thereto, and the award will be made to the highest bidder within

24 hours, or as soon as possible thereafter. Estate PUBLIC NOTICE IS HEREBY GIVEN THAT

the Commissioners of the Sinking Fund of The City of New York, by virtue of the power vested in them by law, will offer for sale at public auction, on

WEDNESDAY, JUNE 26, 1935

at 12 noon, daylight saving time, at Room 502, Municipal Building, Manhattan, City of New York, a lease of the following described property: All that certain piece or parcel of land situate, lying and being in the Borough of Manhattan, City, County and State of New York, located on the northwesterly corner of Delancey and Ludlow sits, Borough of Manhattan, known and designated as Section 2, Block 410, Lot 28, on the present tax maps of the City of New York for the Bor-ough of Manhattan, subject to any state of facts

an accurate survey may disclose. -for a period of 10 years from the date of execution of the lease. The minimum or upset rental at which the said lease may be sold, is hereby fixed at the sum of Fifteen Thousand Dolars (\$15,000) per annum, payable quarterly in advance: said rent to commence four months after the date of execution of the lease by The City of New York, with the privilege of renewal for an additional period of 10 years thereafter at an an-nual rental which shall be agreed upon between the parties by arbitration, but in no event to be less than \$15,000 a year, payable quarterly in advance. The arbitration herein provided for the purpose of fixing the rent for the renewal period of 10 years shall be as follows: Not less than of 10 years shall be as follows: Not less than 30 days prior to the expiration of the first 10 years either party may serve a written notice on the other for the appointment by each of said parties of an arbitrator. Within 10 days after the service of such notice each of the parties hereto, lessor and lessee, shall appoint an im-partial arbitrator who shall be a person solely engaged in the real estate business in the Borough of Manhattan for at least 10 concernet wars of Manhattan for at least 10 consecutive years prior to such appointment. Said two arbitrators so appointed shall, within 10 days thereafter proceed to name a third arbitrator. If either party hereto, lessor or lessee, fails within such 10 days after service of such written notice to appoint an arbitrator, then the other party hereto shall be entitled to appoint both arbitrators. If the said wo arbitrators so appointed shall fail to appoint a third arbitrator, such third arbitrator shall be appointed by the Supreme Court at a Special Term thereof, to be held within the County of New York. The decision of any two of said arbitrators shall be final and binding upon the parties hereto. In case any vacancy shall occur in the office of arbitrator so appointed by reason of death, resignation, refusal, physical incapacity or otherwise, a new arbitrator to fill such vacancy shall be appointed in the same manner and by the same party by whom or by which said previous incumbent was appointed. Said arbitrators shall be paid a reasonable compensation for their services, each party to pay one-half thereof. The said lease shall contain the clauses in common use in the City of New York for leases of like character and shall particularly contain a clause that in the event the property is required for any public or quasi-public use or purpose the lease shall come to an end and be null and void for the remainder of the unexpired term thereof or any renewal thereof, the tenant to have and retain the right to recover and be paid damages for any interest in any building, as distinguished

from the land, which he suffers or of which he is deprived for the remainder of the lease or any renewal thereof, otherwise said clause to be the usual condemnation clause generally so em-ployed, said lease to contain and be conditioned

upon the following terms and conditions: The highest bidder will be required to pay twenty-five (25) per cent. of the amount of the yearly rental bid, in cash or by certified check, at the time and place of sale, together with the suctioneer's fees, if any, and in the event of his or its failure to do so, the Comptroller may immediately reoffer the said lease for sale, subject to the same conditions and provisions; the amount so paid for one-quarter's rent shall be forfeited to the City if the successful bidder does not ex-

of successful bidders may be declared forfeited to The City of New York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale as set forth hereinafter.

ecute the lease when notified it is ready for execution.

No person shall be received or accepted as a tessee who is delinquent on any former lease from The City of New York, and no bid shall be accepted from any person who is in artears to The City of New York upon debt or contract, or who is a defaulter as surety or otherwise upon

any obligation to the City, as provided by law. The lessee shall deposit the sum of Ten Thou-sand Dollars (\$10,000) in cash or New York City bonds with the Comptroller of The City of New York at the time of sale as surety for the pay-ment of the rental to be reserved in the lease and the observance and performance of all the terms, covenants and conditions on the lessee's part to be performed, said deposit to be returned to the lessee upon the completion of a building or build-ings on the demised premises costing not less than Forty Thousand Dollars (\$40,000), and the production of a certificate of occupancy issued by the Building Department and upon proper proof that there are no unsatisfied mechanics' liens of record against said demised premises by reasor thereof

The lessee to assume and pay any and all taxes, assessments and water rates on any improve-ments erected thereon during the term of the lease as apportioned from a date four months after the date of execution of the lease by the City.

In the event that the lessee fails to pay said taxes, assessments, duties, water rates, water taxes or charges or other impositions or any of them or any part thereof, when such taxes, assessments, duties, water rates, water taxes or other charges or impositions are payable, and such failure shall continue for a period of 60 days. the lessor may pay the same, or any of them, with interest and charges which may have accrued or become payable thereon, and in case of such payment, the lessee shall and will, on the first day of the subsequent month, pay to the lessor, as further rent for said demised premises, in ad-dition to the rent hereby expressly reserved and payable, a sum equal to the amount which shall have been so paid in discharge of said taxes, assessments, duties, water rates, water charges or other impositions, or any of them, including interest and charges thereon and lawful interest on the amount so raid from the time of such pay-ment by the lessor, and the lessor shall have the like rights and remedies in respect to such moneys so paid, in the event of the non-payment thereof by the lessee, as it would have as herein provided, in case of default in the payment of the provided, in case of detault in the payment of the rent and additional rent hereinbefore reserved and payable. And in any suit of any kind or nature arising from the failure of the lessee duly to keep this covenant it shall be prima facie evidence of the fact of said tax, assessment, or other charge being due if the said lessor shall produce a cer-tificate of the Comptroller of The City of New York, or other officer of said City, or of any proper officer entitled to give such certificate, to the effect that said tay assessment or charge an the effect that said tax, assessment or charge appears of record on the books of The City of New York, State of New York, or of the United

States of America, or any subdivision thereof, and has not been paid. The lessee shall not assign, mortgage or pledge this lease, the whole or any part of the demised premises without the written consent of the Comptroller, which consent shall not be unreasonably withheld.

The lessee shall save harmless The City of New York from any claims for damage on account of injury to person or property in connection with the use of this property and from all fines, suits, claims, demands and actions of any kind or nature, during the term of the lease or any renewal thereof and shall carry public liability insurance to give effect thereto.

Immediately after the execution of the lease, the lessee shall proceed with due diligence to crect a building or buildings costing not less than Forty Thousand Dollars (\$40,000) thereon, said building or buildings to become the property of The City of New York immediately upon com-

The lessee to have the right to make any imnts or alterations on the demised premproven ises which comply with the requirements of Building Department and the provisions of the Zoning Laws applicable to this property and insure any building against loss by fire in an amount and company satisfactory to the Comp-troller. The City of New York to be named the beneficiary. Any improvements or alterations so made shall be at the expense of the lessee and shall become the property of The City of New York at the expiration of the lease or any renewal except as otherwise provided. The lessee shall not encumber or obstruct the

sidewalk in front of said premises, nor allow the same to be obstructed.

The lessee shall comply with all rules, orders, ordinances and regulations of the City, State and Federal governments or any departments thereof applicable to said premises, for the cor-rection, prevention and abatement of nuisances or other grievances, in, upon or connected with said premises during said term; and shall promptly comply with and execute all rules, orders and regulations of the New York Board of Fire Underwriters, for the prevention of fires at its own cost and expense,

The consent of the lessor, in any instance, to any variation of the terms of this lease, or the receipt of rent with knowledge of any breach, shall not be deemed to be a waiver as any breach of any covenant or condition herein con-tained, nor shall any waiver be claimed as to any ing, signed by the Comptroller. In case of the bankruptcy or insolvency of said lessee, no title to said lease or interest in

said premises shall pass to a receiver or trustee in bankruptcy or to any assignee for the benefit of creditors, or to any receiver of any kind, or to any purchaser without the consent of the lessor, who at their option upon such bankruptcy, in-solvency, assignment for the benefit of creditors, receivership or sale, may declare said lease null and void. If default shall be made in the pay-ment of rent, or any part thereof, at the time specified herein, or if default shall be made in the performance of any of the covenants and agreements, conditions, rules and regulations herein contained or hereafter established, as herein provided, on the part of the lessee, this lease shall (if the lessor so elect) become null and void thereupon, and the lessor shall have the right to re-enter or repossess the said premises either by force, summary proceedings, surrender or other-wise, and dispossess and remove therefrom the lessee, or other occupants thereof, and their effects, without being liable to any prosecution therefor, and to hold the same as if this lease had not been made or had by its terms expired; and, in such case, the lessor may at its option, relet the premises, or any part thereof, as the agent of the lessee, and the lessee agrees to pay the lessor the difference, as ascertained, from time to time, between the rents and sums hereby reserved and agreed to be paid by the lessee and those otherwise received, on account of rents of the demised premises, during the residue of the term remaining at the time of re-entry or re possession. The lessee hereby expressly waives the service of notice of intention to re-enter or

of instituting legal proceedings to that end. The Comptroller shall have the right to reject any and all bids if deemed in the interest of The City of New York so to do.

By order of the Commissioners of the Sinking Fund under resolution adopted at meeting of the Board held May 1, 1935 (Cal. No. 36). Department of Finance, JOHN DWIGHT SULLIVAN, Deputy Comp-m22,j26 troller.

> SUPREME COURT-FIRST DEPARTMENT

Application to Court to Condemn Property

SUPREME COURT-NEW YORK COUNTY

In the Matter of Acquiring Title by The City of New York to certain lands and premises situ-ated in the area bounded by East 125th street, 1st avenue, East 126th street and the Harlem River, in the Borough of Manhattan, City of New York, duly selected as a site by the Triborough Bridge Authority for the modified approach to the Triborough Bridge. PURSUANT TO THE STATUTES IN SUCH

cases made and provided, notice is hereby given that it is the intention of the Corporation Coun-sel of The City of New York to make application to the Supreme Court of the State of New York at a Special Term, Part I thereof, held in and for the County of New York, at the County Court House in the Borough of Manhattan, City of New York, on the 3d day of July, 1935, at the opening of the court on that day, or as soon thereafter as counsel can be heard thereon, to have the compensation which should justly be made to the respective owners of the real prop-erty to be taken and acquired in this proceed-ing, ascertained and determined by the Supreme Court without a jury.

The nature and extent of the improvement hereby intended is the acquisition of easement rights required for the Manhattan approach to the Triborough Bridge in the area bounded by East 125th street, 1st avenue, East 126th street and the Harlem River, in the Borough of Manhattan, City of New York, duly selected as a site for the modified approach to the said Triborough Bridge and approved by the Board of Estimate and Apportionment or the 14th day of June,

The property sought to be taken and acquired in this proceeding is situated in the County of New York, Borough of Manhattan, City of New York, and is bounded and described as follows: Area in and to Which Easement Rights Are Required

Beginning at the point formed by the intersecstreets are laid out on the City map; running

westerly and along a line at right angles to the last mentioned line a distance five (5) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance three

(3) feet to the point or place of beginning. In Parcel 6-Beginning at a point sixty eight and five-tenths (68.5) feet northeasterly from and at right angles to the northerly line of East 125th street and at a point one hundred forty-two (142) feet southeasterly along said northerly line of Fast 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance three (3) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance five (5) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance six (6) feet; thence south-westerly and along a line at right angles to the last mentioned line a distance five (5) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance three

(3) feet to the point or place of beginning. In Parcel 7—Beginning at a point thirty-four and five-tenths (34.5) feet northeasterly from and at right angles to the northerly line of East 125th street at a point one hundred eighty-two (182) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; run-ning thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance four (4) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance eight (8) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance four (4) feet to the point or place of beginning.

In Parcel 8-Beginning at a point sixty-one (61) feet northeasterly from and at right angles to the northerly line of East 125th street at a point two hundred thirteen (213) feet south-easterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance four (4) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance eight (8) feet; thence south-westerly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence northwesterly and along a line at right

angles to the last mentioned line a distance four (4) feet to the point or place of beginning. In Parcel 9—Beginning at a point seventeen and five-tenths (17.5) feet northeasterly from and at right angles to the northerly line of East 125th street at a point two hundred fifty (250) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; runthence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance four (4) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence south-easterly and along a line at right angles to the last mentioned line a distance eight (8) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance four (4) feet to the point or place of beginning.

In Parcel 10-Beginning at a point forty-two (42) feet northeasterly from and at right angles to the northerly line of East 125th street at a point two hundred eighty (280) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance three and five-tenths (3.5) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence south easterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance seven (7) feet; thence northwesterly and along a line right angles to the last mentioned line a distance three and five-tenths (3.5) feet to the point or place of beginning. In Parcel 11-Beginning at a point twelve (12) feet northeasterly from and at right angles to the northerly line of East 125th street at a point three hundred fifty-one (351) feet southcasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance six (6) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance eight (8) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance twelve (12) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance eight (8) feet; thence northwesterly and along a line at right angles to the last mentioned line, a distance six (6) feet to the point or place of beginning. In Parcel 12-Beginning at a point in the northerly line of East 125th street at a distance four hundred nine (409) feet southeasterly and along said northerly line of East 125th street, from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along said northerly line of East 125th street a distance five (5) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance five (5) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance ten (10) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance five (5) feet, to a point in the northerly line of East 125th street; thence northwesterly and along said northerly line of East 125th street a distance five (5) feet to the point or place of beginning.

as indicated on the above mentioned map, and shall be bounded laterally by vertical planes passing through the perimeter of the area within which each foundation is located and each such area is described as follows:

Parcel 1-Beginning at a point twenty-eight (28) feet northeasterly from and at right angles to the northerly line of East 125th street at a point twenty-one (21) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance nine (9) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance twenty-three (23) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance eighteen (18) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance twenty-three (23) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance nine

(9) feet to the point or place of beginning. Parcel 2-Beginning at a point sixty-three (63) feet northeasterly from and at right angles to the northerly line of East 125th street at a point twenty-one (21) feet southeasterly along said northerly line of East 125th street from said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance nine (9) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance sixteen (16) feet; thence southeasterly and along a line at right angles to the last men-tioned line a distance eighteen (18) feet; thence tioned line a distance eighteen (18) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance sixteen (16) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance nine (9) feet to the point or place of beginning.

Parcel 3-Beginning at a point thirty-three (33) feet northeasterly from and at right angles to the northerly line of East 125th street at a point eighty-two (82) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue: running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance nine (9) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance sixteen (16) feet: last mentioned line a distance sixteen (16) feet: thence southeasterly and along a line at right angles to the last mentioned line a distance eighteen (18) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance sixteen (16) feet; thence northwesterly and along a line at right angles to the last men-tioned line a distance of the last mentioned line a distance for the last mentioned line a distance nine (9) feet to the point or place of beginning.

Parcel 4-Beginning at a point sixty-three (63) feet northeasterly from and at right angles to the northerly line of East 125th street at a point eighty-two (82) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance nine (9) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance sixteen (16) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance eighteen (18) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance sixteen (16) feet; thence northwesterly and along a line at right angles to the last men-tioned line a distance nine (9) feet to the point

tioned line a distance nine (9) seet to the point or place of beginning. Parcel 5-Beginning at a point thirty-three (33) feet northeasterly from and at right angles to the northerly line of East 125th street and at a point one hundred forty-two (142) feet southeasterly along said northerly line of East 125th street from

Parcel 9-Beginning at a point nine and fivetenths (9.5) feet northeasterly from and at right angles to the northerly line of East 125th street at a point two hundred fifty (250) feet southeasterly along said northerly line of East 125th street from the point formed by the inter-125th street from the point formed by the inter-section of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the easterly line of 1st avenue a distance twelve (12) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance twenty-four (24) feet; thence southeast-rike and along a line at right angles to the last erly and along a line at right angles to the last mentioned line a distance twenty-four (24) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance twenty-four (24) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance twelve (12) feet to the point or place of beginning.

Parcel 10-Beginning at a point thirty-four (34) feet northeasterly from and at right angles to the northerly line of East 125th street at a point two hundred eighty (280) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along a line at right angles to the casterly line of 1st avenue a distance eleven and five-tenths (11.5) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance twenty-three (23) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance twenty-three (23) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance twenty-three (23) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance eleven and five-tenths (11.5) feet to the point or place of beginning.

Parcel 11-Beginning at a point in the north-rly line of East 125th street three hundred fifty-one (351) feet southeasterly and along said northerly line of East 125th street from the point formed by the intersection of the said northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along said northerly line of East 125th street, a distance fourteen and five-tenths (14.5) feet; thence northeasterly and at right angles to the twenty-eight and ninety-eight hundredths (28.98) feet to a point in the United States bulkhead line as established by the Secretary of War October 18, 1890; thence southeasterly and along said United States bulkhead line a distance five and three-tenths (5.3) feet to an angle point; thence southeasterly and along the United States bulkhead line as approved by the Secretary of War March 19, 1921, and as modified January 3, 1923, a distance twenty-nine and five-tenths (29,5) feet; thence southwesterly and at right angles to the last mentioned United States bulkhead line a distance twenty-five (25) feet to a point in the northerly line of East 125th street; thence northwesterly and along said northerly line of East 125th street a distance eighteen and fivetenths (18,5) feet to the point or place of beginning.

Parcel 12-Beginning at a point in the north-erly line of East 125th street four hundred nine (409) feet southeasterly and along said northerly line of East 125th street from the point formed by the intersection of the said northerly line of East 125th street with the easterly line of 1st avenue; running thence northwesterly and along said northerly line of East 125th street a distance ten (10) feet; thence northeasterly and at right angles to the northerly line of East 125th street a distance ten (10) feet; thence southeasterly and at right angles to the last mentioned line a distance twenty (20) feet; thence southwesterly and at right angles to the last mentioned line a distance ten (10) feet to a point in the northerly line of East 125th street; thence northwesterly

temporary right or easement to enter upon, use, or occupy said area, or as much thereof in any way whatsoever, as may be necessary for the purposes of constructing and erecting the afore-mentioned sewers, foundations, columns and superstructure of the viaduct structure which constitutes part of the Manhattan approach to the Triborough Bridge. This temporary right or easement is to continue for a period of twenty-four (24) consecutive calendar months from the day on which title to the above mentioned and described easements vests in The City of New York.

The Board of Estimate and Apportionment by resolution adopted June 14, 1935, determined that all the awards herein, together with costs and expenses necessarily incurred in the acquisition of the property described above, together with interest thereon, bills of cost, etc., shall be paid by the Comptroller of The City of New York with moneys furnished by the Triborough Bridge Authority.

Dated, New York, June 19, 1935. PAUL WINDELS, Corporation Counsel, Ofice and Post Office Address, Municipal Building, Borough of Manhattan, City of New York. j20,jy1

Notice to File Claims

SUPREME COURT-NEW YORK COUNTY

in the Matter of Acquiring Title by The City of New York to certain lands and premises situ-ated under the waters of Little Hell Gate and East River adjacent to Ward's Island, in the Borough of Manhattan, City of New York, the Borough of Manhattan, City of New York, duly selected as a site necessary in connection with the construction of the bridge over Ward's Island by the Triborough Bridge Authority and approved by the Board of Estimate and Apportionment, according to law. NOTICE IS HEREBY GIVEN THAT BY AN order of the Supreme Court of the State of New York, County of New York, dated the 27th day of February, 1935 and filed in the office

day of February, 1935, and filed in the office of the Clerk of the County of New York on the 28th day of February, 1935, the application of The City of New York to have the compensation which should justly be made to the owners of the real property proposed to be taken in the above entitled proceeding ascertained and determined by

the Supreme Court without a jury was granted. NOTICE IS HEREBY FURTHER GIVEN that the description of the real property to be acquired is as follows: Title and fee in and to all that certain plot,

piece or parcel of land under the waters of Little Hell Gate adjacent to Ward's Island in the City, County and State of New York, and desig-nated as Lot No. 5 on a certain map en-titled "Map of Ward's Island made by order of the Commissioners appointed by the Su-preme Court of the State of New York in the Matter of Alfred E. Beach against the Mayor, Aldermen and Commonalty of the City of New York, and others, by decree dated March 19, 1872, showing the water rights set off to the parties in the suit, etc.," which map is dated May 29, 1876, and filed in the New York County Register's office July 30, 1877, as Map No. 801, and bounded and described according to said map as follows: iece or parcel of land under the waters of Little map as follows:

Beginning at a point on the southerly shore of Little Hell Gate at original high water mark of Little Hell Gate at original high water mark and in the boundary line dividing Lot No. 4 from Lot No. 5 on a certain map entitled "Map of Ward's Island, sometimes called Great Barn Island," made in and about the year 1807 by William Bridges, City Surveyor, and now on file in the office of the Register of the County of New York and numbered "2" in tin case, distant northerly and at right angles 670 feet from the northerly line of the northerly road as shown on said Bridges map: running thence along shown on said Bridges map; running thence along the original high water line north 87 degrees 37 minutes west 207 feet to a point distant west-erly and at right angles 174 feet 4 inches from said boundary line dividing Lot No. 4 from Lot No. 5 on said Bridges map and distant north-erly and at right angles 558 feet 5 inches from a distance ten (10) feet to the point or place of the northerly line of the northerly road as shown on said Bridges map; thence north 35 degrees east 361 feet 10 inches to the exterior line of said water rights granted to A. R. Lawrence and others; thence along said exterior line south 80 degrees 38 minutes east 193 feet 5 inches: thence south 35 degrees west 332 feet to the point of beginning, containing 1.37 acres, more or less. Also a perpetual easement for the construction, maintenance and operation of a bridge or overhead rassageway for persons, vehicular traffic and other means of transportation at a height of not less than one hundred (100) feet, and a width of one hundred and fifty (150) feet over the following described lands under water: All that certain plot, piece or parcel of land under the waters of Hell Gate and East River adjacent to Ward's Island in the County, City adjacent to Ward's Island in the County, City and State of New York, and being part of Lot 22 on a certain map entitled "Map of Ward's Island made by order of the Commissioners appointed by the Supreme Court of the State of New York in the Matter of Alfred E. Beach against The Mayor, Aldermen and Commonalty of the City of New York, and others, by decree dated March 19, 1872, showing the water right set off to the parties in the suit, etc.," which map is dated May 29, 1876, and filed in the New York County Register's office on July 30, 1877, as Map No. 801, and which part of said Lot No. 22 is bounded and described as follows: Beginning at a point on the northerly shore Beginning at a point on the northerly shore of Hell Gate at original high water mark, as shown on said map, distant easterly and approximately at right angles 193 feet 6 inches more or matery at right angles 193 feet 6 inches more or less from the boundary line dividing Lot No. 28 and Lot No. 29 as shown on a certain map en-titled "Map of Ward's Island sometimes called Great Barn Island," made in or about the year 1807, by William Bridges, City Surveyor, and now on file in the office of the Register of the County of New York and numbered "2" in tin case, and which original high water mark at said boundary line is also distant southerly and at anorcommetely line is also distant southerly and at approximately 800 feet from the southerly line from the southerly road shown on said last mentioned map; running thence along said original high water line as shown on said first mentioned map from said point of beginning south 38 degrees 58 minutes east 42 feet, more or less; thence still along said high water mark as shown on said first mentioned map south 77 degrees 41 minutes east 125 feet 9 inches; thence still along said high water mark as shown on said first mentioned map north 79 degrees 24 minutes east 41 feet, more or less; thence approximately south 24 degrees east 352 feet, more or less, to the exterior line of water grants to A. R. Lawrence and others, as shown on said first mentioned map 164 feet, more or less; thence

Foundation Easements

Within the area previously bounded and described for the purposes of acquiring easement rights, there is to be acquired permanent, perpetual and exclusive rights or easements to occupy the real property for the purpose of con-structing and maintaining twelve (12) vertical foundations. Each foundation is to be located as shown on the map of land in and to which easement rights are required, dated May 29, 1935, within Parcels 1 to 12, respectively, and the real property to be occupied for each foundation shall extend down without limit below a horizontal plane at an elevation corresponding to the street curb of East 125th street opposite said foundation

along said northerly line of East 125th street from the point formed by the intersection of the north-erly line of East 125th street with the easterly line of 1st avenue; running thence northwest-erly and along a line at right angles to the east-erly line of 1st avenue a distance nine (9) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance siz-tern (16) feet; thence southeasterly and along a angles to the last mentioned line a distance six-teen (16) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance eighteen (18) feet; thence southwest-erly and along a line at right angles to the last mentioned line a distance sixteen (16) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance nine (9) feet to the point or place of beginning. Parcel 6-Beginning at a point sixty-three (63) feet northeasterly from and at right angles to the northerly line of East 125th street and at a point one hundred forty-two (142) feet southeasterly one hundred forty-two (142) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the northerly line of East 125th street with the eastnortherly line of East 125th street with the east-erly line of 1st avenue; running thence north-westerly and along a line at right angles to the easterly line of 1st avenue a distance nine (9) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance six-teen (16) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance eighteen (18) feet; thence southwest-erly and along a line at right angles to the last mentioned line a distance sixteen (16) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance nine (9) feet to the point or place of beginning.

Parcel 7-Begining at a point twenty-eight (28) feet northeasterly from and at right angles to the northerly line of East 125th street at a point one hundred eighty-two (182) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the north-erly line of East 125th street with the easterly line of 1st avenue; running thence northwest-erly and along a line at right angles to the easterly line of 1st avenue a distance nine (9) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance twenty angles to the last mentioned line a distance twenty (20) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance eighteen (18) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance twenty (20) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance nine (9) feet to the point or place of beginning.

Parcel 8-Beginning at a point fifty-three (53) Farcel 8-Beginning at a point hity-inree (53) feet northeasterly from and at right angles to the northerly line of East 125th street at a point two hundred thirteen (213) feet southeasterly along said northerly line of East 125th street from the point formed by the intersection of the north-erly line of East 125th street with the easterly line of its average the street with the easterly line of 1st avenue; running thence northwest-erly and along a line at right angles to the east-erly line of 1st avenue a distance ten (10) feet; thence northeasterly and along a line at right angles to the last mentioned line a distance twentyfive (25) feet; thence southeasterly and along a line at right angles to the last mentioned line a distance twenty (20) feet; thence southwesterly and along a line at right angles to the last mentioned line a distance twenty-five (25) feet; thence northwesterly and along a line at right angles to the last mentioned line a distance ten (10) feet to the point or place of beginning.

beginning.

Sever Easements

Within the area previously bounded and described for the purposes of acquiring easement rights, there is to be acquired permanent, per-petual and exclusive rights or easements to occupy the real property for the purposes of constructing and maintaining two (2) sewer lines. Each sewer is to be located as shown on the map of land in and to which easement rights are required, dated May 29, 1935, within Parcels 13 and 14, respectively, and the real property to be occupied lies below the surface of the ground between horizontal planes two (2) feet apart. The elevation of the upper plane for Parcel 13 is two (2.0) feet and the elevation of the upper plane for Parcel 14 is zero (0.0) feet. The lateral limits of the property to be occupied by these sewer lines shall be vertical planes passing through the perimeter of the area within which each sewer is located and each such area

is described as follows: Parcel 13—Beginning at a point in the north-erly line of East 125th street seventy-one (71) feet southeasterly and along said northerly line of East 125th street from the point formed by the intersection of the said northerly line of East 125th street with the easterly line of 1st avenue; running thence northeasterly and at right angles to the northerly line of East 125th street a distance forty-nine (49) feet; thence southeasterly and at right angles to the last mentioned line a distance two (2) feet; thence southwesterly and at right angles to the last mentioned line a distance forty-nine (49) feet to a point in the northerly line of East 125th street; thence northwesterly and along said northerly line of East

westerly and along said northerly line of East 125th street a distance two (2) feet to the point or place of beginning. Parcel 14—Beginning at a point in the north-erly line of East 125th street two hundred thirty-six (236) feet southeasterly and along said northerly line of East 125th street from the point formed by the intersection of the said northerly line of East 125th street with the easterly line of 1st avenue; running thence northeasterly and at right angles to the northerly northeasterly and at right angles to the northerly line of East 125th street a distance thirty-three and five-tenths (33.5) feet; thence southeasterly and at right angles to the last mentioned line, a distance two (2) feet; thence southwesterly and at right angles to the last mentioned line a distance thirty-three and five-tenths (33.5) feet to a point in the northerly line of East 125th street; thence northwesterly and along said northerly line of East 125th street a distance two (2) feet

to the point or place of beginning. Drain Pipe Easements Within the limits of the property previously bounded and described for the purposes of acquiring column and foundation easements in Parcels 3 and 9, respectively, there is to be acquired permanent, perpetual and exclusive rights or easements to occupy this same property or the purposes of constructing and maintaining drain pipes which are to connect to the sewer lines within Parcels Thirteen (13) and Fourteen (14), respectively.

Temporary Easements

Within the area previously bounded and described as the area in and to which easement any fixtures is made by a lesse or tenant of the rights are required, there is to be acquired a real property to be acquired, a copy of such veri-

approximately north 24 degrees west 413 feet, more or less, to the point or place of beginning. —and each and every owner of said property having any claim or demand on account thereof, is hereby required to file with the Clerk of the

County of New York on or before the 22d day of July, 1935, his written claim or demand duly verified in the manner provided by law for the verification of pleadings in an action, setting forth the real property owned by the claimant and his post office address, together with an inventory or itemized statement of the fortunes if any for or itemized statement of the fixtures, if any, for which compensation is claimed; and in case such claim or demand for compensation in respect of

Hill Park.

fied claim or demand, together with said inventory or itemized statement, shall be served upon the owner of such real property or his attorney, and at the same time serve on the Corporation Counsel of The City of New York, at his office, Room 1743, 17th floor, Municipal Building, Porough of Manhattan, City of New York, a copy of such verified claim.

Dated, New York, June 14, 1935.

PAUL WINDELS, Corporation Counsel, Office and Post Office Address, Municipal Building, Bor ough of Manhattan, City of New York, j19,29

Application for Appointment of Commissioners

SUPREME COURT-BRONX COUNTY

In the Matter of the Application of the Corpora tion Counsel of The City of New York for the appointments of Commissioners of Estimate and Assessments to ascertain and determine the com-Assessments to ascertain and determine the con-pensation which should justly be made to cer-tain owners legally entitled to damages caused by the closing of a portion of OLD 3D AVE NUE (formerly OLD FORDHAM AVENUE), in Plocks Nos. 2920, 2921, 2922, 2923 and 2924, in the Borough of The Bronx, City of New in the York.

Notice to File Claims

SUPREME COURT-QUEENS COUNTY

n the Matter of the Application of The City of New York relative to acquiring title wherever the same has not been heretofore acquired for the same purpose in fee to the real property required for the opening and extending of DOUGLASTON PARKWAY (MAIN AVE-NUE) from Nothern boulevard (Broadway) to 239th street (Douglaston parkway-Main ave-nue), and 239TH STREET (DOUGLASTON PARKWAY-MAIN AVENUE) from Douglas-ton parkway (Main avenue) to the Long Island Railroad, excluding the lands acquired by the State of New York, in the Borough of Queens, City of New York of New York.

NOTICE IS HEREBY GIVEN THAT BY AN order of the Supreme Court of the State of New York, Second Judicial District, dated June 6, 1935, and duly entered and filed in the office of the Clerk of the County of Queens on June 6, 1935, the order to amend application of The City of New York to have the compensation which should justly be made to the respective owners of the real property proposed to be taken in the above entitled proceeding ascertained and deter-mined by the Supreme Court without a jury, and to have the cost of the improvement assessed by the said court in accordance with the resolution the Board of Estimate and Apportionment, adopted on the 3d day of November, 1933, was grante

NOTICE IS HEREBY FURTHER GIVEN that, pursuant to section 1000 of the Greater New York Charter, as amended by chapter 606 of the Laws of 1915 and chapter 391 of the Laws of 1932, the map or survey of the land to be acquired in this proceeding has been duly filed in the office of the Clerk of the County of Queens, and each and every person interested in the real property to be taken for the purpose of opening and extending of the above named streets, having any claim or demand on account thereof, is hereby required to file his claim duly verified in the manner required by law for the verification of pleadings in an action, with the Clerk of the County of Queens, on or before the 21st day of August, 1935, and to serve on the Corporation Counsel of The City of New York, at his office, Room 1559, Municipal Building, Borough of Manhattan, City of New York, within the same time a copy thereof. The said verified claim shall set forth the real

property which the claimant owns or in which he is interested, and his post office address, to gether with an inventory or itemized statement of the fixtures, if any, for which compensation is claimed; and in case such claim or demand for compensation in respect of any fixtures is made, by a lessee or tenant of the real property to be

by a lessee or tenant of the real property to be acquired, a copy of such verified claim or de-mand, together with said inventory or itemized statement, shall be served upon the owner of such real property or bis attorney. The Board of Estimate and Apportionment on November 6, 1934, adopted a resolution in pur-suance of the provisions of section 976 of the Greater New York Charter, as amended, direct-ing that on the date of the entry of the final decree in the above mentioned nonceding title in freing that on the date of the entry of the hall decree in the above mentioned proceeding title in fre shall become vested in The City of New York where not already vested. Dated, New York, June 21, 1935. PAUL WINDELS, Corporation Counsel, Office and Post Office Address, Municipal Building, Bor-ough of Manhattan, City of New York. j21, jy2

New York to certain lands and premises situated New York to certain lands and premises situated on the easterly side of CYPRESS AVENUE between East 132d and East 133d streets; the easterly side of CYPRESS AVENUE be-tween East 133d and East 134th streets; at and near the northesserly corner of EAST 134TH STREET and CYPRESS AVENUE; at and near the intersection of the easterly side of CYPRESS AVENUE with the southerly side of SOUTHERN BOULEVARD, and the southerly side of SOUTHERN BOULEVARD extending from the easterly side of Cypress avenue to from the easterly side of Cypress avenue to the southerly side of East 135th street, in the Borough of The Bronx, City of New York, duly selected as a site for the Triborough Bridge by the Department of Plant and Structures, and approved by the Board of Estimate and Appor ament, according to law

NOTICE IS HEREBY GIVEN TO THE owners respectively entitled to or interested in the real property, title to which has been acquired in the above proceedings, and to all those whom it

That the Supreme Court of the State of New York at a Special Term for trials, held in and for the County of Bronx, at the County Court House, at 161st street and Grand Concourse, in the Borough of The Bronx, City of New York, has, after considering the testimony and proofs offered by The City of New York, and the parties and persons who have appeared in the above pro ceedings, completed its estimate of the compensation which ought justly to be made by The City of New York to the respective owners of the real property so acquired, and has prepared a transcript of its estimate of the damages so ascetained and estimated. Said transcript of estimate is accom banied by the damage map used by said court upon the trial of the said proceedings and states the sums estimated for all parcels shown on said damage

map with the names of the owners so far as ascertained. Said transcript of estimate, dated June 10, 1935, is signed by Hon. John E. McGeehan, Justice of the Supreme Court presiding at the trial of the above proceeding, and said transcript accompanied by said damage map, together with the proofs upon which it is based, was filed in the office of the Clerk of the County of Bronx on the 11th day of June, 1935, for the inspection of whomsoever it may concern. NOTICE IS HEREBY FURTHER GIVEN

that The City of New York, and any person o persons whose rights may be affected by said transcript of estimate, and who may object to the same or any part thereof, may, within fifteen (15) days after the first publication of this notice on June 13, 1935, set forth their objections to the same in writing, duly verified in the manner re-quired by law for the verification of pleadings in an action, setting forth the real property owned by the objector and his post office address, and file the same with the Clerk of the County of Bronx, and within the same time serve upon the Corporation Counsel of The City of New York, t his office, Room 1743, 17th floor, Municipa Ruilding, Borough of Manbattan, City of New York, or if the City files objections, serve upon the attorneys for the claimants a copy of such verified objections.

NOTICE IS HEREBY FURTHER GIVEN that on the 28th day of June, 1935, at 10 o'clock in the forenoon, or as soon thereafter as counsel can be heard thereon, the Corporation Counsel of The City of New York will apply to Hon. John E.

Application to Court to Condemn Property

SUPREME COURT-KINGS COUNTY

In the Matter of Acquiring Title by The City of New York to certain lands and premises, being the block bounded by the centre line of Ten Eyck street, the westerly side of Graham avenue, the centre line of Stagg street and the east-erly side of Manhattan avenue, said premises being designated as Block 3025 on the tax map, in the Borough of Brooklyn, City of New York, duly selected as a site for school purposes,

according to law. PURSUANT TO THE STATUTE IN SUCH case made and provided, notice is hereby given that it is the intention of the Corporation Counsel of The City of New York to make application to the Supreme Court of the State of New York at a special term of said court for condemnation proceedings, to be held in and for the County of Kings, at the County Court House in the Borough of Brooklyn, City of New York, on the 5th day of July, 1935, at the opening of the court on that day, or as soon thereafter as counsel can be heard thereon, to have the compensation which justly should be made to the respective owners of the real property proposed to be taken in the above proceeding, ascertained and determined by said court without a jury. The nature and extent of the improvement hereby intended is the acquisition of title in fee simple absolute by The City of New York to certain lands and premises, with the uildings thereon and appurtenances thereunto belonging, situate, lying and being in the Borough of Brooklyn, County of Kings, City and State of New York, and more particularly bounded and described as follows:

Beginning at the point formed by the intersection of the easterly side of Manhattan avenue and the centre line of Ten Eyck street as shown on the tax map and running thence easterly along the centre line of Ten Evck street as shown on the tax map and perpendicular to the easterly line of Manhattan avenue 400 feet to the westerly line of Graham avenue; thence southerly along the westerly line of Graham avenue 260 feet to the centre line of Stagg street; thence westerly along the centre line of Stagg street as shown on the tax map and perpendicular to the westerly line of Graham avenue 400 feet to the easterly line of Manhattan avenue; thence northerly along the easterly line of Manhattan avenue 260 feet to the centre line of Ten Eyck street as shown on the tax map of the Borough of Brooklyn, the point or place of beginning, be the said several dimensions more or less said premises designated as Block 3025 on the tax map of the Borough of Brooklyn, together with all right, title and interest. if any, in and to the streets and avenues in from thereof to the centre thereof.

-the same to be converted, appropriated and used as a site for school purposes, according to law.

Dated, New York, June 21, 1935. PAUL WINDELS, Corporation Counsel, Office and Post Office Address, Municipal Building, Borough of Manhattan, City of New York. j.22,jy3

SUPREME COURT-KINGS COUNTY

In the Matter of the Application of The City of New York relative to acquiring title wherever the same has not been heretofore acquired for the same purpose in fee to the lands, tene-ments and hereditaments required for the purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed. The permit for all openings in the street to be obtained by and at the expanse of the purchaser of the building.

cost of completing any of the work required under the contract, but unfinished at the expira-tion of the contract period.

tion of the contract period. The purchaser shall not lease, occupy, cause, or permit the building or buildings, etc., pur-chased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall be collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the or and cause immediate forfeiture of the pur-chase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occu-pancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchman or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the sale will be as of the condition of the

The sale will be as of the condition of the property on date of delivery thereof to the pur-chaser. The City of New York will not be re-sponsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof appurtenances between the time of the sale thereof and the time of delivering possession to the pur-chaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacat-ing the structures of their tenants will permit. All of the material of buildings, abeds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurte-tions and foundations of all kinds excert the nances and foundations of all kinds except the aterior walls of the buildings and their founds tions, and the sidewalks and curbs in front of said buildings, extending within the described said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste re-sulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb oppo-site that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, ceas-pools, sinks, etc., existing on the property must pools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains and in place thereof cause to be service mains and in place thereof cause to be inserted a brass plug in the main water pipe in the street in compliance with the rules and regu-lations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

opened by the President or Board or head of said Department and read, and the award of the con-tract made according to law as soon thereafter as practicable. Each NI shall contain the name and place of

residence of the person making the same, and the names of all persons interested with him therein, and, if no other person be so interested. it shall distinctly state that fact; also that it is made without any connection with any other per-son making a bid for the same purpose, and is in all respects fair and without collusion or trand and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereto, or clerk therein, or other officer or em-ployee of The City of New York is, shall be, or become interested, directly or indirectly, as con-tracting party, partner, stock holder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath, in writing, of the party or parties making the bid that the several matters stated therein are in all

respects true. No bid will be considered unless, as a condition precedent to the reception or consideration of such bid, it be accompanied by a certified check upon one of the State or National banks or trust companies of the City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificate of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter All bids for supplies must be submitted in duplicate.

duplicate. The certified check or money should not be inclosed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid. For particulars as to the quantity or quality

of the supplies, or the nature and extent of the work, reference must be made to the specifica-tions, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the

City so to do. Bidders will write out the amount of their bids in addition to inserting the same in figures. Bidders are requested to make their bids upon Bidders are requested to make their bids upon the blank form prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Carporation Counsel, can be obtained upon application therefor at the office of the deartment for which the work is to be dear of the department for which the work is to be done or the supplies are to be furnished. Plans and drawings of senstruction wors may be seen there.
