The President announced the presence of a quorum.
The invocation was delivered by Father John Healey, O.P., from St. Vincent Ferrer, Lexington avenue at 65th street, Manhattan.

INVOCATION

O Almighty and Eternal Father, send forth Thy Holy Spirit on these Councillors of the great City of New York. Illumine their minds with Thy gift of Wisdom so that at all times here and elsewhere they may remember that they represent, not a few of the citizens, not one clique, not one party, nor all the people only, but that at all times and in all things they represent Thee. Enkindle in them the gift of understanding so that they shall have as their objective the real good of all the people, the gift of knowledge that they may realize that all good things, power, position, public office may be abused, the gift of counsel, that they may never forget that the criterion for what is practical and expedient is not present gain but what Thy Wisdom would dictate.

O Loving Father of all, black and white, Jew and Gentile, so move the wills of these Thy Councillors that they may resist every urge to forget Eternal Justice and Truth. Make the gift of piety be ever present in them so that they will remember that there is one lasting country and their conduct here should be such as will fit them to be citizens of that country—Thy Everlasting Home. Perfect in them that indispensable gift, fear of Thee, which will make them so humble at the thought that they were chosen to be Thy earthly agents that they will fear, not the wrath of a human leader, whatsoever his title, or his threat, but that they may fear to be unworthy of Thy love and confidence. Make ever visible in them Thy gift of fortitude, which will convince them that a fool can rant and denounce, and a weakling can be influenced by bribe and promise, a fool can mistake might for right, brawn for brain; by that gift of fortitude show them that often silence is strength, that to stand for the pure and clean and just and that this, come what may, to the individual, is real strength. We ask that mindful of the great dignity of the office of Councilman they so conduct themselves in public and private life that an intelligent, grateful citizenry and Thou also will say "well done." This we ask in the name of the Father, Son and Holy Ghost.

On motion of Mr. Smith, seconded by Mr. Nugent, the invocation was ordered spread in full upon the minutes of the meeting.

On motion of Mr. Digiovanna, seconded by Mrs. Earle, the minutes of the meeting of December 3, 1940, were adopted as printed.

The Committee on Civil Employees, to which was referred on October 8, 1940 (minutes, page 151), the annexed Local Law to amend the Administrative Code of The City of New York, in relation to the powers of the Board of Trustees of the Fire Department Pension Fund to grant pensions under special circumstances, respectfully REPORTS:

This bill, as amended in committee, makes provision for the granting of a pension to the widow or children of any member of the Uniformed Force of the Fire Department killed while actually engaged in saving life or property during the extinguishment of a fire outside of the City although not engaged in the performance of duty for the City.

Your Committee is in sympathy with the purpose of this proposed legislation, and accordingly presents the bill for adoption in its amended form. A LOCAL LAW to amend the administrative code of the city of New York, in relation to the powers of the board of trustees of the fire department pension fund to grant pensions under special circumstances.

Whereas, At the present time the last station on the Lenox Avenue Branch of the Broadway-7th Avenue Subway is located at 145th street and Lenox avenue; and

Whereas. The People of that section feel that a station should be constructed at 150th street and Lenox avenue, where the subway yard is located, so that they would not be forced to walk to 145th street and Lenox avenue; therefore be it

Resolved. That the City Council petition the Board of Transportation to erect a station at the above designated locality in order that the citizens of said vicinity may be

Whereas, It is only just and proper that this first heavier-than-air machine to fly in the air should repose in the Smithsonian Institute in Washington, D. C. and not in London, where it is subject to destruction by aerial bombardment;

VETOES

On motion of the Vice-Chairman, Vetoes Nos. 21, 22 and 23 were again laid over. GENERAL ORDERS G. O. 155 (Res. No. 128)

Report of the Committee on City Affairs in Favor of Adopting a Resolution Relative to the Operation of Empty Trolley Cars, and to Abate the Nuisance Created Thereby During the Late Night and Early Morning Hours Over and Upon the Public Streets or Private Right-of-Way Known as the Palmetto Street-Lutheran Right-of-Way in Ridgewood, Queens.

The Committee on City Affairs to which was referred on October 22, 1940 (Minutes, page 178), and recommitted November 19, 1940, the annexed Resolution requesting the Mayor, Board of Estimate, City Planning Commission, Transit Commission and Board of Transportation to take the necessary steps for the discontinuance of the operation of empty trolley cars, and to abate the nuisance created thereby during the late hours of the night and the early hours of the morning over and upon the public streets or private right-of-way constituted and known as the Palmetto street-Lutheran right-of-way in Ridgewood, Borough of Queens, respectfully

REPORTS:

At a public hearing held on this Resolution, the statements of taxpayers and other persons aggrieved established the existence of a continuing nuisance in the form of a procession of empty trolley cars along the above-mentioned right-of-way during the late night and early morning hours daily. It was brought out that the accompanying noise and racket caused by the intermittent clanging of bells, grinding of brakes and the stopping and starting of the cars at intersections and as the traffic lights change are a source of great annoyance, and disturb the sleep, comfort and health of the property owners and tenants whose homes abut on or are in close proximity to this right-of-way.

Your committee therefore urges the adoption of this Resolution. For text of Resolution No. 128 see Minutes of the City Council of December 3, 1940

ANTHONY J. DIGIOVANNA, ALFRED E. SMITH, Jr., WILLIAM N. CON-RAD, HUGH QUINN, WILLIAM A. CARROLL, Committee on City Affairs.

fore be it Resolved. That any unjustifiable increases in the price of food during the present national emergency is a matter of very serious concern to the seven and a half million consumers in The City of New York which would in all likelihood deprive many thousands of families of essential food elements vital to their diets and health; and be it further

Resolved, That the Council express its approval of the purposes of the proposed Federal investigation into the economics of food handling and costs which will help the consuming public and the farmer; and be it further

liam F. Morgan, Jr., of the Department of Markets. Following discussion by Messrs. Laidler, Baldwin, Mrs. Earle and the Vice-Chairman, the foregoing resolution was referred to the Committee on Markets.
